Report of the Council

The Council submit their report and accounts for the 15 months ended 31st March 1997.

Results

The deficit for the period, after taxation, amounted to £43,451 which has been deducted from reserves.

Review of operations

The company's principal activities during the year were to provide a service to members on any matter affecting trade and commerce, to disseminate information on export matters, to act as an issuing authority for certificates of origin and other export documents and to organise trade promotion activities, training and consultancy services.

The Training Division failed to perform in accordance with the business plan approved by Council. Following a detailed investigation a number of other discrepancies were revealed, as further detailed in note 7, relating to previous years' accounts.

Subsequently there has been a complete reorganisation of the Accounting and Training Divisions.

Council is satisfied that the necessary performance and control procedures are now in place.

Share capital

The Chamber is a company limited by guarantee and does not have a share capital.

Directors

The Members of the Council are shown on page one and for the purpose of the Companies Act are deemed to be the Directors.

The directors who retire by rotation are: J. D. Baker, Mrs S. Black, D. L. Carver and J. N. Punch.

Council's responsibility

The Council is required by UK company law to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the company as at the end of the financial period and of the surplus or deficiency for that period. In preparing the financial statements, appropriate accounting policies have been used and applied consistently and reasonable and prudent judgements and estimates have been made. Applicable accounting standards have been followed. The Council is responsible for maintaining adequate accounting records, for safeguarding the assets of the company, and for preventing and detecting fraud and other irregularities.

Auditors

Following the resignation of Messrs Arthur Haslam, Moores Rowland were appointed as auditors by the Council and will be proposed for re-appointment in accordance with Section 385 of the Companies Act, 1985.

On behalf of the Council

T. D. HUTCHINSON THukhinson Secretary Dated 16th June 1997

Report of the Auditors

to the members of East Mercia Chamber of Commerce & Industry

We have audited the financial statements on pages 5 to 12 which have been prepared under the historical cost convention and the accounting policies set out on page 8.

Respective responsibilities of directors and auditors

As described on page 3 the company's Council are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Council in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at the 31st March 1997 and of its deficit for the period then ended and have been properly prepared in accordance with the provisions of the Companies Act 1985.

1. ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements have been prepared in accordance with applicable Accounting Standards. The accounts have been prepared under the historical cost convention and conform with the Companies Act 1985.

TANGIBLE ASSETS

Tangible fixed assets are stated at cost less amounts provided to write off assets over their useful economic life.

DEPRECIATION

Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost of each asset evenly over their useful lives which are estimated as follows:

Short leasehold buildings Freehold buildings Motor vehicles, office equipment and furniture,	<i>Years</i> Over period of lease 50 years
Leasehold buildings	2-10 years

INVESTMENTS

Investments are stated at cost less provision for any permanent diminution in value. For listed investments, market value is based on the closing middle market price on a recognised stock exchange.

REPAIRS AND RENEWALS

Repairs and renewals are charged to revenue in the period in which the expenditure is incurred.

PENSIONS

The company operates a defined contribution pension scheme. Contributions payable for the period are charged in the profit and loss account.

LEASES

Rentals payable under operating leases are charged to the profit and loss account on the straight line basis over the lease term.

UK CORPORATION TAX

The taxation charge has been calculated on the basis that a proportion of the company's operating surplus has been derived from non-mutual activities.

DEFERRED TAXATION

Deferred taxation is provided for liabilities that may crystalise in the future, using the liability method.

2. INCOME

This represents the total amount receivable, excluding value added tax, for members' subscriptions and services provided for the issuing of certificates of origin and other forms, organising trade missions, group telex and the training operations.

Contributions to income from members' subscriptions and charge for services provided are as follows:
