Group Strategic Report for the year ended 31st October 2022

The directors present their strategic report of the company and the group for the year ended 31st October 2022.

#### **REVIEW OF BUSINESS**

EYG aims to provide exceptional products coupled with excellent customer service to support its aim of becoming a national brand in the home improvement sector. The company has continued to build following the difficulties created by the COVID-19 pandemic. 2021-22 has shown that our strategic planning, our control of our cost base, our reputation for quality in the market and our strong relationship with our supply chain partners, have proved to be the ingredients for a successful year.

New product lines and routes to market starting in 2021 are continuing to come to fruition, and based on half year results and strong order book, 2022-23 looks to be another successful year when the industry as a whole is suffering a downturn. The group has invested in new cutting-edge machinery and expanded into new locations in an attempt to continue to gain market share. 2022-23 has also seen the group create a new route to market through Kingston Windows and Doors, which is hoped will add to the EYG brand.

Given the straightforward nature of the businesses, the company's directors are still of the opinion that an analysis using Key Performance Indicators is not necessary for an understanding of the development, performance or position of the business.

#### PRINCIPAL RISKS AND UNCERTAINTIES

The board feel that most of the risk factors being faced have been identified and mitigated. Principle concerns for us in the coming periods remain the rising costs of raw materials coupled with unprecedented inflation and high interest rates causing the cost-of-living crisis. The threat of a recession is something that also requires monitoring. However, the company over its 50 plus years has faced issues before and has adequate plans in place to deal with these risks if and when they arrive.

#### BY ORDER OF THE BOARD:

N S Ward - Director

31st July 2023

## Report of the Directors for the year ended 31st October 2022

The directors present their report with the financial statements of the company and the group for the year ended 31st October 2022.

#### PRINCIPAL ACTIVITY

The principal activity of the group in the year under review was that of manufacturing and installation of single and double glazed windows and doors.

#### **DIVIDENDS**

The total distribution of dividends for the year ended 31st October 2022 will be £10,754 ( 2021 - £9,857).

#### RESEARCH AND DEVELOPMENT

The group continues to develop and innovate its products and their manufacture

#### **FUTURE DEVELOPMENTS**

The group will continue to pursue developments and innovation in its established business.

#### **DIRECTORS**

The directors shown below have held office during the whole of the period from 1st November 2021 to the date of this report.

J R Bingham N S Ward Mrs L M Bingham Mrs L A Ward Mrs L J Baxter

#### **QUALIFYING THIRD PARTY INDEMNITY PROVISIONS**

The group has made qualifying third party indemnity provisions for the benefit of its directors during the period. These provisions remain in force at the reporting date.

#### STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Group Strategic Report, the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the group and of the profit or loss of the group for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's and the group's transactions and disclose with reasonable accuracy at any time the financial position of the company and the group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the group's auditors are unaware, and each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the group's auditors are aware of that information.

Report of the Directors for the year ended 31st October 2022

## **AUDITORS**

The auditors, Smailes Goldie, will be proposed for re-appointment at the forthcoming Annual General Meeting.

### BY ORDER OF THE BOARD:

N S Ward - Director

31st July 2023

## Report of the Independent Auditors to the Members of EYG Holdings Limited

#### Opinion

We have audited the financial statements of EYG Holdings Limited (the 'parent company') and its subsidiaries (the 'group') for the year ended 31st October 2022 which comprise the Consolidated Statement of Comprehensive Income, Consolidated Balance Sheet, Company Balance Sheet, Consolidated Statement of Changes in Equity, Company Statement of Changes in Equity, Consolidated Cash Flow Statement, Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and of the parent company affairs as at 31st October 2022 and of the group's profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's and the parent company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

#### Other information

The directors are responsible for the other information. The other information comprises the information in the Group Strategic Report and the Report of the Directors, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Group Strategic Report and the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Group Strategic Report and the Report of the Directors have been prepared in accordance with applicable legal requirements.

