Directors' Responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the company and of the profit or loss of the company for that year. In preparing these the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditors

In accordance with Section 385 of the Companies Act 1985, a resolution proposing that Gibbons & Mannington be reappointed as auditors of the company will be put to the Annual General Meeting.

This report is prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

This report was approved by the Board on /2_08.02 and signed on its behalf by

R Sandford FRICS

Secretary

Auditors' Report to the Shareholders of Hastings Cottage Improvement Society Limited

We have audited the financial statements on pages 3 to 10 which have been prepared in accordance with the Financial Reporting Standard for Smaller Entities, under the historical cost conventionas modified by the revaluation of certain fixed assets and the accounting policies set out on page 5.

Respective responsibilities of directors and auditors

As described on page 1 the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error.

In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31st March 2002 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes to the Financial Statements for the year ended 31st March 2002

1. Accounting Policies

1.1. Accounting convention

The financial statements are prepared under the historical cost convention modified to include the revaluation of certain fixed assets.

1.2. Turnover

Turnover represents aggregate rentals receivable from operating leases granted to tenants of the freehold investment properties in respect of continuing activities.

1.3. Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost or valuation less residual value of each asset over its expected useful life, as follows:

Plant and machinery

25% reducing balance

Investment properties were revalued on 21 May 1999 as at 31 March 1999. The directors will consider a further revaluation within two years.

1.4. Pensions

A defined contribution scheme is provided for a director. The premiums paid by the company are charged to the profit and loss account during the year in which they are paid.

2. Turnover

The total turnover of the company for the year has been derived from its principal activity wholly undertaken in the UK.
