# Strategic report

### Principal activity and review of the business

The Company did not trade on its own account during the year ended 31 July 2014, but acted as an unremunerated agent for its immediate parent undertaking, Vent-Axia Group Limited, in whose financial statements the results of its brand are reflected.

### Principal risks and uncertainties

The directors consider the principal risks and uncertainties facing the Company to include potential impairment of amounts due from its parent company. To mitigate against exposure to this risk, the Company reviews the financial performance of its parent and the enlarged group of which it is a member on a regular basis.

# **Directors' report**

The Directors of Anda Products Limited ('the Company') present their report and financial statements for the year ended 31 July 2014.

#### Results and dividends

The company did not trade during the current year or the prior years. The Directors do not recommend payment of a dividend (2013 - £nil).

#### Going concern

The company acts as an unremunerated agent for Vent-Axia Group Limited (an intermediate parent undertaking) and also has balances due from Vent-Axia Group Limited. The directors have an expectation of no liabilities being incurred within 12 months from the date of approving these financial statements.

The financial statements have been prepared on a going concern basis, which assumes that the company will continue receiving the financial support of its parent undertaking and therefore continue in existence for the foreseeable future. The board believes this basis is appropriate and have received confirmation that if required, parental support will be provided for a period of no less than 12 months from the date of approving these financial statements.

#### **Directors**

The directors at the date of approving this report are those that served during the year and are disclosed on page 1.

#### **Directors' liabilities**

The enlarged Group of which the Company is a member has granted an indemnity to certain directors against liability in respect of proceedings brought by third parties, subject to the conditions set out in section 234 of the Companies Act 2006. Such qualifying third party indemnity provision remains in force at the date of approving the directors report.

#### Disclosure of information to the auditor

So far as each person who was a Director at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Having made enquiries of fellow Directors and the Company's auditor, each Director has taken all the steps that he is obliged to take as a Director in order to make himself aware of any relevant audit information and to establish that the auditor is aware of that information.

#### Re-appointment of auditor

A resolution to reappoint Ernst & Young LLP as auditors will be put to the members at the Annual General Meeting.

# Directors' responsibilities statement

The directors are responsible for preparing the strategic report, directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under Company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Independent auditors' report

to the members of Anda Products Limited

We have audited the financial statements of Anda Products Limited for the year ended 31 July 2014 which comprise the balance sheet and the related notes 1 to 7. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### Respective responsibilities of Directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 4, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the report and financial statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially inconsistent based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

#### Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs at 31 July 2014;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

# Independent auditors' report (continued)

to the members of Anda Products Limited

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.
