NOTES TO THE FINANCIAL STATEMENTS

1 ACCOUNTING POLICIES

(a) *Basis of accounting*

The financial statements have been prepared on a going concern basis, under the historical cost convention and in accordance with applicable law and Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council.

As the Company is dormant it qualifies for, and has taken advantage of, the transitional relief in FRS 102 to retain its accounting policies for reported assets, liabilities and equity until there is any change in those balances or the Company undertakes any new transactions. The Company is part of the Bloomsbury Publishing Plc group and is included in the consolidated financial statements of Bloomsbury Publishing Plc. The Company therefore qualifies for the reduced disclosures for subsidiaries in FRS 102 including the exemption to present a cash flow statement. The Company is also exempt under section 33.1A of FRS 102 from disclosing related party transactions with wholly owned subsidiaries of the Bloomsbury Publishing Plc group.

The Company had no transactions during the year and has made neither a profit nor a loss. No profit and loss account has therefore been prepared.

(b) *Consolidated financial statements*

The Company is exempt by virtue of section 400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the Company as an individual undertaking entity and not about its group. The consolidated financial statements of the ultimate parent company, Bloomsbury Publishing Plc, which is incorporated in England & Wales, include the results of the Company and are publicly available.

(c) *Investments*

Investments in subsidiary undertakings are recorded at cost less any amounts written off.
