2. COVENANT TO PAY

2.1 **Covenant to pay:** Each Chargor (as primary obligor and not merely as surety) covenants with the Programme Manager (as trustee for the Beneficiaries) that it will, on the Programme Manager's written demand, pay or discharge the Secured Sums when due at the times and in the manner provided in the relevant Finance Documents.

2.2 **Guarantee:** Each Chargor gives the guarantee contained in Schedule 1 (*Terms of Guarantee*) subject to, and with the benefit of, the provisions set out in Schedule 1 (*Terms of Guarantee*). The guarantee is given by each Chargor separately and jointly with every other Chargor.

2.3 **Binding nature:** Each Chargor agrees to be bound by the guarantee contained in Schedule 1 (*Terms of Guarantee*), even if another member of the Group which was intended to execute this Further Supplemental Guarantee and Debenture may not do so or may not be effectively bound.

2.4 **Demands:** The making of one demand shall not preclude the Programme Manager from making any further demands.

2.5 **Proviso:** The covenants and guarantee contained in this clause and the security created by this Further Supplemental Guarantee and Debenture shall not extend to or include any liability or sum which would otherwise cause any such covenant or security to be unlawful or prohibited by any applicable law.

3. CHARGING CLAUSE

3.1 **Creation of floating charge:** Each Chargor, with full title guarantee, charges to the Programme Manager (as trustee for the Beneficiaries) as security for the payment or discharge of all Secured Sums, by way of floating charge:

- (a) all its Assets including any Assets comprised within a charge which is reconverted under clause 4.4 (*Reconversion*), and
- (b) without exception, all its Assets insofar as they are for the time being situated in Scotland,

but in each case so that such Chargor shall not create any Security Interest over any such Asset (whether having priority over, or ranking *pari passu* with or subject to, this floating charge) or take any other step referred to in clause 5 (*Negative pledge and other restrictions*) with respect to any such Asset, and such Chargor shall not, without the consent of the Programme Manager, sell, transfer, part with or dispose of any such Asset except to the extent permitted under the Facility Agreement.

3.2 **Priority:** Any Security Interest created in the future by a Chargor (except in favour of the Programme Manager) shall be expressed to be subject to this Further Supplemental Guarantee and Debenture and shall rank in order of priority behind the charges created by this Further Supplemental Guarantee and Debenture.

3.3 **Right of redemption:** Upon the payment or discharge of all Secured Sums and the Beneficiaries having no further obligation (whether actual or contingent) to make advances or provide other financial accommodation under the Finance Documents or otherwise, the Programme Manager shall on request by a Chargor (at the Chargor's cost) release its Assets from the charges created by clause 3 of this Further Supplemental Guarantee and Debenture. Such release shall not prejudice the rights of the Programme Manager under clause 13.3 (*Retention of Security*) and clause 17 (*Costs, expenses and liabilities*)

4. CRYSTALLISATION

4.1 **Crystallisation by notice:** The floating charge created by each Chargor in clause 3.1 (*Creation of floating charge*) may, subject to clause 4.5 (*Moratorium Assets*), be crystallised into a fixed charge by notice in writing given at any time by the Programme Manager to the relevant Chargor (or to the Borrower on its behalf) if:

- (a) a Declared Default has occurred and is continuing;
- (b) a Potential Event of Default under clause 13.1(f) (*Insolvency*) or Clause 13.1(g) (*Insolvency Proceedings*) of the Facility Agreement has occurred and is continuing; or
- (c) the Programme Manager in good faith considers that any of the Assets expressed to be charged to the Programme Manager by this Further Supplemental Guarantee and Debenture may be in danger of being seized or sold pursuant to any form of legal process; or
- (d) a circumstance envisaged by paragraph (a) of clause 4.2 (*Automatic Crystallisation*) occurs and the Programme Manager in good faith considers that such crystallisation is desirable in order to protect the priority of its security.

Such crystallisation shall take effect over the Floating Charge Assets or class of Assets specified in the notice. If no Floating Charge Assets are specified, it shall take effect over all Floating Charge Assets of the relevant Chargor.

