Notes to the Financial Statements for the Year Ended 31 December 2011

### 1 ACCOUNTING POLICIES

### Accounting convention

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

### **Turnover**

Turnover represents income receivable from courses, social events, and grants, net of Value Added Tax

### Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date

### Grants

Grants are credited to the Income and Expenditure Account in the period when receivable. Grants received in respect of administrative expenses are credited against the costs. All other grants are included within turnover.

### Investments

Fixed asset investments are stated at cost less provision for any permanent diminution in value. For listed investments, market value is based on the closing middle market price on a recognised stock exchange.

### 2 TURNOVER

The turnover and loss (2010 - profit) before taxation are attributable to the one principal activity of the company
