DIRECTORS' REPORT

for the year ended 31st December 2005

Registered Office
Walton Street, Sowerby Bridge, West Yorkshire

Number
56547 Registered in England

Review and Dividend

The company has continued to trade as steel stockholders. The loss for the year was £181,931. A dividend of 50% is proposed amounting to £3,510 which when added to the loss for the year gives an amount of £185,441 to be deducted from the retained profits brought forward.

The Future

Forecasts for 2006 suggest that trading conditions will continue to be extremely difficult. However with the company now being involved in more diverse range of steel stockholding the directors believe the company is better placed to improve sales and are hopeful that a return to profitability will be achieved.

Directors

The directors who held office during the year are set out below together with their interests in the shares of the company:

| | <u>Shares Held</u> | |
|--------------|----------------------|----------------------|
| | <u>31st December</u> | <u>31st December</u> |
| | <u>2005</u> | <u>2004</u> |
| D N Shoemith | 570 | 570 |
| J C Horner | 10 | 10 |

Fixed Assets

The movements in fixed assets during the year are set out in note 1 of the notes to the Balance Sheet.

In the opinion of the directors the market value of the company's Land and Buildings exceeds the book value of £372,721 shown in the financial statements but are unable to quantify the excess since no recent professional valuation has been carried out.

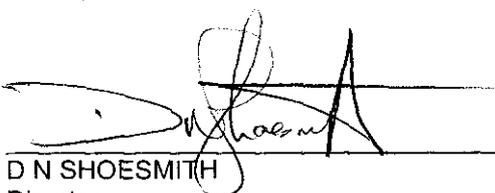

Charitable Donations

Charitable donations during the year amounted to £550 (2004 £Nil) which included £500 to the Tsunami Appeal. No political donations were made.

Auditors

A resolution proposing the re-appointment of Sutcliffe & Riley as auditors to the company will be put to the Annual General Meeting.

INDEPENDENT AUDITORS' REPORT

TO THE SHAREHOLDERS OF ABRAM PULMAN & SONS LIMITED

We have audited the financial statements of Abram Pulman & Sons Limited for the year ended 31 December 2005 on pages 4 to 13. These financial statements have been prepared under the historical cost convention and the accounting policies set out on page 4.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters that we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, or the opinions we have formed.

Respective Responsibilities of Directors and Auditors

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- (a) Select suitable accounting policies and then apply them consistently;
- (b) Make judgements and estimates that are reasonable and prudent;
- (c) State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- (d) Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In the case of each of the persons who are directors at the time when the directors report is approved:

- so far as the director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information (s. 34ZA (2)).

Amounts are presented within items in the profit and loss account and balance sheet, the directors have had regard to the substance of the reported transaction or arrangement, in accordance with generally accepted accounting principles or practice.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

INDEPENDENT AUDITORS' REPORT CONTINUED

TO THE SHAREHOLDERS OF ABRAM PULMAN & SONS LIMITED

Basis of Audit Opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31st December 2005 and of its loss and cash flow for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

STATEMENT OF ACCOUNTING POLICIES

31st December 2005

(1) The accounts are prepared in accordance with the accounting practice principles set out in paragraphs 10 to 14 of Schedule 4 Part II Section A to the Companies Act 1985 and with applicable accounting standards.

(2) Depreciation on tangible fixed assets is provided at rates calculated to write off the assets over their useful lives taking account of any residual value thereof.

The principal rates used are:

| | |
|--|--|
| Leasehold Land & Buildings | Over the outstanding term of the Lease |
| Freehold Land & Buildings | 5% p.a. reducing balance |
| Plant & Machinery | 10% p.a. reducing balance |
| Cranes | 20% p.a. reducing balance |
| Fixtures & Fittings, Office Furniture & Equipment | 10% p.a. reducing balance |
| Motor Vehicles | 25% p.a. reducing balance |
| Computer Equipment | 25% p.a. reducing balance |

(3) Stock is valued at the lower of cost or net realisable value. For this purpose cost comprises cost of direct materials and labour.

(4) Any charge for taxation takes into account taxation deferred as a result of timing differences between the treatment of certain items for taxation and accounting purposes. In general, deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. However, deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted. In accordance with FRS19, deferred tax is not recognised on revaluation gains. Deferred taxation is measured on a non-discounted basis at the tax rates that are expected to apply in the periods in which the timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

(5) Turnover represents the value of goods sold by the company excluding VAT.

(6) The company contributes to a defined contribution pension scheme. The assets of the scheme are held in a separately identifiable fund. The charge in the profit and loss account represents payments made to the scheme during the year.

(7) The rental cost of assets acquired under operating leases is charged directly to the profit and loss account.

(8) Tangible fixed assets purchased under hire purchase contracts are capitalised at a value equal to the cost of acquiring the asset and depreciated in the same manner as owned assets. The interest charges are charged to the profit and loss account over the period of the agreement.