4.2 Automatic crystallisation: If, without the Programme Manager's prior written consent:

- (a) any Chargor, in contravention of any Finance Document, resolves to take or takes any step to:
 - (i) charge or otherwise encumber any of its Floating Charge Assets;
 - (ii) create a trust over any of its Floating Charge Assets; or
 - (iii) dispose of any Floating Charge Asset, except by way of sale in the ordinary course of such Chargor's business to the extent that such disposal is not otherwise prohibited by any Finance Document;
- (b) any person resolves to take or takes any step to seize or sell any Floating Charge Asset pursuant to any form of legal process; or
- (c) an Event of Default under clause 13.1(f) (*Insolvency*) or Clause 13.1(g) (*Insolvency Proceedings*) of the Facility Agreement has occurred,

then the floating charge created by clause 3.1 (*Creation of floating charge*) shall, subject to clause 4.5 (*Moratorium Assets*), be automatically and instantly crystallised (without the necessity of notice) into a fixed charge over such Floating Charge Asset or, in the case of paragraph (c) above into a fixed charge over all Floating Charge Assets of the relevant Chargor.

4.3 Future Floating Charge Assets: Except as otherwise stated in any notice given under clause 4.1 (*Crystallisation by notice*) or unless the crystallisation relates to all its Floating Charge Assets, prospective Floating Charge Assets acquired by any Chargor after crystallisation has occurred under clause 4.1 (*Crystallisation by notice*) or 4.2 (*Automatic crystallisation*) shall become subject to the floating charge created by clause 3.1 (*Creation of floating charge*), so that the crystallisation shall be effective only as to the relevant Floating Charge Assets in existence at the date of crystallisation.

4.4 Reconversion: Any charge which has crystallised under clause 4.1 (*Crystallisation by notice*) or 4.2 (*Automatic crystallisation*) may, by notice in writing given at any time by the Programme Manager to the relevant Chargor (or to the Borrower on its behalf), be reconverted into a floating charge in relation to the Assets specified in such notice.

4.5 Moratorium Assets: Notwithstanding clauses 4.1 and 4.2, and save as permitted by Part A1 of the Insolvency Act 1986:

- (a) where a Chargor obtains a moratorium under that Part A1, and whilst the moratorium continues, the floating charge created by that Chargor in Clause 3.1 (*Creation of floating charge*):
 - (i) may not be converted into a fixed charge by notice in writing under clause 4.1; and
 - (ii) shall not automatically convert into a fixed charge under clause 4.2;
- (b) nothing done for or by a Chargor with a view to obtaining a moratorium under that Part A1 shall give rise to any right to crystallise by notice under clause 4.1 or cause the automatic crystallisation under clause 4.2 of the floating charge created by that Chargor under clause 3.1 (*Creation of floating charge*).

5. **NEGATIVE PLEDGE AND OTHER RESTRICTIONS**

5.1 **Negative Pledge and Other Restrictions:** No Chargor shall, without the prior written consent of the Programme Manager, except as specifically permitted under the Facility Agreement:

- (a) create, or agree or attempt to create, or permit to subsist, any Security Interest (except under this Further Supplemental Guarantee and Debenture and the Existing Security (if applicable) or any trust over any of its Assets, or permit any lien (other than a lien arising by operation of law in the ordinary course of such Chargor's business) to arise or subsist over any of its Assets;
- (b) sell, assign, lease, license or sub-license, or grant any interest in, any of its Assets, or part with possession or ownership of them, or purport or agree to do so; or
- (c) (where applicable) increase the amount secured by the Existing Security (whether of principal, interest, premium or otherwise) or alter the terms relating to the repayment of any sums secured by the Existing Security or the assets subject to the Existing Security.

5.2 **Representation:** Each Chargor hereby represents to the Programme Manager that:

- (a) the details of any Existing Security are accurate and complete, no other Security Interest exists over its Assets on the date hereof and it is under no legal commitment to grant any further Security Interest over all or any of its Assets; and
- (b) it has obtained all necessary Authorisations in relation to its entry into this Further Supplemental Guarantee and Debenture or (where it has not done so) it has obtained a temporary waiver of any breach of its obligations which arise as a result of its entry into this Further Supplemental Guarantee and Debenture and will promptly obtain all necessary Authorisations in relation to its entry into this Further Supplemental Guarantee and Debenture, in form and substance reasonably satisfactory to the Programme Manager.