## Report of the Independent Auditors to the Members of EYG Holdings Limited

## Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and the parent company and its environment obtained in the course of the audit, we have not identified material misstatements in the Group Strategic Report or the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

#### Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities set out on page three, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the group's and the parent company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the group or the parent company or to cease operations, or have no realistic alternative but to do so.

### Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the company, including the Companies Act 2006, tax legislation, data protection, anti-bribery, employment, environmental and health and safety legislation. An understanding of these laws and regulations and the extent of compliance was obtained through discussion with management and inspecting legal and regulatory correspondence.

We assessed the susceptibility of the company's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by making enquiries of management and considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

## Report of the Independent Auditors to the Members of EYG Holdings Limited

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading the minutes of meetings of those charged with governance;
- enquiring of management as to actual and potential litigation and claims;

Due to the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the directors and other management and the inspection of regulatory and legal correspondence, if any.

The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission, or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

#### Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## Notes to the Consolidated Financial Statements for the year ended 31st October 2022

#### 1. STATUTORY INFORMATION

EYG Holdings Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the General Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

#### 2. ACCOUNTING POLICIES

### Basis of preparing the financial statements

The financial statements have been prepared in accordance with applicable accounting standards including Financial Reporting Standard 102: "The Financial Reporting Standard in the UK and Republic of Ireland" (FRS 102) and the Companies Act 2006.

The financial statements have been prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value.

The group has continued to build following the difficulties created by the COVID-19 pandemic and has maintained strong order books due to the growth in the home improvement and housing markets and our recognised brand within the market. As a result of our strategic planning and new routes to market we have significantly reduced our cost base. We have strengthened our reserves and have used our liquidity to keep control over rising supply chain costs and shortages. Our brand in the market and our reputation for quality has meant that we have been able to increase our market share in ever-growing home improvement and construction sectors. New product lines are being adopted by the market and this will continue to give us a competitive edge over others in our industry.

Based on the above assessment and review, the financial statements are prepared on a going concern basis.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated.

#### Basis of consolidation

The group accounts consolidate the accounts of the Company and all its subsidiary undertakings at 31 October 2022 using acquisition accounting. The results of companies acquired are included from the effective date of acquiring control.

#### Turnover

Turnover is measured at the fair value of the consideration received or receivable net of VAT and trade discounts. The policies adopted for recognition of turnover are as follows:

Turnover from the the manufacturing and installation of single and double glazed windows and doors together with ancillary services is recognised when significant risks and rewards of ownership of the good have transferred to the buyer, the amount of turnover can be measured reliably, it is probable that the economic benefits associated with the transaction will flow to the company and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

#### Tangible fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Freehold property (Freehold land is not depreciated)
Plant and machinery, fixtures and fittings
Motor Vehicles

- 40 years
- 3 to 10 years
- 25% reducing balance

## Notes to the Consolidated Financial Statements - continued for the year ended 31st October 2022

#### 2. ACCOUNTING POLICIES - continued

#### Stock and work in progress

Stocks are stated at the lower of cost and estimated selling price less costs to complete and install. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing stock to its present location and condition. Cost is calculated using the first-in, first-out formula. Provision is made for damaged, obsolete and slow-moving stock where appropriate.

Work in progress is valued on the basis of direct costs plus attributable overheads based on normal levels of activity. Provision is made for any foreseeable losses where appropriate.

#### **Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Consolidated Statement of Comprehensive Income, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

#### Lease arrangements

Assets acquired under finance leases are capitalised and depreciated over the shorter of the lease term and the expected useful life of the asset. Minimum lease payments are apportioned between the finance charge and the reduction of the outstanding lease liability using the effective interest method. The related obligations, net of future finance charges, are included in creditors.

Where goods are sold using finance leases, the entity recognises turnover from the sale of goods and the rights to receive future lease payments as a debtor. Minimum lease payments are apportioned between finance income and the reduction of the lease debtor with finance income allocated so as to produce a constant periodic rate of interest on the net investment in the finance lease.

