Express & Star Limited

Report of the directors for the period ended 31 December 2011

The directors present their report together with the audited financial statements for the period ended 31 December 2011

Results and dividends

The profit and loss account is set out on page 8 and shows the loss for the period

The Directors paid an interim dividend of £1,000,000 (2010 - £2,000,000) They do not propose the payment of a final dividend (2010 - £Nil)

Principal activities, review of business and future developments

The principal activity of the company has continued to be that of newspaper publishers

Performance of the business during the period and business KPI's

The general economic uncertainty that the company has operated in since 2008 continued though out 2011, resulting in another challenging trading year. The reduction in public sector spending together with the economic climate and lower disposable income of consumers has meant that advertising customers have held back on advertising expenditure.

Lower advertising revenues together with the longer term decline in newspaper circulation meant the management of costs continue to be of the up most importance. The price of newsprint increased in the year but the company was protected against an element of this increase by the fixed price agreement entered into in 2010. This agreement finished at the end of 2011.

	52 weeks ended 31 December 2011 £	52 weeks ended 1 January 2011 £
Revenue	28,213,498	30,848,795
Operating loss	(8,333,457)	(6,600,859)
Capital expenditure	267,973	552,813

The decline in revenue was generated by a 4% decline in circulation revenues and a 10% decline in advertising revenues. Revenues from newspaper sales were lower as a result of the fall in circulation offset by the cover price increase taken in April 2011. The drop in advertising revenues was mainly down to jobs, property and classified advertising. The decline in job advertising has continued over the last couple of years as companies reduce their head counts together with less jobs in the public sector. The use of alternative advertising methods, such as the internet, is also impacting revenues. The tightening up of the property market together with the lack of available finance has reduced property revenues with the decline in classified advertising mainly due to the entertainment category.

Nature, objectives and strategies

The company's business is the publication of a daily paid for evening newspaper, together with the distribution of weekly free newspapers serving much of the West Midlands.

The company's objective is to be the leading provider of media services in the areas which it serves.

Express & Star Limited

Report of the directors for the period ended 31 December 2011 (*continued*)

Margins

Gross margins excluding the exceptional item decreased in the period due to the decline in revenue. The gross margin percentage also decreased slightly as the price of our key consumable, newsprint, not part of the fixed price agreement increased.

Operating Expenses

Operating expenses decreased in the year by £1,133,000 as the company reduced costs to reflect the lower revenues. Operating expenses included exceptional items of £1,167,000.

Balance Sheet

The control of capital expenditure has resulted in the net book value of tangible fixed assets declining by £1,117,000.

The movement in current debtors and creditors, a decrease of £1,505,000, is affected by group accounts, as excluding group accounts net current assets decreased by £1,378,000.

Relationships

The major external relationships of the business are the key advertising agencies and multiple retailers, as well as suppliers. All advertising agencies and multiple retailers are visited on a regular basis by senior management.

Principal risks and uncertainties

The Group manages competitive trading risk by providing an unrivalled service to its advertisers, however, the performance of the Group is dependant on the local economy. Circulation risk is managed by producing a quality product which is considered to be the primary source for news.

The Group is exposed to movement in the price of its key consumable, newsprint.

Express & Star Limited

Report of the directors for the period ended 31 December 2011 (*continued*)

Financial instruments

The company is financed by a combination of loans from group companies and the group's bankers

As highlighted in note 20 to the financial statements, the company is party to the Claverley Group banking facilities. These facilities are made available to the company to meet its day to day working capital requirements. As at the year end the Claverley group utilised an overdraft facility which was due for renewal in December 2011 (facility was temporarily extended during the refinancing noted below) and a revolving credit facility and term loan facility due for repayment in December 2014.

Following the year end the Claverley group entered into negotiations with Lloyds TSB to refinance the group's facilities due to a covenant breach. As part of this refinancing it sold its investment in the The Guiton Group (based in the Channel Islands) to Claverley Holdings Ltd with this group taking on separate financing with HSBC. The UK based group companies agreed new facilities with Lloyds TSB on 3rd July 2012 which include an overdraft facility of £4m due for renewal on 2 July 2013 and a new five year term loan for £8m. The new Lloyds TSB facilities are secured by a fixed and floating charge over the assets of the UK group companies. The company is party to these new facilities.

The directors of the company have prepared cashflow and profit and loss forecasts for the 3 year period to 31 December 2014 which show that the directors have a reasonable expectation that the company will be able to meet its liabilities as they fall due for at least the 12 months from the date of approval of these financial statements.

After making enquiries and considering uncertainties described above, the directors have a reasonable expectation that they can continue in operational existence for the foreseeable future. Accordingly the directors continue to adopt the going concern basis in preparing the financial statements.

Employees

The Directors recognise the importance of good communication and relations with members of the staff. A company newspaper is produced quarterly and methods of consultation are under constant review. The company is proud of its employment policies and of the guidance it gives to those approaching retirement.

Environmental matters

The company takes its environmental responsibilities seriously and recognises that business activities inevitably have an impact on the natural environment. It is committed to minimising this impact and uses recycled newsprint, its largest consumable, wherever possible.

Outlook for current year

The economic uncertainty that was experienced in 2011 is expected to continue into 2012, although there are some very small signs that the economy might show some improvements in the latter half of the year.

Profits for the first quarter were higher than anticipated. With the double dip recession, the economic head wind is likely to be against us but the initiatives are in place to allow the management team to grow and develop the business.

Whilst it is early in the year, it is expected that the performance for 2012 will show an improvement on the results achieved in 2011.

Future developments

The company is investigating other revenue streams within the media landscape to achieve growth following the decline reported in recent years.

Express & Star Limited

Report of the directors for the period ended 31 December 2011 (*continued*)

Employment of disabled people

The company supports the principle of employing disabled people wherever possible, through recruitment, by retention of those who become disabled during their employment and generally through training, career development and promotion

Directors

The directors of the company during the period were

M G Douglas Graham (Chairman)
E Alan Graham
G W Evers
D J Hughes
A G Harris
A Faber
G P Clifford
A Couchman

Directors' responsibilities

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Express & Star Limited

Report of the directors for the period ended 31 December 2011 *(continued)*

Auditors

All of the current directors have taken all the steps that they ought to have taken to make themselves aware of any information needed by the company's auditors for the purposes of their audit and to establish that the auditors are aware of that information. The directors are not aware of any relevant audit information of which the auditors are unaware.

BDO LLP have expressed their willingness to continue in office and a resolution to re-appoint them will be proposed at the annual general meeting.

On behalf of the board

G W Evers
Director

3 July 2012

Express & Star Limited

Independent auditor's report

To the members of Express & Star Limited

We have audited the financial statements of Express & Star Limited for the 52 week period ended 31 December 2011 which comprise the profit and loss account, the balance sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the statement of directors' responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the APB's website at www.frc.org.uk/apb/scope/private.cfm.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2011 and of its loss for the period then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the directors' report for the financial period for which the financial statements are prepared is consistent with the financial statements.

Express & Star Limited

Independent auditor's report (*continued*)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

G W Evers
Director

The notes on pages 10 to 22 form part of these financial statements

Express & Star Limited

Notes forming part of the financial statements for the period ended 31 December 2011

1 Accounting policies

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards. They incorporate the results for the 52 weeks ended 31 December 2011 (2010 - 52 weeks ended 1 January 2011).

The following principal accounting policies have been applied:

Fundamental accounting concept

The directors of the company have prepared cashflow and profit and loss forecasts for the 3 year period to 31 December 2014 which show that the directors have a reasonable expectation that the group will be able to meet its liabilities as they fall due for at least the 12 months from the date of approval of these financial statements.

As part of this review the UK based Claverley group companies agreed new banking facilities to meet the working capital requirements as set out in the forecasts. The new facilities include a UK based overdraft facility with Lloyds TSB of £4m which is due for renewal on 2 July 2013 and a five year term loan for £8m with Lloyds with a separate facility of a £10m term loan being agreed with HSBC for The Guiton Group of companies (based in the Channel Islands) since the year end.

