## **Asset realisations**

The principal assets listed in the Declaration of Solvency, sworn by the directors prior to the commencement of the liquidation, were cash at bank of approximately £96,068 and trade debtors of £265,000. The amounts realised are detailed above and as previously reported.

There were no asset realisations during the period, and no further realisations are anticipated.

## **Costs of realisations**

### *Bank charges*

Bank charges totalling £45 were incurred during the period on re-issued distribution payments to Guaranteed Creditors.

## **Creditors**

As previously reported, the Joint Liquidators declared a dividend of 100p in the £ plus statutory interest to the Company's Guaranteed Creditors on 3 September 2021. This distribution totalled £375,000 and constituted:

- £329,484 in respect of the 'shrunk to fit' claims;
- £39,591 of statutory interest; and
- £5,925 of withholding tax ('WHT') in respect of the statutory interest entitlement of nine of the Guaranteed Creditors' claims. The Joint Liquidators paid the WHT to HM Revenue & Customs ('HMRC') on behalf of the relevant Guaranteed Creditors.

In the event, 11 of the payments to Guaranteed Creditors were returned to the liquidation estate bank account by the beneficiary. These returned payments totalled £252,890.45 (being £226,914.98 in 'shrunk to fit' claims and £25,975.47 in statutory interest). Four of these payments, totalling £215,886.91, were re-paid to the relevant Guaranteed Creditors during the period. The remaining six returned payments, totalling £37,003.54, will be re-processed shortly.

## **Tax**

### *Corporation tax*

All pre-liquidation corporation tax matters were handled by Deloitte who prepared and submitted all outstanding returns up to the date of the commencement of the liquidation to HMRC. At the request of the Joint Liquidators, HMRC subsequently confirmed that the Company had no outstanding pre-liquidation corporation tax returns or liabilities.

The post-liquidation bank interest will be reported to HMRC and the tax liability of approximately £40 paid from the liquidation estate bank account accordingly. Post-liquidation corporation tax clearance will then be requested.

#### **VAT/PAYE**

The Company was a member of a VAT group which was disbanded with effect from 16 December 2019. The liquidation of the representative member of the Company's VAT group has been concluded, with HMRC's claim in its liquidation settled in full. On this basis, the Joint Liquidators understand that there are no VAT matters outstanding for the Company or the other members of the VAT group.

The Company has never had any employees and was therefore never registered for PAYE.

The Joint Liquidators have sought clearance from HMRC in respect of PAYE and VAT matters.

#### **Distributions**

No distribution was made to shareholders in the period, and there will be no surplus funds available for future distributions.

#### **Joint Liquidators' remuneration and expenses**

A written resolution was passed on 16 December 2019 that the remuneration of the Joint Liquidators be fixed at their normal charging rates according to the time properly spent by them and members of their staff in attending to matters arising in the winding up of the Company.

During the period of this report, the Joint Liquidators' time costs amounted to 65.6 hours at a total cost of £25,225.75. Please contact Rebecca Woolston on 0203 989 2855, or by email to [Rebecca.Woolston@interpathadvisory.com](mailto:Rebecca.Woolston@interpathadvisory.com), if you would like a detailed schedule of the Joint Liquidators' costs per grade of staff and activity.

The Joint Liquidators' time costs for prior periods total £74,919.20 as set out in earlier reports.

The Joint Liquidators will draw their fee for the liquidation in an amount (inclusive of VAT) equal to the funds remaining in the liquidation estate bank account once the payments to Guaranteed Creditors have been re-issued and any corporation tax liability for the post-liquidation period has been settled. The funds remaining are expected to be approximately £39,000 and the Joint Liquidators will write off the balance of the time costs incurred.

## Schedule of expenses for the period from 16 December 2021 to 15 December 2022

The Joint Liquidators' expenses for the period total £45, as detailed below:

	Paid (£)	Accrued (£)	Total (£)
Bank charges	45	-	45
	45	-	45

In accordance with Rules 18.9 and 18.34 of the Insolvency (England and Wales) Rules 2016, members may request further information about the remuneration and expenses of the Joint Liquidators of the Company or apply to court to challenge the Joint Liquidators' remuneration and expenses on the grounds that they are excessive or that the basis fixed for remuneration is inappropriate.

Signed   
Nick Timpson