Rentals payable and receivable under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

#### **Employee benefits**

When employees have rendered service to the company, short-term employee benefits to which the employees are entitled are recognised at the undiscounted amount expected to be paid in exchange for that service.

The company operates a defined contribution plan for the benefit of its employees. Contributions are expensed as they become payable.

#### **Debtors and creditors**

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the profit and loss account in other administrative expenses.

#### Impairment

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in the profit and loss account unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

### 3. TURNOVER

Turnover comprises the invoice value of goods and services supplied by the company exclusive of value added tax and arises from the one continuing activity of the company wholly within the United Kingdom.

#### 7. TAXATION

#### Analysis of the tax charge

The tax charge on the profit for the year was as follows:

|                                 | 2022<br>£          | 2021<br>£         |
|---------------------------------|--------------------|-------------------|
| Current tax: UK corporation tax | 10,570             | 39,137            |
| Deferred tax<br>Tax on profit   | 126,543<br>137,113 | 90,018<br>129,155 |

### Reconciliation of total tax charge included in profit and loss

The tax assessed for the year is higher than the standard rate of corporation tax in the UK. The difference is explained below:

| Profit before tax   | 2022<br>£<br><u>542,812</u>  | 2021<br>£<br>528,138 |
|---|------------------------------|----------------------|
| Profit multiplied by the standard rate of corporation tax in the UK of 19 % (2021 - 19 %) | 103,134                      | 100,346              |
| Effects of: Expenses not deductible for tax purposes transferred to group companies       | 8,704                        | 16,357               |
| Deferred tax calculated at future rate Effect of super deduction Total tax charge         | 30,371<br>(5,096)<br>137,113 | 12,452<br>           |

### Tax effects relating to effects of other comprehensive income

|                       | 2022             |          |                  |

|                       | Gross<br>£       | Tax<br>£ | Net<br>£         |
| Purchase of own share | <u>(69,565</u> ) |          | <u>(69,565</u> ) |

## Notes to the Consolidated Financial Statements - continued for the year ended 31st October 2022

#### 7. TAXATION - continued

At 31st October 2022 At 31st October 2021

The expected net reimbursement of deferred tax assets and liabilities in 2022 (£2,023. This is due to the reversal of accelerated capital allowances.

The Chancellor of the Exchequer delivered his budget to parliament on 3 March 2021 in which he confirmed that the corporation tax rate would increase from the current rate of 19% to 25% from 1 April 2023 for companies and groups with profits greater than £50,000. As the rate increase had been substantively enacted by the balance sheet date, deferred tax has been provided for in this set of financial statements at that rate.

#### 8. INDIVIDUAL STATEMENT OF COMPREHENSIVE INCOME

As permitted by Section 408 of the Companies Act 2006, the Statement of Comprehensive Income of the parent company is not presented as part of these financial statements.

| Finance leases (see note 17) | 283,280 | 123,283 | -       | -       |
| Preferred ordinary shares    | 1,750   | 1,750   | 1,750   | 1,750   |
| •                            | 609,503 | 524,029 | 301,105 | 364,271 |

The holders of the preferred ordinary shares have the right to receive a cumulative preferential dividend for each year ending 31 October equal to Lloyds Bank plc's base rate plus 1.5% multiplied by 103.44. In addition, the preferred shares rank pari passu with the ordinary shares in respect of any additional dividends the company resolves to pay and in respect of the voting rights attached to the shares.

On a winding up, any surplus assets are to be applied firstly to pay any arrears of the preferential dividend; secondly to repay £92.86 to the holder of each preferred ordinary share (pro rata according to the amount paid up and to the extent of the surplus assets); and thereafter will be divided amongst the holders of the preferred ordinary shares and the ordinary shares according to the amounts paid up thereon respectively.

Page 22 continued...

## Notes to the Consolidated Financial Statements - continued for the year ended 31st October 2022

#### 16. **LOANS**

An analysis of the maturity of loans is given below:
