**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MAY 2020**

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006. The charity was incorporated on 24 June 1883 and registered as a charity on 28 March 1963.

Recruitment and appointment of new trustees

New trustees are usually recruited from among RISW members through election at the Annual meeting, although the Council has the power to fill gaps in the body of trustees at other times of year. The nature of the Charity is such that the need for an in house induction and training session for new trustees would be unwarranted.

Related parties

The trustees are identified as related parties.

Risk management

Any events organised by the RISW, whether within the Museum, or outside, are assessed concerning potential risks and comply with the terms of the RISW Insurers.

Financial procedures for reimbursement need the approval by a Council Member and for specific one off items a Resolution passed by Council. All payments are made by cheque which are signed by two authorised signatories.

Other than specific events income from items such as membership are mainly paid by standing order. Monies raised at individual events are detailed in a statement and signed by the individual organising the event. All such events are reported to Council and minuted. The Treasurer makes regular reports to Council. Council has not been engaged in any contractual work, have no paid staff and manage its day to day expenditure relating to service provided to members within the yearly income generated. The Charity is well managed and the charity has not been exposed to any risk.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Institution is a non-profit making body whose principal activity is to promote the cultivation and advancement of all or any branches of Natural and Applied Science and the encouragement of Literature and Fine Arts. The Institution also acts as the Friends of Swansea Museum.

The trustees have complied with their duty to have regard to the guidance published by the Charity Commission in respect of their obligation to work for the public benefit.

The charity benefits the public by promoting Natural and Applied Science, Literature and the Fine Arts.

Volunteers

The membership consisting of single and double membership, totals 317 (2019 - 379). Members undertake voluntary work within the museum which includes research work and staffing the Tram Shed. Members are also involved in arranging lectures, book fair, launch of the RISW's Swansea History Journal, social events and other activities attracting over the year thousands of people to visit the museum. Volunteers manage the day to day affairs of the RISW – for example – membership, lectures, and publications. Up to sixty volunteers can be working for the charity at any one time.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MAY 2020**

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During the period the Institution provided funds for monthly lectures, public lectures, publications and support for the purchase of additions to the collections of Swansea Museum.

FINANCIAL REVIEW

Financial position

The charity has made a surplus of £3,450 (2019 – £4,268) during the year, and has net assets of £68,675 (2019 - £65,225) at the balance sheet date. No exceptional demands have been made on the charity this year.

Reserves policy

The charity holds within its funds a sum of £30,000, plus interest earned, as a result of a legacy from a previous year. The charity maintains sufficient reserves to guarantee its continuing activities, and to support future projects, including the publication of a major book detailing its own history.

The RISW has set up a Working Group to explore how Swansea Museum can be enhanced and will share with the City Council how the enhancement can be taken forward knowing that the RISW would be expected to assist in facilitating substantial financial support.

Designated Fund

As indicated above these monies are the result of a legacy and are specific for enhancing the work of the RISW and Swansea Museum and not for the day to day administrative costs of the Charity.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MAY 2020**

FINANCIAL REVIEW

Principal funding sources

The Institution receives the majority of its income from its membership fees, social events, and the sale of publications on local studies and the Institution's annual journal.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees (who are also the directors of Royal Institution of South Wales for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

ON BEHALF OF THE BOARD:

Mr. I Davies - Secretary

Joan Davies

Date:

15th March 2021.

BALANCE SHEET - CONTINUED
AT 31 MAY 2020

The charitable company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 May 2020.

The members have not required the charitable company to obtain an audit of its financial statements for the year ended 31 May 2020 in accordance with Section 476 of the Companies Act 2006.

The trustees acknowledge their responsibilities for

- (a) ensuring that the charitable company keeps accounting records that comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the charitable company.

These financial statements have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small charitable companies.

The financial statements were approved by the Board of Trustees on 15/3/2021 and were signed on its behalf by:

A Green - Trustee

L Morris - Trustee

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MAY 2020**

1. STATUTORY INFORMATION

The Royal Institution of South Wales is a charitable company, limited by guarantee, registered in England & Wales. The charitable company's registered number and registered office address can be found in the Trustees' Report.

The presentation currency of the financial statements is the Pound Sterling (£).

2. ACCOUNTING POLICIES

Accounting convention

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The trust constitutes a public benefit entity as defined by FRS 102.

Basis of preparation

A significant proportion of the charities income is by way of membership subscriptions. The charity has net current assets at the balance sheet date and has a surplus in the current year.

The charity is reliant on the continuing support of its members.

The Trustees have a reasonable expectation that this support will continue and enable the charity to meet its expenses and therefore the charity has adequate resources to continue in operational existence for the foreseeable future. Accordingly, the Trustees continue to adopt the going concern basis in preparing the financial statements.

In considering the Coronavirus disease 2019 (COVID-19), the Trustees understand the situation is still evolving and the full impact on the charity is unclear. The Trustees have taken steps to mitigate the risk to the charity and although there is uncertainty, the Trustees are confident that all reasonable measures which can be taken, have been, to safeguard the charity and its members.

Income and endowments recognition

All income is included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy. Donations are recognised either when received unless the charity has been notified in writing of both the amount and date of expected payment.

Income from the sale of books is recognised when the books are despatched to customers.

Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MAY 2020**

2. ACCOUNTING POLICIES

Donated services or facilities

Such amounts are recognised as income and expenditure when the benefit to the charity can be reasonably quantified or measured and is considered material to the charity.

Charitable activities

All expenditure in charitable activities is that expenditure incurred by the charity in meeting its objectives.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow-moving items.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Investments

Fixed asset investments are valued at market value.

Financial Instruments

Basic financial assets, which include trade and other debtors and cash and bank balances, are initially measured at transaction price unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

Basic financial liabilities, including trade and other creditors, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest.

Significant judgements and estimates

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors which are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision only effects that period, or in the period of the revision and future periods if the revision affects both current and future periods.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MAY 2020**

The following are the critical judgements that the directors have made in the process of applying the company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.

Impairment of assets

Assets are assessed for indicators of impairment at each balance sheet date. If there is objective evidence of impairment, an impairment loss is recognised in the income statement.

Provisions and contingencies

Provisions are recognised when the company has a present obligation as a result of a past event and a reliable estimate can be made of a probable adverse outcome. Otherwise, material contingent liabilities are disclosed unless a transfer of economic benefits is considered remote. Contingent assets are only disclosed if an inflow of economic benefits is probable.

8. TRUSTEES' REMUNERATION AND BENEFITS

There were no trustees' remuneration or other benefits for the year ended 31 May 2020 nor for the year ended 31 May 2019.

Trustees' expenses

During the year the trustees received £1,539 (2019 – £1,176) in respect of stationery and conference expenses reimbursed by the charity.

9. VOLUNTEERS

The charity is assisted by volunteers, up to sixty volunteers can be working for the charity at any one time. The value of the volunteers' time given within the year is estimated with reference to the recorded number of volunteer hours multiplied by the estimated hourly rate that an employee would have been paid for carrying out that type of service. The quantified benefit to the charity for volunteers' time is £43,500 (2019 - £58,000) and, in line with the requirements of the SORP, this amount has not been recognised within the accounts.