6. **FURTHER ASSURANCE**

6.1 Each Chargor shall promptly, at its own cost, do all such acts or execute all such documents (including assignments, transfers, mortgages, charges, notarisations, registrations, notices and instructions) as the Programme Manager may reasonably specify (and in such form as the Programme Manager may reasonably require) in favour of the Programme Manager or its nominee(s):

- (a) to create, perfect and/or protect the Security Interests created or intended to be created in respect of the assets and undertaking of each Chargor which from time to time are the subject of any Security Interest created or expressed to be created by it in favour of the Programme Manager by or pursuant to this Further Supplemental Guarantee and Debenture (the "**Charged Assets**") (which may include the execution by that Chargor of a mortgage, charge or assignment over all or any of the assets constituting, or intended to constitute, the Charged Assets); and/or
- (b) to create, perfect and/or render legally valid and enforceable the guarantees provided for in this Guarantee and Guarantee and Debenture;

- (c) to facilitate the maintenance, preservation or enforcement of the rights of the Programme Manager or any Receiver against, or the realisation of, the Charged Assets.

6.2 Each Chargor shall take all such action as is available to it (including making all filings and registrations and applying for relief against forfeiture) as may be necessary or as may reasonably be requested by the Programme Manager for the purpose of the creation, perfection, protection or maintenance of any Security Interest conferred or intended to be conferred on the Programme Manager by or pursuant to this Further Supplemental Guarantee and Debenture and the Assets.

7. CONTINUING SECURITY

This Further Supplemental Guarantee and Debenture shall be a continuing security for the Beneficiaries, notwithstanding any intermediate payment or settlement of accounts or other matter whatever and shall be in addition to and shall not prejudice or be prejudiced by any right of set-off, combination, lien, or other rights exercisable by any Beneficiaries as banker against any Chargor or any security, guarantee, indemnity and/or negotiable instrument now or in the future held by any Beneficiaries.

8. OPENING OF NEW ACCOUNTS

8.1 **Creation of new account:** On receiving notice that any Chargor has created a Security Interest over or otherwise encumbered or disposed of any of its Assets, a Beneficiary may rule off all its accounts and open new accounts with such Chargor.

8.2 **Credits to new account:** If a Beneficiary does not open a new account immediately on receipt of such notice, it shall nevertheless be treated as if it had done so on that day. From that day, all payments made by the Chargor to such Beneficiary shall be treated as having been credited to a new account and shall not operate to reduce the amount owing from the Chargor to such Beneficiary at the time when it received such notice.

9. APPOINTMENT OF A RECEIVER OR AN ADMINISTRATOR

9.1 **Appointment:** Paragraph 14 of Schedule B1 to the Insolvency Act 1986 shall apply to this Further Supplemental Guarantee and Debenture and the floating charges contained in this Further Supplemental Guarantee and Debenture. At any time after:

- (a) the occurrence of a Declared Default;
- (b) in relation to any Chargor, a step or proceeding is taken, or a proposal made, for the appointment of an administrator or for a voluntary arrangement under Part I of the Insolvency Act 1986; or
- (c) a request has been made by the Borrower and/or a Chargor to the Programme Manager for the appointment of a Receiver or an administrator over its Assets or in respect of a Chargor,

then this Further Supplemental Guarantee and Debenture shall become enforceable and, notwithstanding the terms of any other agreement between such Chargor and any Beneficiary, the Programme Manager may, unless precluded by law, appoint in writing any person or persons to be a receiver or a receiver and manager, receivers or receivers and managers of all or any part of the Assets of such Chargor or an administrator or administrators of such Chargor, as the Programme Manager may choose in its entire discretion. Notwithstanding anything to the contrary in this Further Supplemental Guarantee and Debenture, neither the obtaining of a moratorium by a Chargor under Part A1 of the Insolvency Act 1986 nor the doing of anything for or by a Chargor with a view to

obtaining such a moratorium (including any preliminary decision or investigation) shall be, or be construed as, a ground under this Further Supplemental Guarantee and Debenture for the appointment of a Receiver save where such an appointment would be permitted under that Part A1.

