Report of the Executive Committee

The Executive Committee members present their annual report and the financial statements for the year ended 31 December 2005.

Principal activity

The principal activity of the company is to maintain a club for the purpose of holding the property and assets for the use of the members of the club.

Business review

The company holds the freehold property known as "Fenner's" for occupation by certain sports clubs of the University of Cambridge.

Land and buildings

The company's freehold property was valued by a professional valuer in February 1973 and was incorporated into the accounts at that valuation. The value was determined on the basis of a central piece of accommodation land having covenants and obligations to maintain it in perpetuity as a sports ground, incurring any owner in a considerable liability and with only moderate prospects of recouping expenses.

The Executive Committee members are of the opinion that the present market value is not less than the amount at which the property is included in the balance sheet.

The results of the company for the year are set out on page 3. There was a loss for the year of £461 (2004: loss £462).

Statement of Executive Committee members' responsibilities

Company law requires the Executive Committee members to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing those financial statements, the Executive Committee members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Executive Committee members are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

2 Accounting policies

Basis of preparation

These financial statements have been prepared in accordance with the historical cost convention modified to incorporate the revaluation of the freehold land and buildings.

The principal accounting policies which the Executive Committee members have adopted are set out below.

Interest received

Interest received is accounted for when credited.

Tangible fixed assets and depreciation

Under the transitional arrangements in FRS 15 the value of land and buildings has been based on the 1973 valuation. No depreciation is provided on freehold land. The pavilion building is depreciated by equal annual instalments over the 100 years to 2072.

Cash flow statement

In accordance with the exemptions provided under FRS 1 for small companies, no cash flow statement has been prepared.

Notes

3 Tangible fixed assets

	Land £	Building £	Total £

At 1 January and 31 December 2005	<u>7,680</u>	<u>42,000</u>	<u>49,680</u>
Depreciation:			
At 1 January 2005	-	13,440	13,440
Charge for the year	-	420	420
At 31 December 2005	-	<u>13,860</u>	<u>13,860</u>

At 31 December 2004	<u>7,680</u>	<u>28,560</u>	<u>36,240</u>

The valuation, on an open market basis, was carried out by professionals in February 1973.

If stated under historical cost principles the cost of the land and buildings would be £12,217. Applying the company's depreciation policy to the cost of buildings would result in a net book value on a historical cost basis of £8,818 (2004: £8,921).
