#### DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements the directors are required to:-

- select suitable accounting policies and then apply them consistently.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

### REPORT OF THE DIRECTORS continued

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In preparing the above report the directors have taken advantage of special exemptions applicable to small companies provided by Part 11 of Schedule 8 of the Companies Act 1985.
