Principal activity

The principal activity of The Anthony Radcliffe Steamship Company, Limited ("the Company") comprises the holding of investments in subsidiary undertakings.

Functional currency

The main operating currency of the Company is the United States Dollar and the financial statements have been prepared in that currency. Each of the Directors at the date of approval of this report confirms that:

- i) so far as the directors are aware, there is no relevant audit information of which the Company's auditors are unaware; and
- ii) Each Director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of Section 418 (1) to (4) of the Companies Act 2006.

The Directors' report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006.

The Anthony Radcliffe Steamship Company, Limited

Directors' Report (continued)

The directors believe that preparing the financial statements on the going concern basis is appropriate due to the continued financial support of the ultimate parent company, Stolt-Nielsen Limited. The directors have received confirmation that Stolt-Nielsen Limited intend to support the company for at least one year after these financial statements are signed.

The auditors, PricewaterhouseCoopers LLP, have indicated their willingness to continue in office and a resolution covering their re-appointment will be proposed at the Annual General Meeting.

Statement of Directors' responsibilities

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditors' Report to the Members of The Anthony Radcliffe Steamship Company, Limited

Report on the financial statements

Our opinion

In our opinion the financial statements, defined below:

- give a true and fair view of the state of the company's affairs as at 30 November 2013 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

This opinion is to be read in the context of what we say in the remainder of this report.

What we have audited

The financial statements, which are prepared by The Anthony Radcliffe Steamship Company, Limited, comprise:

- Balance Sheet as at 30 November 2013;
- Profit and loss account for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

What an audit of financial statements involves

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Annual Report and Financial Statements (the "Annual Report") to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Independent Auditors' Report to the Members of The Anthony Radcliffe Steamship Company, Limited

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Entitlement to exemptions

Under the Companies Act 2006 we are required to report to you if, in our opinion, the directors were not entitled to take advantage of the small companies exemption from preparing a strategic report. We have no exceptions to report arising from this responsibility.

Responsibilities for the financial statements and the audit

Our responsibilities and those of the directors

As explained more fully in the Statement of Directors' Responsibilities set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and ISAs (UK & Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Notes to the financial statements

Year ended 30 November 2013

1. Accounting policies

A summary of the principal accounting policies, all of which have been applied consistently throughout the year and the preceding year, is set out below.

(a) Basis of accounting

The financial statements are prepared under the historical cost convention and in accordance with applicable United Kingdom law (Companies Act 2006) and accounting standards. The going concern basis has been used as the Company is supported by its ultimate parent.

(b) Investments in subsidiary undertakings

Investments in subsidiary undertakings are stated at cost less impairment.

(c) Consolidated financial statements

Under the provisions of section 401 of the Companies Act 2006, the Company is exempt from preparing consolidated financial statements as it is a wholly owned subsidiary of Stolt-Nielsen Limite

d) Taxation

Corporation tax payable is provided on taxable profits at the current rate.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future have occurred at the balance sheet date. Timing differences are differences between the Company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

A deferred tax asset is regarded as recoverable and therefore is recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

(e) Foreign currency

Transactions denominated in foreign currencies are recorded in US dollars at the actual exchange rates on the date of transaction. Monetary assets and liabilities denominated in foreign currencies at the year end are reported at the rates of exchange prevailing at the year end. Any gain or loss arising from a change in exchange rates subsequent to the date of the transaction is included as an exchange gain or loss in the profit and loss account.

(f) Related party transactions

As permitted by FRS No. 8, the Company has not disclosed transactions with entities that are part of the Stolt-Nielsen Limited group (see note 13) because it is a wholly owned subsidiary of Stolt-Nielsen Limite

g) Cash flow statement

The Company is exempt from publishing a cash flow statement in accordance with paragraph 8 of FRS No. 1 (Revised 1996) as its ultimate parent company, Stolt-Nielsen Limited, has prepared publicly available consolidated financial statements which include the results of the Company for the year.

2. Turnover

There was no turnover or any amounts invoiced to other group companies.

3. Interest receivable / (payable) and similar charges

	2013 US\$	2012 US\$
Foreign exchange gain / (loss)	28	(61)
Investment write-off	(1)	–
	<u>27</u>	<u>(61)</u>

4. Profit / (loss) on ordinary activities before taxation

The fee payable to the Company's auditor was borne by another group company.

5. Employees and Directors' remuneration

Other than the Directors, the Company had no employees (2012 – none).

None of the Directors received any remuneration in respect of their services to the Company (2012 – US\$nil).

6. Tax on profit / (loss) on ordinary activities

	2013 US\$	2012 US\$
Current corporation tax at 23.33% (2012 – 24.73%)	–	–
Prior years	<u>(933)</u>	<u>1,919</u>
	<u>(933)</u>	<u>1,919</u>

The tax assessed for the year is lower (2012 – higher) than the standard rate of corporation tax in the UK of 23.33% (2012 – 24.73%).

The Anthony Radcliffe Steamship Company, Limited

Notes to the financial statements Year ended 30 November 2013

6. Tax on profit / (loss) on ordinary activities (continued)

The difference between the total current tax shown above and the amount calculated by applying the standard rate of UK corporation tax to the loss before tax is as follows:

	2013 US\$	2012 US\$
Profit / (loss) on ordinary activities before tax	27	(61)
Tax payable on income on ordinary activities at standard UK corporation tax rate of 23.33% (2012 – 24.73%)	6	(15)
Expenses not deductible for tax purposes	(6)	15
Prior years	(933)	1,919
Total (credit) / current charge for the year	(933)	1,919

There is a deferred tax asset of US\$396,499 (2012 – US\$452,526), which has not been recognised, as there is insufficient evidence of future suitable taxable profits. The deferred tax asset results from timing differences on accrued interest and capital losses.

During the year, as a result of the change in the United Kingdom corporation tax from 23% to 21% that was substantively enacted and will be effective from 1 April 2014, the relevant deferred tax balances have been remeasured. Deferred tax expected to reverse in the year to 31 March 2015 has been measured using the effective rate that will apply in the United Kingdom for the period (21%). A further reduction of the United Kingdom corporation tax rate from 21% to 20% has also been substantively enacted as part of the Finance Bill 2013 on 2 July 2013.
