REPORT OF THE COMMITTEE for the year 1999/2000

Your Committee has pleasure in presenting its 116th Annual Report. There have been 10 meetings of the Committee during 1999/2000. The membership of the Society is now 143 of whom 94 are members of the Solicitors Benevolent Association. Welcome is extended to the new members this year:-

Alec J Watson, Angela B.A. Gledhill, Robina Kauser, T Rushbrooke, Sarah A Johnson, Ibrahim Hasan, Yasmin Arshad, Martin Blythe, Doris Oki, Pauline Moylan and Cecilia Pilling, Paul Glanville, Patrick Walsh and Graham Hulbert

THE SOCIETY'S ADMINISTRATION

Your Committee has continued to meet on a regular basis throughout the past year and has dealt with a substantial amount of business. The informal meetings with District Judge Slim at Halifax County Court and the County Court Users Committee have continued to prove useful in affording two way communication and regular reports of these are given to the Committee. The Committee has also provided representatives to the local Legal Services Commission advisory group. The Committee has continued to support the seminars run with Huddersfield University and has continued to develop and co-ordinate courses with the Regional Secretary of the Law Society, Ian Croft. Any suggestions as to course subjects should be passed to any member of the Committee. The Committee still believe that the provision of cost effective and cost conscious, relevant training is of the utmost importance.

Yorkshire Regional Meetings have been attended by your President and Senior Vice President throughout the year who have reported back to the Committee. It is hoped that the Yorkshire Region will provide a more effective way of establishing a realistic local complaints procedure in future.

The local complaints procedure set up over a year ago has dealt with few complaints and these have been referred back to the firms concerned. They have mainly arisen from poor communication, costs information and an apparent overloading of work. It is hoped that a more formal structure via the Region may assist.

The Society has continued to support the local citizens advice bureau and statistics for Brighthouse CAB sessions were as follows:-

REPORTS OF OFFICERS

EDUCATION OFFICER

I have now occupied the post as the Society's Education Officer for a full year. During that year 10 seminars have been arranged on a wide range of subjects. The seminars have related to Contentious, Noncontentious and Professional topics.

In the main the seminars have been well supported by Members of the Society. Continued support by Members is essential to the success of the programme. Virtually all members of the Society must need to obtain education points. The Education Programme offered by the Society must be the cheapest possible way to acquire those points.

The majority of the seminars have been provided by Huddersfield University. Where appropriate other seminar providers have been obtained. The Society is particularly grateful to District Judge Slim who presented a seminar early in the year and who has offered to present further seminars in the future.

At the time of writing this report I am in the process of planning the programme of seminars for next year. Members will be circulated with full details in due course. The successful format established by my predecessors will again be followed. Hopefully the topics to be covered will be of interest to a large number of the Society's members.

My personal grateful thanks go to Ian Croft and his staff at the Yorkshire & North East Regional Office of the Law Society. Without their help and assistance the job of the Society's Education Officer would be very much more onerous.

Godfrey Pickles

Education Officer

SOCIAL SECRETARY

My first year as Social Secretary began with the New Year Quiz which had very difficult questions set by our President. The victors were David Garseds of Elland and Wilkinson Woodward. We raised £300 which was split between Calderdale Hospice and the McMillan Cancer Nurses.

The informal dinner took place on 11th May at the Carlton Hotel in Hebden Bridge. A very select bunch attended but those who did enjoyed good food, good company and an interesting speaker in District Judge Richard Stevens.

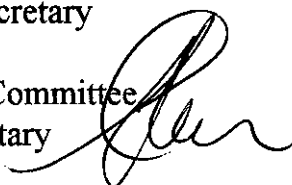

The outing was to York in June in glorious sunshine. It took the time honoured format and ended up with dinner at the Stonehouse Inn. Sixteen people braved the trip and four more joined us for dinner.

The formal dinner took place at Berties. Michael Napier spoke as did Her Majesty's Coroner, Roger Whittaker, who stepped in to the breach when Lord Justice Laws was laid low by the floods and transport problems. Godfrey Pickles proposed the toast to the guests with his usual style and an enjoyable evening was had by all. As usual Berties did us proud with the food and organisation.

All in all members participation in social events this year has been disappointingly low and hopefully more members will support their local Law Society next year.

A.J. Palfreman Social Secretary

ACCOUNTING POLICIES

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the financial statements.

BASIS OF PREPARATION

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards. The arrangement of the income and expenditure account has been adapted to suit the special nature of the business.

CASH FLOW STATEMENT

As permitted by Financial Reporting Standard No. 1 the company has not produced a cash flow statement on the grounds that it has satisfied the conditions exempting it as a small company.

SUBSCRIPTIONS

Subscriptions are included in the financial statements in full in the year in which received.

Listed investments are stated at cost.

FIXED ASSETS

Tangible fixed assets are stated at nominal value.

Due to the nature of the tangible fixed assets and the activities of the company the committee are of the opinion that it is not appropriate to provide for depreciation on such assets.

DEFERRED TAXATION

Deferred taxation is provided on the liability method to the extent that it is probable that a liability will crystallise in the foreseeable future.
