# ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2002

## TOGETHER WITH AUDITORS' REPORT

Registered Number: FC16520

A40 COMPANIES HOUSE 22/07/03

### INDEPENDENT AUDITORS' REPORT

#### To the members of The International Tobacco Documentation Centre

We have audited the financial statements set out on pages 3 to 11 which have been prepared under the historical cost convention and the accounting policies set out on pages 6 and 7.

This report is made solely to the company's members. Our audit work has been undertaken so that we might state to the members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than The International Tobacco Documentation centre members as a body, for our audit work, for this report, or for the opinions we have formed.

## Respective Responsibilities of Directors and Auditors

As described in the notes to the accounts, the directors are responsible for the preparation of accounts. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view. We also report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding director's remuneration and transactions with the company is not disclosed.

We read the director's report and consider the implications for our report if we become aware of any apparent misstatements within it.

### INDEPENDENT AUDITORS' REPORT

## **Basis of Opinion**

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the director in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

## **Opinion**

In our opinion the financial statements give a true and fair view of the state of affairs of The International Tobacco Documentation Centre at 31 December 2002 and of the results of its operations and cash flows for the year then ended in conformity with generally accepted accounting principles applied on a consistent basis.

# NOTES TO THE FINANCIAL STATEMENTS 31 DECEMBER 2002

### 1. Organisation

The International Tobacco Documentation Centre (the "Centre") is a non-profit making association constituted and having its head office in the Canton of Geneva, Switzerland, established within the terms of Articles 70 to 79 of the Swiss Civil Code. The Centre's secretariat is located in London, United Kingdom, where it has the status of a non-profit making organisation. It commenced operations on 1 January 1992.

## 2. Directors' Responsibilities

The directors are responsible for preparing accounts for each financial year which give a true and fair view of the state of affairs of the centre and of the surplus or deficit of the Centre for that period. In preparing those accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed; subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the association will continue in business.

The directors are responsible for safeguarding the assets of the association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### 3. Accounting Policies

These accounts have been prepared in accordance with generally accepted accounting principles. The principal accounting policies which have been applied consistently, are set out below:

#### a) Contributions from Members

Net contributions are shown after taking into account contributions from and repayments to members.

### b) Tangible Fixed Assets

Tangible fixed assets are shown at original historical cost. Depreciation is provided on a straight-line basis. The annual depreciation rates have been determined on the basis of the expected useful economic lives of these assets and are as follows:

Furniture and equipment 25% Motor vehicles 33% Computers 33%

# NOTES TO THE FINANCIAL STATEMENTS 31 DECEMBER 2002

## c) Foreign currency

Transactions are denominated in foreign currencies (currency other than pounds sterling) are recorded in pounds sterling at actual exchange rates as of the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the year end are reported at the rates of exchange prevailing at the year end. Any gains or loss arising from a change in exchange rates subsequent to the date of the transaction is included as an exchange gain or loss in the statement of revenue and expenses.

### d) Pension costs

It is the general policy of the Centre to provide for pension benefits on the advice of external actuaries. Pension contributions are based on a percentage of employees' salaries and are paid to an insurance company which administers individual money purchase schemes for employees.

## e) Taxation

Corporation tax payable is provided on taxable profits at the current rate. The company has trade protection association status for tax purposes with the UK Inland Revenue, and as such is liable to UK corporation tax on profits from non-mutual activities, principally interest income on deposits and rental income from letting.
