Notes to accompany TJ Hughes Limited - Statement of Affairs

We understand that the secured creditors hold cross guarantees across each group company and therefore the full amount of the debt has been applied to the Statement of Affairs

The estimated book values are based upon management accounts to 29 June 2011

Landlord claims have been estimated based upon annual rent, service charges and insurance over the remaining term of the lease

The estimated realisable value of stock has been reduced by £7.5m to reflect potential Retention of Title claims that have been lodged by creditors but that are as yet unproven. The creditor balances reflect the gross creditor positions and we have reduced the total position by the £7.5m. The £7.5m is only an estimate because we are unable to confirm Retention of Title claims within the timescales allowed for the completion of this Statement of Affairs.
