DIRECTORS' REPORT

The directors submit their report and financial statements for the year ended 31 December 2007

RESULTS AND DIVIDENDS

The profit and loss account for the year shows a profit on ordinary activities after taxation of £2,281,637. The directors declared and paid an interim dividend totalling £587,000 leaving a balance of £1,694,637 to be transferred to reserves.

PRINCIPAL ACTIVITIES AND BUSINESS REVIEW

The company's principal activity is the packing of tea and coffee products for a range of retail multiples. In addition the company has a food service division which also packs tea and coffee for a number of smaller customers. The company's facilities are all located at South Elmsall near Pontefract.

The directors do not envisage any change in the nature of the company's business in the foreseeable future.

The company's key financial and other performance indicators during the year were as follows:

	2007 £'000	2006 £'000	Change %
Turnover	38,807	36,339	7%
Gross profit	7,712	5,583	38%
Total operating profit	2,745	1,910	44%
Shareholders' funds	18,804	17,110	10%
Average number of employees	242	244	(1%)
Gross profit as % of turnover	19.9	15.4	
Operating profit as % of turnover	7.1	5.3	
Return on capital employed	12.8	9.9	

The company's performance during the year was generally satisfactory. Turnover increased by 7% while gross profit and operating profit as a percentage of sales were satisfactory.

Good progress was made this year against volume and sales growth targets due to full year trading of new customers and the reorganization of its tea packing facility.

The company cares greatly about the environment and conducts business in an ethical and responsible fashion.

FINANCIAL AND RISK MANAGEMENT OBJECTIVES AND POLICIES

The principle risks facing the company are credit risk, liquidity risk and foreign currency risk. The way in which these risks are managed is summarised below.

Credit Risk

The company aims to limit undue counterparty exposure by ensuring proper procedures are followed before starting to trade with a new customer and material ongoing exposure is monitored at business unit and group level.

Liquidity Risk

Investments in fixed assets and working capital are carefully controlled, with authorisation limits operating at different levels up to board level and with the rates of return and cash payback periods applied as part of a defined investment appraisal process. The group also manages liquidity risk via revolving credit facilities and cash-pooling.

Foreign Currency Risk

Subject to strict controls, the company undertakes limited trading in financial instruments in order to mitigate currency risks arising during the normal course of business.

DIRECTORS' REPORT

FUTURE DEVELOPMENTS

The directors aim to maintain the management policies which have resulted in the successful development of the company in recent years

DIRECTORS

The directors during the period ended 31 December 2007 were as follows

T J Blackburn
S M Copley
R A Darlington
R G Fowlkes
C des Forges
P R Henson
R B Hogg

N R Willsher (resigned 31 December 2007)

DISCLOSURE OF INFORMATION TO AUDITORS

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditors are unaware, and each director has taken all the steps that he or she ought to have taken as a director to make himself or herself aware of any relevant audit information and to establish that the Company's auditors are aware of that information

AUDITORS

During the year Ernst & Young LLP resigned as auditors of the company and KPMG LLP were appointed to fill the vacant position

In accordance with Section 384 of the Companies Act 1985, a resolution for the re-appointment of KPMG LLP as auditors of the company is to be proposed at the forthcoming Annual General Meeting

By order of the Board,

James Finlay Limited
Secretaries
South Elmsall
2nd April 2008

STATEMENT OF DIRECTORS RESPONSIBILITIES IN RESPECT OF THE DIRECTORS' REPORT AND FINANCIAL STATEMENTS

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice)

The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period

In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that its financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FINLAY BEVERAGES LIMITED

We have audited the financial statements of Finlay Beverages Limited for the year ended 31 December 2007 which comprise the Profit and Loss Account, the Balance Sheet and the related notes. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the financial statements in accordance with applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice) are set out in the Statement of Directors' Responsibilities on page 5.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements.

In addition we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion:

- the financial statements give a true and fair view, in accordance with UK Generally Accepted Accounting Practice, of the state of the company's affairs as at 31 December 2007 and of its profit for the year then ended,
- the financial statements have been properly prepared in accordance with the Companies Act 1985, and
- the information given in the Directors' Report is consistent with the financial statements.

NOTES

(forming part of the financial statements)

1. ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards, and under the historical cost accounting rules

Under FRS 1 the Company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the Company in its own published consolidated financial statements

As the Company is a subsidiary of John Swire & Sons Limited, the Company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the group (or investees of the group qualifying as related parties) The consolidated financial statements of John Swire & Sons Limited, within which this Company is included, can be obtained from the address given in note 18

Depreciation

Depreciation is provided to write off the cost less the estimated residual value of tangible fixed assets by equal instalments over their estimated useful economic lives as follows

Freehold buildings	-	over 50 years
Plant and machinery	-	over 4 to 14 years
Fixtures and fittings	-	over 3 to 10 years

No depreciation is provided on freehold land

Stocks

Raw materials and consumables

Lower of actual cost and net realisable value Actual cost being the purchase cost incurred in bringing each material to its present location and condition

Work in progress and finished goods

Lower of standard cost and net realisable value Standard cost being the standard cost of direct materials and labour plus attributable overhead based on normal level of activity Net realisable value is based on estimated selling price less further costs expected to be incurred to completion and disposal

Research and development expenditure

Expenditure on research and development is written off to the profit and loss account in the year in which it is incurred

Taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19

NOTES *(continued)*

1. ACCOUNTING POLICIES *(continued)*

Foreign currencies

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction or, if hedged forward, at the rate of exchange under the related forward currency contract. Monetary assets and liabilities denominated in foreign currencies are translated using the contracted rate or the rate of exchange ruling at the balance sheet date and the gains or losses on translation are included in the profit and loss account.

Post-retirement benefits

The Company participates in a group wide pension scheme providing benefits based on final pensionable pay. The assets of the scheme are held separately from those of the Company. The Company is unable to identify its share of the underlying assets and liabilities of the scheme on a consistent and reasonable basis and therefore, as required by FRS 17 'Retirement benefits', accounts for the scheme as if it were a defined contribution scheme. As a result, the amount charged to the profit and loss account represents the contributions payable to the scheme in respect of the accounting period.

Leases

Operating lease rentals are charged to the profit and loss account on a straight line basis over the period of the lease.

Dividends on shares presented within shareholders' funds

Dividends unpaid at the balance sheet date are only recognised as a liability at that date to the extent that they are appropriately authorised and are no longer at the discretion of the Company. Unpaid dividends that do not meet these criteria are disclosed in the notes to the financial statements.

2. TURNOVER

Turnover represents the invoiced amount of goods sold net of value added tax. Turnover and pre tax profit arises from one continuing activity, the packing and sale of tea and coffee.

17. PENSION COMMITMENTS

The company participates in the defined benefit plan arrangement within The Finlays Pension Fund. This defined benefit plan is a multi-employer plan which is operated by James Finlay Ltd (the Group) and which is run on a basis that does not enable individual companies to identify their share of the underlying assets and liabilities. In accordance with FRS 17 the company accounts for its contributions to the plan as if it were a defined contribution plan.

As at 31 December 2007 there is an overall surplus of £3,450,000 (2006 £2,041,000) in this pension plan. This is reflected in the consolidated accounts of James Finlay Ltd for the period ended 31 December 2007.

The latest full actuarial valuation of The Finlays Pension Fund was as at 31 December 2006 and this has been adjusted by Hymans Robertson, a qualified independent actuary, to reflect the position at the 31 December 2007.

The financial assumptions used by the actuary were
