Independent auditors' report to The Wingham Engineering Company Limited under section 449 of the Companies Act 2006

We have examined the abbreviated accounts set out on pages 2 to 6, together with the financial statements of The Wingham Engineering Company Limited for the year ended 28 February 2015 prepared under section 396 of the Companies Act 2006.

This report is made solely to the company in accordance with section 449 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to it in a special Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company, for our work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the abbreviated accounts in accordance with section 444 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the regulations made under that section and to report our opinion to you.

We conducted our work in accordance with Bulletin 2008/4 issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts are properly prepared.

Unqualified opinion

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with section 444(3) of the Companies Act 2006, and the abbreviated accounts on pages 2 to 6 have been properly prepared in accordance with the regulations made under that section.

Date: 26 November 2015

The notes on pages 3 to 6 form part of these financial statements.

Notes to the abbreviated accounts for the year ended 28 February 2015

1. Accounting policies

1.1 Basis of preparation of financial statements

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The company is itself a subsidiary company and is exempt from the requirement to prepare group accounts by virtue of section 400 of the Companies Act 2006. These financial statements therefore present information about the company as an individual undertaking and not about its group.

1.2 Cash flow

The financial statements do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirement to prepare such a statement under the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.3 Turnover

Turnover represents revenue due from the normal activities of the business to the extent that the seller obtains a right to consideration in exchange for its performance of those activities, exclusive of VAT.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Plant & machinery - 24-48% per annum on cost Motor vehicles - 12-25% per annum on cost Fixtures & fittings - 24% per annum on cost

The carrying values of tangible fixed assets are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

1.5 Investments

Investments held as fixed assets are shown at cost less provision for impairment.

1.6 Leasing and hire purchase

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible fixed assets. Assets acquired by finance lease are depreciated over the shorter of the lease term and their useful lives. Assets acquired by hire purchase are depreciated over their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the company. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

1.7 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

Notes to the abbreviated accounts for the year ended 28 February 2015

1. Accounting policies (continued)

1.8 Long-term contracts

Profit on long-term contracts is taken as the work is carried out if the final outcome can be assessed with reasonable certainty. The profit included is calculated on a prudent basis to reflect the proportion of the work carried out at the year end, by recording turnover and related costs as contract activity progresses. Turnover is calculated as that proportion of total contract value which costs incurred to date bear to total expected costs for that contract. Revenues derived from variations on contracts are recognised only when they have been accepted by the customer. Full provision is made for losses on all contracts in the year in which they are first foreseen.
