COMMERCIAL UNION BUILDINGS COMPANY LIMITED

INDEPENDENT AUDITOR'S REPORT TO COMMERCIAL UNION BUILDINGS COMPANY LIMITED

IN ACCORDANCE WITH CHAPTER 3 OF SECTION 16 OF THE COMPANIES ACT 2006

We have examined the abbreviated accounts, together with the financial statements of Commercial Union Buildings Company Limited for the year ended 30th June 2010 prepared under Section 396 of the Companies Act 2006

This report is made solely to the company, in accordance with Chapter 3 of Section 16 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to it in a special auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company for our work, for this report, or for the opinions we have formed.

Respective Responsibilities of Director and Auditor

The director is responsible for preparing the abbreviated accounts in accordance with Section 444 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the regulations made under that section and to report our opinion to you.

Basis of Opinion

We conducted our work in accordance with Bulletin 2008/4 issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared.

Opinion

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with Section 444(3) of the Companies Act 2006, and the abbreviated accounts have been properly prepared in accordance with the regulations made under that section.

The notes on pages 3 to 6 form part of these abbreviated accounts.

COMMERCIAL UNION BUILDINGS COMPANY LIMITED

NOTES TO THE ABBREVIATED ACCOUNTS

YEAR ENDED 30TH JUNE 2010

1. Accounting Policies

Basis of Accounting

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of investment properties, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

Turnover comprises rent and service charges receivable

The turnover and pre-tax profit are derived from the company's principal activity which was carried out wholly in the United Kingdom

Fixed Assets

All fixed assets are initially recorded at cost

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows

Leasehold Properties	- over the term of the lease
Motor Vehicles	- over 5 years
Furniture and Equipment	- over 5 years

Investment Properties

The company's investment properties are included in the Balance Sheet at their open market values. The surplus or deficit on annual revaluation of such properties is transferred to the revaluation reserve. Depreciation is not provided in respect of freehold investment properties. Leasehold investment properties are not amortised where the unexpired term is over twenty years.

This policy represents a departure from statutory accounting principles, which require depreciation to be provided on all fixed assets. The directors consider that this policy is necessary in order that the financial statements may give a true and fair view because current values and changes in current values are of prime importance rather than the calculation of systematic annual depreciation. Depreciation is only one of many factors reflected in the annual valuation and the amount which might otherwise have been shown cannot be separately identified or quantified.

Operating Lease Agreements

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease.

Deferred Taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax, with the following exceptions

COMMERCIAL UNION BUILDINGS COMPANY LIMITED

NOTES TO THE ABBREVIATED ACCOUNTS

YEAR ENDED 30TH JUNE 2010

1. Accounting Policies *(continued)*

Provision is made for tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets, and gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only where the replacement assets are sold.

Deferred tax assets are recognised only to the extent that the director considers that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

Financial Instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Joint Arrangements

The Company has certain contractual arrangements with other participants to engage in joint activities that do not create an entity carrying on a trade or business of its own. The Company includes its share of assets, liabilities and cashflows in such joint arrangements, measured in accordance with the terms of each arrangement, which is usually pro-rata to the Company's interest in the joint arrangement.

Investments

Fixed asset investments are included at cost less amounts written off. Profits or losses arising from disposals of fixed asset investments are treated as part of the result from ordinary activities.

Fine Art investments are included at cost less provision for any permanent diminution in value.