After making enquiries and considering uncertainties, the directors have a reasonable expectation that they can continue in operational existence for the foreseeable future. Accordingly the directors continue to adopt the going concern basis in preparing the financial statements.

Cash flow statement

The company has taken advantage of the exemption conferred by Financial Reporting Standard 1 'Cash Flow Statements (Revised 1996)' not to prepare a cash flow statement on the grounds that at least 90% of the voting rights in the company are controlled within the group headed by The Midland News Association Limited and the company is included in consolidated financial statements.

Turnover

Turnover represents sales to external customers at invoiced amounts less value added tax or local taxes on sales. Advertising revenue is recognised upon publication and circulation revenue is recognised upon delivery.

Intangible Assets - Licence Fees

Intangible assets, shown at cost of acquisition, are amortised on a straight line basis over their estimated useful life up to a maximum of 20 years. The carrying value of intangible assets is reviewed for impairment at the end of the first full year following acquisition and in other periods if events or changes in circumstances indicate the carrying value may not be recoverable.

Stocks

Stocks which comprise principally of newsprint and consumable stores are valued at the lower of cost and net realisable value. Cost is based on the cost of purchase on a first in, first out basis. Net realisable value is based on estimated selling price less additional costs to completion and disposal.

Express & Star Limited

Notes forming part of the financial statements for the period ended 31 December 2011 (*continued*)

1 Accounting policies (*continued*)

Depreciation

Depreciation is provided to write off the cost, less estimated residual values, of all tangible fixed assets, except for investment properties and freehold land, evenly over their expected useful lives. It is calculated at the following rates:

Freehold property	- 2% per annum
Plant and machinery	- 5% - 20% per annum
Fixtures and fittings	- 7.5% - 33% per annum

Freehold land is not depreciated.

Assets in the course of construction are not depreciated until they are completed. The carrying values of tangible fixed assets are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable.

Leased assets

Where assets are financed by leasing agreements that give rights approximating to ownership (finance leases), the assets are treated as if they had been purchased outright. The amount capitalised is the present value of the minimum lease payments payable over the term of the lease. The corresponding leasing commitments are shown as amounts payable to the lessor. Depreciation on the relevant assets is charged to the profit and loss account over the shorter of estimated useful economic life and the period of the lease.

Lease payments are analysed between capital and interest components so that the interest element of the payment is charged to the profit and loss account over the period of the lease and is calculated so that it represents a constant proportion of the balance of capital repayments outstanding. The capital part reduces the amounts payable to the lessor.

All other leases are treated as operating leases. Their annual rentals are charged to the profit and loss account on a straight-line basis over the term of the lease.

Deferred taxation

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the balance sheet date, except that the recognition of deferred tax assets is limited to the extent that the company anticipates making sufficient taxable profits in the future to absorb the reversal of the underlying timing differences.

Deferred tax balances are not discounted.

Defined contribution pension scheme

Pension costs for the company's defined contribution pension schemes are recognised within operating loss at an amount equal to the contributions payable to the scheme for the period. Any prepaid or outstanding contributions at the balance sheet date are recognised respectively as assets or liabilities within prepayments or accruals.

Express & Star Limited

Notes forming part of the financial statements for the period ended 31 December 2011 *(continued)*

1 Accounting policies *(continued)*

Defined benefit pension schemes

The company participates in a group defined benefit pension scheme which is funded, with the assets of the scheme held separately from those of the company and group in separate trustee administered funds. The company's contributions are affected by the surplus/deficit in the scheme. However, it is not possible to identify the company's share of the underlying assets and liabilities in the scheme on a consistent and reasonable basis.

Therefore, in accordance with the FRS 17 multi-employer exemption, the scheme is accounted for as if it were a defined contribution scheme (see below).

The latest available information relating to the scheme and the implications for the company are detailed in Note 22 to the accounts.

2 Turnover

Turnover is wholly attributable to the principal activity of the company and arises solely within the United Kingdom.

