The director presents his annual report with the unaudited financial statements of the company for the year ended 2 October 2011

### **Principal Activity and Business Review**

The company is dormant and has not traded during the financial year ended 2 October 2011. A taxation debtor of £75,494 is now thought not to be recoverable so has been written off during the year. No other transactions have taken place.

### **Directors**

The directors of the company who served during the year ended 2 October 2011, who were directors for the whole of the year ended on that date, unless otherwise stated, were

S Anderson-Dixon	(resigned 8 July 2011)
K W Ward	(appointed 8 July 2011)

Under the Articles of Association, Directors are not required to retire either by rotation or at the first Annual General Meeting after appointment

### **Statement of Directors' Responsibilities**

United Kingdom company law requires that directors must not approve the financial statements for each financial year unless they are satisfied that they give a true and fair view of the state of affairs of the company as at the end of the financial year and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable accounting standards have been followed, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for the system of internal control, for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Auditors**

The annual accounts for the financial year ended 2 October 2011 have not been audited because the company is entitled to exemption from audit under Section 480 of the Companies Act 2006 (as a dormant company) and no notice requiring the company to obtain an audit of these accounts has been deposited under Section 476 of the Companies Act 2006 (relating to members requesting an audit).
