1 INTRODUCTION

1.1 Introduction

This report has been prepared in accordance with Rule 4 49B and Rule 4 49C of the Rules to provide creditors with an update on the progress of the liquidations of the Companies since our last report to creditors for the period to 8 May 2013

Given the information previously provided to creditors in our earlier reports to creditors, we have not included detailed background information in respect of the Companies and have focused on progress of the liquidations subsequent to those reports

A schedule of statutory information in respect of the Companies is attached at Appendix 1

1.2 Details of the appointment of the Liquidators

Angus Matthew Martin, Neville Barry Kahn and Dominic Lee Zoong Wong of Deloitte were appointed Joint Liquidators of the Companies following cessation of the administrations of JWS, WWUK, WWRET, RD LTD, RDUK and Statum on 10 May 2011 and of S&S and W LTD on 11 May 2011

Pursuant to Rule 4 120 of the Rules an application was made to Court to remove Angus Matthew Martin as Joint Liquidator of the Companies following his retirement from Deloitte on 8 May 2013 Neville Barry Kahn and Dominic Lee Zoong Wong will continue in their capacity as Joint Liquidators

For the purposes of section 231 of the Act the Liquidators confirm that they are authorised to carry out all functions, duties and powers by either of them jointly and severally

1.3 Electronic communication with creditors

In an effort to reduce the costs of the liquidations, all communications with creditors, including updates and progress reports, have been posted onto a website, which has been set up specifically for this purpose The web address is www.deloitte.co.uk/waterfordwedgwood

A letter will be issued to all creditors each time the website is updated with a statutory notice or report All creditors' statutory notices will be retained on the website for at least 3 months after being uploaded to the site

2 LIQUIDATORS' RECEIPTS AND PAYMENTS ACCOUNTS

2.1 Introduction

Attached at Appendix 2 are abstract Sterling and Euro (where applicable) receipts and payments accounts covering the 12 month period since the date of our last report to creditors issued on 8 May 2013 together with a summary for the period of our appointment

In this section, we have summarised the main asset realisations during the 12 month period together with details of costs incurred but as yet remain unpaid

2.2 Asset realisations

During the period, the main assets realisations are bank interest, further details of which can be found at Appendix 2

The other assets realisations in the period are book debts received by RDUK totalling £10,029 86, and £4,494 94 received by Statum from a pre-appointment company bank account

2.3 Payments

During the period of this report payments in respect of printing and postage costs of £2,179 61 have been paid from JWS

Legal fees of £11,654 22 and £10,338 50 have been paid from WWUK and RDUK respectively

Additionally, it has been brought to our attention that we omitted to disclose the sterling receipts and payments account for RD LTD in our last report to creditors and therefore we have included it in this report for completeness. During that time an intercompany loan of £116,737 was repaid to JWS accordingly

2.4 Estimated future realisations

There are no further assets that we expect to realise, other than ongoing VAT refunds

3. DISTRIBUTIONS TO CREDITORS

3.1 Secured creditors

As reported previously, the Companies' secured debt due to the Lenders at the date of the administrations was c €181m. In addition, high yield bonds totalling €166m have junior ranking security over the assets of the Companies. As well as specific fixed charges over property, book debts and certain other assets, the Lenders and the bond holders have debentures containing floating charges over all the Companies' remaining assets.

The Administrators distributed c €35.1m to the Lenders from the proceeds of the sale of the Companies' assets during the administrations. During the liquidations the Joint Liquidators have distributed a further c €4.2m as detailed in the attached euro and dollar receipts and payments account at Appendix 2. No further distributions have been made in the period of this report.

The Liquidators do not envisage that there will be any further distributions to the Lenders.

3.2 Preferential creditors

As detailed in the previous report to creditors, preferential creditors of JWS totalling £330,658 and RDUK totalling £19,753 have now been paid in full. There are no preferential creditors in the other Companies.

3.3 Prescribed Part

The Prescribed Part (section 176A of the Insolvency Act 1986 (Prescribed Part) Order 2003) applies where there are floating charge realisations, net of costs to be set aside for unsecured creditors. This equates to

- 50% of net property up to £10,000,
- Plus, 20% of net property in excess of £10,000
- Subject to a maximum of £600,000

As detailed in the previous report to creditors it is still envisaged that there will be the maximum prescribed part of £600,000 available to the unsecured creditors of JWS, RDUK, Statum and WWRET.

There will also be a small prescribed part available in the other Companies, the quantum will be dependent on the intercompany distributions received from those Companies with the maximum prescribed part.

3.4 Unsecured creditors

The Liquidators do not anticipate that there will be any dividend payable to the unsecured creditors of any of the Companies, other than by way of the prescribed part.

3 5 Claims process

The unsecured creditor claims are in the process of being adjudicated and a Notice of Intended Dividend has been sent to all known creditors who have not proved their debt or submitted sufficient supporting evidence. The final date for proving is 26 August 2014.

If you have received a Notice of Intended Dividend and wish to submit a claim in the liquidation you must complete and return a Proof of Debt form with supporting documentation to this office marked for the attention of Carly Barrington by 26 August 2014.

If you have not received a Notice of Intended Dividend and have already submitted a claim in the liquidation then your claim has been received and is being adjudicated so no further action is required by you at this time.

If you have not received a Notice of Intended Dividend but have not yet lodged a claim in the liquidation and believe that you have a valid claim then you must complete and return a Proof of Debt form with supporting documentation to this office marked for the attention of Carly Barrington by 26 August 2014.

A Proof of Debt form (Form 4.25) can be found at Appendix 4 of this report or on the liquidation website www.deloitte.co.uk/waterfordwedgwood

Please note. If you have lodged a claim in the preceding administration you do not need to resubmit your claim.

5.1.3 Expenses

No expenses have been incurred during the period of this report

5.2 Charge out rates

The range of charge out rates for the separate categories of staff is based on our 2011 - 2014 charge out rates as summarised below. Manager rates include all grades of assistant manager

Grade	£ 2011	£ 2012 (Jan - Aug)	£ 2012/2014 (Sept 12 - Aug 14)
Partners/Directors	560 to 895	585 to 920	605 to 950
Managers	280 to 670	295 to 700	305 to 720
Assistants and Support Staff	175 to 280	150 to 295	155 to 305

The above bands are specific to the Restructuring Services department partners and staff. In certain circumstances the use of specialists from other Deloitte departments such as Tax/VAT and Deloitte Real Estate may be required on the case. These departments may charge rates that fall outside the Restructuring Services department bands quoted above so, where such specialists have performed work on the case, average rates may also fall outside the Restructuring Services department bands.

All partners and technical staff (including cashiers) assigned to the case record their time spent working on the case on a computerised time recording system. Time spent by secretarial staff working on the assignment has not been recorded or recovered. The appropriate staff have been assigned to work on each aspect of the case based upon their seniority and experience, having regard to the complexity of the relevant work, the financial value of the assets being realised and/or claims agreed.

Charge out rates have not changed since those advised as at 1 September 2012. These will be subject to review from 1 September 2014.

5.3 Other professional costs

As previously advised, Linklaters LLP were instructed by the Liquidators to advise on appropriate legal matters. During the period of this report, professional fees of £11,654.22 and £10,338.50 have been paid from WWUK and RDUK respectively. This related to legal advice on matters arising during the liquidation period covering May 2012 to January 2013. All professional costs are reviewed and analysed before payment is approved.
