1 Executive summary

- This progress report covers the period from 31 July 2016 to 30 January 2017
- Creditors were previously notified that the majority of assets held within this Company were sold as part of the pre-packaged transactions. There were no further realisations in this period. (Section 2 Progress to date).
- The Company has a claim in the administration of William Sinclair Horticulture and a dividend of approximately £10,000 £15,000 is anticipated shortly. Along with the current funds held, the dividend from Horticulture will be utilised to cover the costs of the Administration.
- The two secured creditors of this Company are Leumi and the Loan Note Holders. As previously reported, Leumi's indebtedness is likely to be discharged in full through Horticulture and therefore Leumi will not be claiming in the Company under their cross guarantee. No dividend is likely to be distributed to the Loan Note Holders from this entity however it is anticipated they will also make a full recovery across the Group. (Section 3 Dividend prospects)
- There are no employees in the Company and as such, no preferential claims are expected (Section 3 Dividend prospects).
- HM Revenue & Customs ('HMRC') are the only known unsecured creditor. We do not anticipate a distribution to be made available to unsecured creditors. (Section 3 Dividend prospects)
- The administration is currently due to end on 30 July 2017
- Please note you should read this progress report in conjunction with our previous progress reports and proposals issued to the Company's creditors which can be found at http://www.insolvency-kpmg.co.uk/case+KPMG+JF731F3605.html. Unless stated otherwise, all amounts in this progress report and appendices are stated net of VAT

office.

2 Progress to date

This section updates you on our strategy for the administration and on our progress to date. It follows the information provided in our previous progress report.

2.1 Strategy and progress to date

Sale of Business

As previously reported, we completed a sale of the majority of the business and assets of the Group to Westland (GB Trading) Limited ('Westland') on 31 July 2015 for a total consideration of £13 5 million. Included in this sale were the Company's Astley property and one trademark, which were sold for a total of £20,000.

Claim in Horticulture

The Company is also a creditor in the administration of William Sinclair Horticulture Limited ('Horticulture') for the amount of £1.41 million. Although no dividend has been paid in the period, a distribution of approximately 1p in the £ is expected from Horticulture based on current estimates. This would currently result in a dividend of approximately £10,000 - £15,000.

2.2 Asset realisations

Realisations during the period are set out in the attached receipts and payments account (Appendix 2).

Summaries of the realisations during the period are provided below.

Interest on VAT returns

A VAT supplement of £50.84 was received for the late payment of the VAT refund due from HMRC in respect of the December 2015 and March 2016 VAT returns

Bank interest

Bank interested of £9 52 was received in the period from Barclays Bank.

2.3 Costs

There were no payments made during the period.

2.4 Schedule of expenses

We have detailed the unpaid costs incurred during the period, in the schedule of expenses attached (Appendix 3)

3 Dividend prospects

3.1 Secured creditors

Leumi and the Loan Note Holders are both secured creditors who are cross-guaranteed by the Company A distribution of £5 414 million and £5 million was paid to Leumi and the Loan Note Holders respectively from Horticulture in a previous period.

During the period, further distributions of £3 2 million and £1 million have been made to the Loan Note Holders from Holdings and Horticulture respectively

No distributions to the secured creditors are expected from the Company as there are no further assets to be realised. It's likely that the two secured creditors will be fully repaid from the other Group companies

3.2 Preferential creditors

We are not aware of any preferential claims against the Company.

3.3 Unsecured creditors

The only unsecured creditor we are aware of is HMRC Based on current estimates, it is highly unlikely that there will be a dividend to unsecured creditors.

4 Joint Administrators' remuneration and disbursements

Time costs

From 31 July 2016 to 30 January 2017, we have incurred time costs of £10,653 These represent 38 hours at an average rate of £277 per hour.

Disbursements

During the period, we have not incurred any disbursements. The sum of £276 was incurred in a prior period and remains unpaid

Additional information

We have attached (Appendix 4) an analysis of the time spent, the charge-out rates for each grade of staff and the expenses paid directly by KPMG for the period from 31 July 2016 to 30 January 2017. We have also attached our charging and disbursements policy

5 Future strategy

5.1 Future conduct of the administration

We will continue to manage the affairs, the business and the property of the Company in order to achieve the purpose of the administration. This will include but not be limited to

- receipt of dividend from Horticulture;
- completion of ongoing VAT and tax matters,
- completion of ongoing statutory requirements, and
- discharge of the final costs of which will include our remuneration

5.2 Future reporting

We intend to provide our final progress report by 30 July 2017

However, in the unlikely event that an extension request is necessary we will provide a further progress report in advance of the expiry of the administration

Appendix 4 Joint Administrators' charging and disbursements policy

Joint Administrators' charging policy

The time charged to the administration is by reference to the time properly given by us and our staff in attending to matters arising in the administration. This includes work undertaken in respect of tax, VAT, employee, pensions and health and safety advice from KPMG inhouse specialists.

Our policy is to delegate tasks in the administration to appropriate members of staff considering their level of experience and requisite specialist knowledge, supervised accordingly, so as to maximise the cost effectiveness of the work performed. Matters of particular complexity or significance requiring more exceptional responsibility are dealt with by senior staff or us.

A copy of "A Creditors' Guide to Joint Administrators Fees" from Statement of Insolvency Practice 9 ('SIP 9') produced by the Association of Business Recovery Professionals is available at:

https://www.r3.org.uk/what-we-do/publications/professional/fees/administrators-fees

If you are unable to access this guide and would like a copy, please contact Amy Rose on 0115 9353582.

Hourly rates

Set out below are the relevant hourly charge-out rates for the grades of our staff actually or likely to be involved on this administration. Time is charged by reference to actual work carried out on the administration, using a minimum time unit of six minutes.

All staff who have worked on the administration, including cashiers and secretarial staff, have charged time directly to the administration and are included in the analysis of time spent. The cost of staff employed in central administration functions is not charged directly to the administration but is reflected in the general level of charge-out rates.

Table of charge-out rates

Charge-out rates (£) for: Restructuring				
Grade	From 01 Oct 2015 E/hr	From 01 Nov 2016 E/hr		
Partner	595	625		
Director	535	560		
Senior Manager	485	510		
Manager	405	425		
Senior Administrator	280	295		
Administrator	205	215		
Support	125	131		

The charge-out rates used by us might periodically rise (for example to cover annual inflationary cost increases) over the period of the administration. In our next statutory report, we will inform creditors of any material amendments to these rates.

Policy for the recovery of disbursements

Where funds permit the officeholders will seek to recover both Category 1 and Category 2 disbursements from the estate. For the avoidance of doubt, such expenses are defined within SIP 9 as follows:

Category 1 disbursements These are costs where there is specific expenditure directly referable to both the appointment in question and a payment to an independent third party These may include, for example, advertising, room hire, storage, postage, telephone charges, travel expenses, and equivalent costs reimbursed to the officeholder or his or her staff.

Category 2 disbursements. These are costs that are directly referable to the appointment in question but not to a payment to an independent third party. They may include shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis, for example, business mileage.

Category 2 disbursements charged by KPMG Restructuring include mileage. This is calculated as follows.

Mileage claims fall into three categories.

- Use of privately-owned vehicle or car cash alternative 45p per mile
- Use of company car 60p per mile.
- Use of partner's car 60p per mile

For all of the above car types, when carrying KPMG passengers an additional 5p per mile per passenger will also be charged where appropriate

We have not incurred any disbursements during the period

We have the authority to pay Category 1 disbursements without the need for any prior approval from the creditors of the Company.
