The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland). This report, including the opinion, has been prepared for and only for the company's members as a body in accordance with Section 235 of the Companies Act, 1985, and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

In our opinion:

- the financial statements give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of the company's affairs as at 31 December 2007 and of its result for the year then ended;

NOTES TO THE FINANCIAL STATEMENTS

1 Accounting policies

The significant accounting policies adopted by the company are as follows:

Basis of preparation

The financial statements have been prepared under the historical cost convention in pounds Sterling and in accordance with accounting standards generally accepted in the United Kingdom and the Companies Act, 1985. Accounting standards generally accepted in the United Kingdom, in preparing financial statements giving a true and fair view, are those issued by the Accounting Standards Board.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Financial assets

Investments in subsidiary undertakings are stated in the company's balance sheet as financial assets at cost less provision for any impairment in their value. Income from these assets is recognised on a receivable basis in the profit and loss account.

Deferred taxation

Deferred tax is provided on all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date.

Deferred tax is measured at the tax rates that are expected to apply in the years in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is not discounted.

Financial assets and liabilities

Financial assets and liabilities are presented on a gross basis unless the company has the right to receive or pay a single net amount and intends to do so.

Cash flow statement

The company is a wholly owned subsidiary of Musgrave Group plc and its financial statements are included in the consolidated financial statements of Musgrave Group plc. Consequently, the company has availed of the exemption from preparing a cash flow statement under the terms of Financial Reporting Standard 1 (revised 1996).

2 Scope of financial statements and ultimate parent undertaking

The financial statements have been prepared for the year ended 31 December 2007.

Budgen Holdings Limited, incorporated in England and Wales, is the company's immediate parent undertaking and Musgrave Group plc, incorporated in the Republic of Ireland, is the ultimate parent company. The company's financial statements reflect the effects of this relationship.

The financial statements contain information about Bishops Group Services Limited, as an individual company, and do not contain consolidated financial information as the parent of a group. The company is exempt under Section 228 of the Companies Act 1985, from the requirement to prepare consolidated financial statements as it and its subsidiary undertakings are included by full consolidation in the consolidated financial statements of its parent undertaking, Musgrave Group plc, a company registered in the Republic of Ireland.

Musgrave Group plc is the only company for which group financial statements are drawn up and of which the company is a member. The registered office of Musgrave Group plc is Musgrave House, Ballycurreen, Airport Road, Cork, Republic of Ireland.

Transactions with entities that are part of the group or investees of the group, qualifying as related parties, are not disclosed as the company is exempt from such disclosure under paragraph 3 (c) of FRS 8 - 'Related Party Disclosures'.

NOTES TO THE FINANCIAL STATEMENTS - continued
