Directors' report

The directors present their annual report and the financial statements for the 52 weeks period ended 28 December 2013.

Future developments and events after balance sheet date

Details of future developments and events that have occurred after the balance sheet date can be found in the Strategic Report on page 2 and form part of this report by cross reference.

Going concern

The Directors believe that the Company is well placed to manage its business risks successfully despite the current economic environment, which remains challenging. The Johnston Press plc Group has recently extended its financing facilities. The Group's forecasts and projections, taking account of reasonably possible changes in trading performance, show that the Group should be able to operate within the level of its current committed facilities.

After making enquiries, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and financial statements.

Directors

The Directors who served during the period and to the date of this report, unless otherwise stated, are shown on page 1.

Directors' liability

As permitted by the Companies Act 2006, the Company has insurance cover for the Directors against liabilities in relation to the Company.

Financial risk management

The Company's principal liabilities subject to risk are intercompany payables.

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the Company uses short-term intercompany debt finance. The Directors do not consider there to be any risk associated with intercompany balances as these are managed for the Group as a whole by Johnston Press plc.

The Company does not enter into derivative financial instruments for hedging, speculative or any other purposes.

Directors' responsibilities statement

The Directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial period. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