- 9.2 **Power to act separately:** Where more than one Receiver or administrator is appointed, the appointees shall have power to act separately unless the Programme Manager shall specify to the contrary.
- 9.3 **Receiver's remuneration:** The Programme Manager may from time to time determine the remuneration of a Receiver.
- 9.4 **Removal of Receiver:** The Programme Manager may (subject to section 45 of the Insolvency Act 1986) remove a Receiver from all or any of the Assets of which he is the Receiver.
- 9.5 **Further appointments of a Receiver:** Such an appointment of a Receiver shall not preclude:
- (a) the Programme Manager from making any subsequent appointment of a Receiver over all or any Assets over which a Receiver has not previously been appointed or has ceased to act; or
 - (b) the appointment of an additional Receiver to act while the first Receiver continues to act.
- 9.6 **Receiver's agency:** The Receiver shall be the agent of the relevant Chargor (which shall be solely liable for his acts, defaults and remuneration) unless and until such Chargor goes into liquidation, after which time he shall act as principal and shall not become the agent of the Programme Manager or any other Beneficiary.
- 9.7 **Power of Sale:** Section 103 of the Law of Property Act 1925 shall not apply to this Further Supplemental Guarantee and Debenture and the statutory power of sale shall arise on, and be exercisable at any time after the execution of this Further Supplemental Guarantee and Debenture. However, The Programme Manager shall not exercise such power of sale until this Further Supplemental Guarantee and Debenture has become enforceable.
10. **POWERS OF A RECEIVER**
- 10.1 **General:** The Receiver may exercise, in relation to each Chargor over whose Assets he is appointed, all the powers, rights and discretions set out in Schedules 1 and 2 to the Insolvency Act 1986 and in particular, by way of addition to and without limiting such powers, the Receiver may, with or without the concurrence of others:
- (a) sell, lease, let, license, grant options over and vary the terms of, terminate or accept surrenders of leases, licences or tenancies of, all or any of the Assets of the relevant Chargor, without the need to observe any of the provisions of sections 99 and 100 of the Law of Property Act 1925, in such manner and generally on such terms and conditions as he shall think fit in his absolute and unfettered discretion and any such sale or disposition may be for cash, securities or other valuable consideration (in each case payable in a lump sum or by instalments) and carry any such transactions into effect in the name of and on behalf of such Chargor;

- (b) promote the formation of a Subsidiary of the relevant Chargor with a view to such Subsidiary purchasing, leasing, licensing or otherwise acquiring interests in all or any of the Assets of such Chargor;
- (c) sever any fixtures from land and/or sell them separately;
- (d) exercise all voting and other rights attaching to securities owned by the relevant Chargor;
- (e) arrange for the purchase, lease, licence or acquisition of all or any Assets of the relevant Chargor by any such Subsidiary contemplated by paragraph (b) above on a basis whereby the consideration may be for cash, securities, shares of profits or sums calculated by reference to profits or turnover or royalties or licence fees or otherwise, whether or not secured on the assets of such Subsidiary and whether or not such consideration is payable or receivable in a lump sum or by instalments over such period as the Receiver may think fit;
- (f) make any arrangement or compromise with any Beneficiary or others as he shall think fit;
- (g) make and effect all repairs, renewals and improvements to the Assets of the relevant Chargor and effect, renew or increase insurances on such terms and against such risks as he shall think fit;
- (h) appoint managers, officers and agents for the above purposes at such remuneration as the Receiver may determine;
- (i) receive all book debts and other debts and claims, on payment given an effectual discharge for them and on non-payment take and institute all steps and proceedings for their recovery;
- (j) redeem any prior encumbrance and settle and pass the accounts of the encumbrancer and any accounts so settled and passed shall (subject to any manifest error) be conclusive and binding on the relevant Chargor and the money so paid shall be deemed an expense properly incurred by the Receiver;
- (k) pay the proper administrative charges of any Beneficiaries in respect of time spent by their agents and employees in dealing with matters raised by the Receiver or relating to the receivership of the relevant Chargor;
- (l) commence and/or complete any building operations upon any land of the relevant Chargor and apply for and obtain any planning permissions, building regulation consents or licences, in each case as he may in his absolute discretion think fit;
- (m) take all steps necessary to effect all registrations, renewals, applications and notifications as the Receiver may in his discretion think prudent to maintain in force or protect any of the relevant Chargor's intellectual property rights; and
- (n) do all such other acts and things as may be considered by the Receiver to be incidental or conducive to any of the above matters or powers or otherwise incidental or conducive to the preservation, improvement or realisation of the relevant Assets.

11. POWER OF ATTORNEY

- 11.1 **Appointment of attorney:** Each Chargor, by way of security, hereby irrevocably appoints the Programme Manager (whether or not a Receiver or administrator has been appointed) and separately, any nominee and/or any Receiver to be its attorney (with full

power to appoint substitutes and to delegate) with power in its name and on its behalf, and as its act and deed or otherwise to:

- (a) do anything which that Chargor is obliged to do (but has not done within 5 Business Days of being notified by the Programme Manager of such failure and being requested to comply) in accordance with the terms of the Guarantee and Debenture, including to execute and deliver and otherwise perfect any agreement, assurance, deed, instrument or document; and

