**Directors' responsibilities**

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company at the end of the year and of the profit or loss for the year then ended. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records, for safeguarding the assets of the company and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Donations**

During the year the company made the following contributions:

	2004	2003
	£	£
Charitable	<u>2,450</u>	-

**Auditors**

On 1 July 2004, the Grant Thornton partnership transferred its business to a limited liability partnership, Grant Thornton UK LLP. Under section 26(5) of the Companies Act 1989, the directors consented to extend the audit appointment to Grant Thornton UK LLP from 1 July 2004.

Grant Thornton UK LLP offer themselves for reappointment as auditors in accordance with section 385 of the Companies Act 1985.

**Small company provisions**

This report has been prepared in accordance with the special provisions for small companies under Part VII of the Companies Act 1985.

BY ORDER OF THE BOARD

Mr A Browne  
Secretary

## Report of the independent auditors to the members of Arthur Newbery Limited

We have audited the financial statements of Arthur Newbery Limited for the year ended 31 March 2004 which comprise the principal accounting policies, profit and loss account, balance sheet and notes 1 to 17. These financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002), under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditors**

The directors' responsibilities for preparing the report of the directors and the financial statements in accordance with United Kingdom law and accounting standards are set out in the statement of directors' responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom auditing standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read other information contained in the Directors' Report and consider whether it is consistent with the audited financial statements. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

### **Basis of opinion**

We conducted our audit in accordance with United Kingdom auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

**Qualified opinion arising from disagreement about accounting treatment**

The company's investment properties have been included in the financial statements at cost and have not been revalued annually as required by Statement of Standard Accounting Practice Number 19. In the absence of such a valuation it is not practical to determine the amount of the adjustment which would be required.

Except for the matter referred to above, in our opinion the financial statements give a true and fair view of the state of affairs of the company as at 31 March 2004 and of its profit for the year then ended, and have been properly prepared in accordance with the Companies Act 1985.

## Principal accounting policies

### **Basis of accounting**

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

The company is exempt from preparing consolidated financial statements on the grounds that, taken together with its associated undertaking, it qualifies as a small-sized group under section 248 of the Companies Act 1985. These financial statements therefore present information about the company as an individual undertaking and not about its group (see note 8 for details of the company's share of the associated undertaking's results, assets and liabilities).

### **Income**

Income comprises net rents receivable from investment properties owned, dividends declared during the accounting period, interest and other income receivable on bank deposits, listed and unlisted investments, and profit or loss on the disposal of investments.

### **Investment properties**

Investment properties are stated at cost.

### **Tangible fixed assets and depreciation**

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Fixtures & Fittings                    -    15% reducing balance

### **Deferred taxation**

Deferred tax is recognised on all timing differences where the transactions or events that give the company an obligation to pay more tax in the future, or a right to pay less tax in the future have occurred by the balance sheet date. Deferred tax is measured using rates of tax that have been enacted or substantively enacted by the balance sheet date.

### **Investments**

Investments are included at cost.

## Investment properties

The directors are of the opinion that in aggregate the market value of the land and buildings exceeds the book value of these assets. In the absence of a professional valuation and because of the wide fluctuation in property values, it is not possible to quantify this excess.

As a result, no provision has been made in the deferred taxation account for the Corporation Tax that would be payable on disposal of these properties at their market value.
