Directors responsibilities in respect of the preparation of accounts

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and, if applicable, of the profit or loss of the company for that period. In preparing these accounts, the directors are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent; and
- Prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditors

A resolution to re-appoint Griffin Stone, Moscrop & Co., Chartered Accountants and Registered Auditors, as auditors of the company will be proposed at the annual general meeting.

## REPORT OF THE AUDITORS TO THE MEMBERS OF THE MILD MAY TRUST LIMITED

We have audited the accounts on pages 2 and 3 which have been prepared under the historical cost convention as modified by the revaluation of the investments, and the accounting policies set out on page 3.

### Respective responsibilities of directors and auditors

As described on page 1 the company's directors are responsible for the preparation of accounts. It is our responsibility to form an independent opinion, based on our audit, on these accounts and to report our opinion to you.

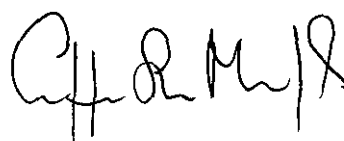

### Basis of opinion

We conducted our audit in accordance with auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

### Opinion

In our opinion the accounts give a true and fair view of the state of the company's affairs as at 31st December 2001 and have been properly prepared in accordance with the provisions of the Companies Act 1985.
