DIRECTOR'S REPORT

The director presents his annual report and the audited financial statements for the year ended 31 March 1999.

STATE OF AFFAIRS AND DIVIDENDS

The company is dormant.

The director does not recommend the payment of a dividend.

DIRECTOR

The director who served throughout the year is Mr J H Williamson. He had no interest in the share capital of the company. His interest in the share capital of Cadastra Limited, the ultimate parent company of the group, is set out in the report of the directors of that company.

STATEMENT OF DIRECTOR'S RESPONSIBILITIES

Company law requires the director to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the profit or loss of the company for that period. In preparing those financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable him to ensure that the financial statements comply with the Companies Act 1985. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS' REPORT TO THE MEMBERS

We have audited the financial statements on pages 3 to 5 which have been prepared under the accounting policies set out on page 5.

Respective responsibilities of the director and auditors

As described on page 1 the company's director is responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the director in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 March 1999 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.