3 Operating loss

	52 weeks ended 31 December 2011 £	52 weeks ended 1 January 2011 £
This is arrived at after charging/(crediting)		
Hire of plant and machinery - operating leases	50,543	351,656

20 Contingent liabilities

During the year the company was party to group banking facilities. These facilities were made available to the company to meet its day to day working capital requirements. It had overdraft facilities set at £4.0m with Lloyds TSB (2010 - £4.0m), which were due for renewal in December 2011 (facility was temporarily extended during the refinancing noted below). The group also had a term loan and revolving credit facilities with Lloyds TSB until December 2014. The term loan had an outstanding balance of £12.0m (2010 - £15.0m) and incurred interest at between 2.5% and 3.0% per annum over the Libor rate. The revolving credit facility has an outstanding balance of £4.5m (2010 - £3.0m) and incurs interest at between 2.25% to 2.75% per annum over Libor. The facilities are secured by a fixed and floating charge over the assets of the group.

As at 31 December 2011, the group's net debt under the above facilities totalled £16.4m (1 January 2011 - £17.9m).

In addition subsequent to the year end the UK and Channel Island banking facilities have been separated. The company is now only party to cross guarantees to the UK banking facility which total £12m as noted in Note 1.

21 Commitments under operating leases

The company had annual commitments under non-cancellable operating leases as set out below:

	Land and buildings 31 December 2011 £	Other 31 December 2011 £	Land and buildings 1 January 2011 £	Other 1 January 2011 £
Operating leases which expire				
Within one year	23,273	79,018	12,375	69,308
In two to five years	16,500	241,867	47,250	294,970
After five years	1,485,123	-	1,484,939	-
	<u>1,524,896</u>	<u>320,885</u>	<u>1,544,564</u>	<u>364,278</u>

22 Related party disclosures

The company has taken advantage of the exemption in FRS8 as a wholly owned subsidiary not to disclose details of related party transactions as required by the standard.

23 Ultimate parent company and parent undertaking of larger group

The company is a wholly owned subsidiary of The Midland News Association Limited, registered in England & Wales and is included in that company's group accounts.

The ultimate parent undertaking is Claverley Company, also registered in England and Wales.

On 3 July 2012 the ultimate parent undertaking became Claverley Holdings Limited, registered in England and Wales.

Express & Star Limited

Notes forming part of the financial statements for the period ended 31 December 2011 (*continued*)

24 Pension arrangements

The company participated in two group defined benefit schemes and a defined contribution scheme up until the 1st April 2008. On that date the assets and liabilities of the defined benefit schemes were consolidated into one scheme. The defined benefit scheme is closed to new members and future accrual. It is not possible to identify the company's share of assets and liabilities in the defined benefit scheme on a consistent and reasonable basis. Therefore, in accordance with FRS17 paragraph 9 (b) (multi-employer exemption), the scheme is accounted for as if it was a defined contribution scheme.

The total pension charge and contributions payable to the defined contribution scheme for the year amounted to £1,162,399 (2010- £1,206,488).

The most recent formal valuation of the scheme was carried out as at 5th April 2008 using the projected unit method.

In order to provide information about the funding position of the scheme, a separate valuation at 31 December 2011, using the projected unit method, as required by FRS17 has been obtained and is disclosed in the accounts of the Claverley Group Limited.

The valuation of the two schemes at 31 December 2011, calculated by the actuary on an FRS17 basis, shows a deficit on the scheme of £13,460,000 (2010 - £38,860,000).

For the purpose of these accounts, these figures are illustrative only and do not impact on the result or the balance sheet of the company. It should also be noted that these figures include a proportion of pension assets and liabilities relating to other group companies which also participate in the scheme. It has not been possible to identify the share of the deficits which relates solely to Express & Star Limited. Full details of the pension schemes are given in the accounts of the ultimate parent company.

The measurement bases required by FRS17 are likely to give rise to significant fluctuations in the reported annual amounts of the defined benefit scheme's assets and liabilities from year to year and do not necessarily give rise to a change in the contributions payable into the scheme, which are recommended by the independent actuaries using long term assumptions.
