- (b) exercise all the Rights given to mortgagees or a receiver by the Act, as varied and extended by this Deed, without the restrictions contained in sections 103 or 109(1) of the Act;
- (c) exercise the power of leasing, letting, entering into agreements for leases or lettings or accepting or agreeing to accept surrenders of leases in relation to any Security Asset, but without the restrictions imposed by sections 99 and 100 of the Act;
- (d) to the extent that any Security Asset constitutes Financial Collateral, appropriate it and transfer the title in and to it to the Security Agent insofar as not already transferred, subject to paragraphs (1) and (2) of Regulation 18;
- (e) subject to clause 10.1 (*Appointment*), appoint one or more persons to be a Receiver or Receivers of all or any of the Security Assets;
- (f) appoint an administrator of any Chargor; and
- (g) taking any other action it may decide in any jurisdiction other than England.

9.3 Disposal of the Security Assets

In exercising the powers referred to in clause 9.2 (*Powers on enforcement*), the Security Agent or any Receiver may sell or dispose of all or any of the Security Assets at the times, in the manner and order, on the terms and conditions and for the consideration determined by it.

9.4 Application of proceeds

All money received by the Security Agent or a Receiver under or in connection with this Deed (whether during, or before, enforcement of any Security) will be applied in the following order of priority:

- (a) **first**, in or towards payment of all amounts payable to the Secured Parties, any Receiver or their Officers under clause 13 (*Expenses, liability and indemnity*) and all remuneration due to any Receiver under or in connection with this Deed;
- (b) **secondly**, in or towards payment of the Secured Obligations in such order as is required by the Facility Agreement (and, if any of the Secured Obligations are not then payable, by payment into a suspense account until they become payable); and
- (c) **thirdly**, in payment of any surplus to the Chargor or other person entitled to it.

10 Appointment and Powers of Receiver

10.1 Appointment

A Receiver must be appointed by an instrument in writing, and otherwise in accordance with the Insolvency Legislation. The appointment of a Receiver may be made subject to such limitations as are specified by the Security Agent in the appointment. If more than one person is appointed as a Receiver, each person will have power to act independently of any other, except to the extent that the Security Agent may specify to the contrary in the appointment. Subject to the Insolvency Legislation, the Security Agent may remove or replace any Receiver.

10.2 Powers

A Receiver will have the powers given to him by the Insolvency Legislation, the powers given to a mortgagee or a receiver by Act, but without the restrictions contained in section 103 of the Act and the power to do, or omit to do, on behalf of a Chargor, anything which that Chargor itself could have done, or omitted to do, if its assets were not the subject of Security and that Chargor were not in insolvency proceedings. Except to the extent provided by law, none of the powers described in this clause 10 will be affected by an Insolvency Event in relation to a Chargor.

10.3 Status and remuneration

- (a) A Receiver will be the Security Agent of the relevant Chargor, which will be solely responsible for his acts and defaults and for the payment of his remuneration.
- (b) The Security Agent may from time to time determine the remuneration of any Receiver.

10.4 Third parties

A person dealing with the Security Agent or with a Receiver is entitled to assume, unless it has actual knowledge to the contrary, that:

- (a) those persons have the power to do those things which they are purporting to do; and
- (a) they are exercising their powers properly.

11 Preservation of Security

11.1 Waiver of defences

Neither the Security created by this Deed nor the obligations of any Chargor under this Deed will be affected by an act, omission, matter or thing which, but for this clause 11.1, would reduce, release or prejudice that Security or any of those obligations under this Deed (whether or not known to it or the Security Agent or any other Secured Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Obligor or other person;
- (b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any Obligor or any other person;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor or any other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any Obligor or any other person;
- (e) any amendment (however fundamental) or replacement of a Finance Document or any other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

11.2 Immediate recourse

Each Chargor waives any right it may have of first requiring the Security Agent to proceed against or enforce any other rights or security or claim payment from any person before enforcing the security constituted by this Deed. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

11.3 Appropriations

Until the expiry of the Security Period, the Security Agent may:

- (a) refrain from applying or enforcing any other monies, security or rights held or received by the Security Agent in respect of the Secured Obligations, or apply and enforce the same in such manner and order as it sees fit (whether against the Secured Obligations or otherwise) and no Chargor will be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any monies received from any Chargor or on account of any Chargor's liability in respect of the Secured Obligations.

11.4 Deferral of Chargors' rights

Until the expiry of the Security Period, and unless the Security Agent otherwise directs, no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents:

- (a) to be indemnified by any other Chargor or any other Obligor;
- (b) to claim any contribution from any other guarantor of any Chargor's or Obligor's obligations under the Finance Documents; and/or
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any of the Security Agent's rights under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by the Security Agent.

12 Duration of Security

- (a) The obligations of each Chargor under this Deed and the Security created by this Deed will continue until the Secured Obligations have been irrevocably and unconditionally paid or discharged in full, regardless of any intermediate payment or discharge in whole or in part.
- (b) If any payment by a Chargor or any other security provider or any release given by the Security Agent (whether in respect of the Secured Obligations or any security for them or otherwise) is avoided or reduced as a result of an Insolvency Event or any similar event:
 - (i) the liability of such Chargor under this Deed will continue as if the payment, release, avoidance or reduction had not occurred; and
 - (ii) the Security Agent will be entitled to recover the value or amount of that security or payment from such Chargor, as if the payment, release, avoidance or reduction had not occurred.
- (c) Section 93 of the Act will not apply to this Deed.

