REPORT OF THE DIRECTORS

The Directors submit their report and the audited accounts for the year to 28 September 1975.

ACTIVITIES

1.3

EEE CO

£ 3

The company is engaged in the manufacture and sale of heavy inorganic chemicals.

MEMORANDUM AND ARTICLES OF ASSOCIATION

During the year alterations have been made to the Objects Clause in the Memorandum and the Articles of Association have been wholly revised. The principal objective of these changes was to give the shareholders overriding control over the powers of Directors in respect of borrowings, new capital and Board appointments and to streamline much of the administration necessitated by Company law.

FIXED ASSETS

The detailed statement given as note 7 to the account reflects the changes in the fixed assets.

DIRECTORS

The following persons were directors of the company during part or the whole of the accounting year:

NOTES TO THE ACCOUNTS - 28 SEPTEMBER 1975

1 ACCOUNTING POLICIES

Depreciation

Fixed assets are written off evenly over their expected useful lives. The significant rates of depreciation are:

Buildings and property	25 years (4%)
Plant and machinery	12 years (8.33%)
Others (including motor vehicles)	5 years (20½)

Government Grants

Government grants in respect of each year's expenditure have been credited to profit and loss account over the average life of the relevant assets.

Stock Valuation

Stocks are stated at the lower of cost and net realisable value. An appropriate portion of overhead expenditure is included in the cost of manufactured products.

Deferred Taxation

Provision is made at the rate of corporation tax ruling at the balance sheet date and arises from the allocation for taxation purposes of income, expenditure and depreciation to periods different from those used for accounting purposes.

2 TURNOVER

1 3

Turnover represents the value of goods invoiced during the year, less returns and allowances and includes sales to other group companies amounting to $\pm 913,261$ (1974 - $\pm 685,830$).