SCHEDULE 1**Terms of Guarantee****1. Guarantee and indemnity**

Each Guarantor irrevocably and unconditionally jointly and severally:

- (a) guarantees to each Finance Party the punctual performance by each other Guarantor of all that Guarantor's obligations under the Finance Documents (whether primary or secondary obligations);
- (b) undertakes with each Finance Party that whenever another Guarantor does not pay any amount of the Secured Sums when due under or in connection with any Finance Document, that Guarantor shall immediately on demand pay that amount as if it was the principal obligor; and
- (c) agrees with each Finance Party that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Finance Party immediately on demand against any cost, loss or liability it incurs as a result of an Guarantor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Finance Document on the date when it would have been due. The amount payable by a Guarantor under this indemnity will not exceed the amount it would have had to pay under this Schedule 1 if the amount claimed had been recoverable on the basis of a guarantee.

2. Continuing guarantee

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Guarantor under the Finance Documents, regardless of any intermediate payment or discharge in whole or in part.

3. Reinstatement

If any discharge, release or arrangement (whether in respect of the obligations of any Guarantor or any security for those obligations or otherwise) is made by a Finance Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of each Guarantor under this Schedule 1 will continue or be reinstated as if the discharge, release or arrangement had not occurred.

4. Waiver of defences

The obligations of each Guarantor under this Schedule 1 will not be affected by an act, omission, matter or thing which, but for this Schedule 1, would reduce, release or prejudice any of its obligations under this Schedule 1 (without limitation and whether or not known to it or any Finance Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Guarantor or other person;
- (b) the release of any other Guarantor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Guarantor or other person or any non-presentation or non-observance of

any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;

- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Guarantor or any other person;
- (e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of a Finance Document or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any facility or the addition of any new facility under any Finance Document or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

5. Guarantor intent

Without prejudice to the generality of paragraph 4 (*Waiver of defences*) of this Schedule 1, each Guarantor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

6. Immediate recourse

Each Guarantor waives any right it may have of first requiring any Finance Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Guarantor under this Schedule 1. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

7. Appropriations

Until all amounts which may be or become payable by the Guarantors under or in connection with the Finance Documents have been irrevocably paid in full, each Finance Party (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by that Finance Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Guarantor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from any Guarantor or on account of any Guarantor's liability under this Schedule.

8. Deferral of Guarantors' rights

Until all amounts which may be or become payable by the Guarantors under or in connection with the Finance Documents have been irrevocably paid in full and unless the Programme Manager otherwise directs, no Guarantor will exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under this Schedule 1:

- (a) to be indemnified by an Guarantor;
- (b) to claim any contribution from any other guarantor of any Guarantor's obligations under the Finance Documents;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by any Finance Party;
- (d) to bring legal or other proceedings for an order requiring any Guarantor to make any payment, or perform any obligation, in respect of which any Guarantor has given a guarantee, undertaking or indemnity under paragraph 1 (*Guarantee and indemnity*) of this Schedule 1;
- (e) to exercise any right of set-off against any Guarantor; and/or
- (f) to claim or prove as a creditor of any Guarantor in competition with any Finance Party.

If a Guarantor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Finance Parties by the Guarantors under or in connection with the Finance Documents to be repaid in full on trust for the Finance Parties and shall promptly pay or transfer the same to the Programme Manager or as the Programme Manager may direct for application in accordance with the Finance Documents.

9. **Resignation of a Guarantor**

A Guarantor (other than the Borrower) may cease to be a Guarantor if a resignation letter is delivered by it to the Programme Agent and the Programme Agent confirms its acceptance of the resignation letter. Any such resignation will be effective from the date on which the Programme Agent's acceptance is received by the relevant Guarantor in accordance with the terms of this Further Supplemental Guarantee and Debenture.

10. **Release of Guarantors' right of contribution**

If any Guarantor (a "**Retiring Guarantor**") ceases to be a Guarantor in accordance with the terms of the Finance Documents for the purpose of any sale or other disposal of that Retiring Guarantor then on the date such Retiring Guarantor ceases to be a Guarantor:

- (a) that Retiring Guarantor is released by each other Guarantor from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Guarantor arising by reason of the performance by any other Guarantor of its obligations under the Finance Documents; and
- (b) each other Guarantor waives any rights it may have by reason of the performance of its obligations under the Finance Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under any Finance Document or of any other security taken pursuant to, or

in connection with, any Finance Document where such rights or security are granted by or in relation to the assets of the Retiring Guarantor.

11. Additional security

This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Finance Party.