13 Expenses, liability and indemnity

- (a) Each Chargor will, within three Business Days of demand, pay all legal and other costs and expenses (including any stamp duty, registration or other similar taxes) reasonably incurred by a Secured Party or by any Receiver in connection with this Deed and in accordance with

the terms of the Facility Agreement. This includes any costs and expenses relating to the enforcement or preservation of the Security Assets or any of their respective Rights under this Deed and any amendment, waiver, consent or release required in connection with this Deed.

- (b) Neither the Secured Parties nor a Receiver nor any of their Officers will be in any way liable or responsible to a Chargor for any loss or liability of any kind arising from any act or omission by it of any kind (whether as mortgagee in possession or otherwise) in relation to the Security Assets or this Deed, except to the extent caused by its own gross negligence or wilful misconduct.
- (c) Each Chargor will, on demand, indemnify each of the Secured Parties, a Receiver and their respective Officers in respect of all costs, expenses, losses or liabilities of any kind which it incurs or suffers in connection with:
 - (i) anything done or omitted in the exercise of the powers conferred on it by this Deed, unless it was caused by its gross negligence or wilful misconduct;
 - (ii) a claim of any kind (whether relating to the environment or otherwise) made against it which would not have arisen if the Security created by this Deed had not been granted and which was not caused by its gross negligence or wilful misconduct; or
 - (iii) any breach by the Chargor of the Finance Documents.
- (d) The Secured Parties, any Receiver and their respective Officers will be entitled to be indemnified out of the Security Assets in respect of the actions, proceedings, demands, claims, costs, expenses and liabilities referred to in this clause 13 (*Expenses, liability and indemnity*).

14 Power of Attorney

- (a) Each Chargor, by way of security, irrevocably appoints each of the Security Agent and any Receiver severally to be its attorney to do anything:
 - (i) which the Chargor is obliged to do under the Finance Documents but has failed to do; or
 - (ii) which the attorney may require to exercise any of the Rights conferred on it by the this Deed or by law.
- (b) Each Chargor agrees, on the request of the Security Agent or any Receiver, to ratify and confirm all such action taken.

15 Remedies

- (a) The Rights created by this Deed are in addition to any other Rights of the Secured Parties against the Chargors or any other security provider under any other documentation, the general law or otherwise. They will not merge with or limit those other Rights, and are not limited by them.
- (b) No failure by a Secured Party to exercise any Right under this Deed will operate as a waiver of that Right. Nor will a single or partial exercise of a Right by a Secured Party preclude its further exercise.
- (c) If, at any time, any provision of this Deed is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of that provision in any

other respect or under the law of any other jurisdiction will be affected or impaired in any way.

16 Notices

Any communications to be made under or in connection with this Deed will be made in accordance with clause 32 (*Notices*) of the Facility Agreement.

17 Payments

17.1 Default interest

If a Chargor fails to make a payment to a person under this Deed, it will pay interest to that person on the amount concerned at the Default Rate from the date it should have made the payment until the date of payment (after, as well as before, judgment).

17.2 Currency indemnity

No payment by any Chargor (whether under a court order or otherwise) will discharge the obligations of such Chargor unless and until the Secured Party has received payment in full in the currency in which the obligation is denominated. If, on conversion into that currency, the amount of the payment falls short of the amount of the obligation concerned, the Secured Party will have a separate cause of action against that Chargor for the shortfall.

17.3 Certificates and determinations

Any certification or determination by the Security Agent of an amount payable by a Chargor under this Deed is, in the absence of manifest error, conclusive evidence of that amount.

18 Miscellaneous

18.1 Accession of Affiliates

- (a) To the extent that any Affiliate of the Company is required by the terms of the Finance Documents to provide Security over its assets under English law, it may do so by executing a Deed of Accession and such Affiliate will on the date which such Deed of Accession is executed by it become a party to this Deed in the capacity of a Chargor and this Deed will be read and construed for all purposes as if such company had been an original party to this Deed as a Chargor (but for the avoidance of doubt the security created by such company will be created on the date of the Deed of Accession).
- (b) Each Chargor (other than the Company) by its execution of this Deed or any Deed of Accession, irrevocably appoints the Company to execute on its behalf any Deed of Accession without further reference to or the consent of such Chargor and such Chargor will be bound by any such Deed of Accession as if it had itself executed such Deed of Accession.

18.2 Operating Accounts

At any time before the Security created by this Deed has become enforceable, in the absence of any directions from the Security Agent to the contrary, any amount permitted by the terms of the Finance Documents to be paid into an Operating Account will on payment into such account stand released from the fixed charge created by clause 3.3 (*Fixed charge*) and will stand subject to the floating charge created by clause 3.4(a) (*Floating charge*), provided that such release will in no respect prejudice the continuance of any fixed charge created by clause 3.3 (*Fixed charge*) in respect of any other amount.

19 Governing Law and Jurisdiction

19.1 Governing Law

This Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.

19.2 Jurisdiction

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute regarding the existence, validity or termination of this Deed) (a **Dispute**).
- (b) The parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.
- (c) This clause 19.2 (*Jurisdiction*) is for the benefit of the Secured Parties only. As a result, no Secured Party will be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, a Secured Party may take concurrent proceedings in any number of jurisdictions.

This Deed has been executed as a deed, and it has been delivered on the date stated at the beginning of this Deed.
