### **REPORT OF THE TRUSTEES** For the Year Ended 30 September 2013

### **GENERAL INTRODUCTION**

The Trustees, who are Directors of the Company for the purposes of the Companies Act, submit their annual report and financial statements of the Kent Beekeepers Association (KBKA / the Company) for the year ended 30 September 2013. The Directors and Trustees confirm that this annual report and financial statements comply with the current Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (revised 2005).

The Director's statement with regard to no audit, financial reporting standard and accounting records appear below on pages 6 and 8.

### **DIRECTORS' AND TRUSTEES' RESPONSIBILITIES**

Company and Charity law applicable to charities in England & Wales requires the Directors and Trustees to prepare financial statements for each financial year which give a fair and true view of the state of affairs of the Company and of the surplus or deficit of the Company for that period. In preparing these financial statements, the directors and trustees have:

- selected suitable accounting policies and applied them consistently;
- made judgements and estimates that are reasonable and prudent;
- stated that applicable accounting standards have been followed
- prepared the financial statements on a going concern basis.

The Directors and Trustees have overall responsibility for ensuring that the Company has an appropriate system of controls in place both financial and otherwise. They also acknowledge that they are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and which enable them to ensure that the financial statements comply with the Companies Act 2006. They also acknowledge that they are responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### METHOD OF APPOINTMENT OR ELECTION OF DIRECTORS

The management of the Company is the responsibility of the Directors who are elected and co-opted under the terms of the Articles of Association.

### **CONSTITUTION POLICIES AND OBJECTIVES**

The Company is registered as a Charitable Company limited by guarantee and was set up by a Memorandum of Association.

The objectives of the Company are to advance the science of apiculture and to promote, foster and encourage education therein. This includes activities open to all for preserving the well being of bees for the benefit of all mankind.

Implementation of the objectives is the responsibility of the Council, which meets periodically during each year. Branch representatives of Council are Directors of the Company. There has been no change in this policy since the last annual report.

When reviewing the Company's policies and objectives and planning activities, the Directors confirm that they have referred to, and complied with the duty in section 4 of the Charities Act 2006 to have due regard to public benefit guidance, as published by the Charity Commission in their general guidance notes.

In furtherance of the above the Company arranges courses to encourage good beekeeping husbandry and management and sponsors all ordinary members who pass the British Beekeepers Association Basic Assessment examination in beekeeping proficiency. A great deal of effort is put into increasing public awareness of the environment, the vital importance of bees and the many benefits of honey. Beekeepers are encouraged to take the British Beekeepers Association examinations to increase both their knowledge and efficiency in the craft and encouragement is given to improve detection and treatment of bee diseases by beekeepers. Advice to the Public is also given about all sorts of bees and other flying insects.

The Council addresses relevant health and safety matters at each meeting and has assessed the major risks to which the Company is exposed. The Directors are satisfied that systems are in place to mitigate the risks and risk assessments are prepared for all events.

### ACHIEVEMENTS, ACTIVITIES AND DEVELOPMENT

The Company had 810 fully registered members (834 in 2012) during the year to 30 September 2013, a decrease of 24 members compared with an increase of 94 members in the previous year. In addition there were a total of 442 non voting members (421 in 2012) comprising 160 friends (133 in 2012), 277 partner members (282 in 2012) and 5 junior members (6 in 2012).

The Company provided displays, demonstrations, information stands, a honey show and a honey-cake cooking competition at the County Showground during the three day Kent County Show (KCS)2013. The number of show and competition classes were successfully increased for 2013 and KBKA were awarded one of the KCS 'Stand Awards' in 2013.

KBKA plays a leading roll in the organisation and sponsorship of the National Honey Show (NHS) each Autumn. A second KBKA honey show took place within the NHS and most branches also hold their own honey shows.

Members and branches all hold regular meetings and also provide support and assistance to teachers in keeping bees in schools and providing bees for education. Lectures, events and training sessions with practical demonstrations on bee husbandry and hive management are also held throughout the year many branches take part in, and contribute to, local events arranged by other organistions at which they publicise beekeeping in its many aspects

KBKA supported the 'Kent County Agricultural Society (KCAS) Living Land Event' at the Kent showground which was attended by over 3000 primary school children.

KBKA also supported the KCAS two day 'Careers Forum' for apprenticeships in BeeKeeping sponsored by the BeeFarmers Association and The Wax Chandlers Company.

The year again saw 25 candidates taking and passing the 'the British Beekeepers Association (BBKA) 'Basic Assessment examination in beekeeping proficiency'. 31 candidates passed the BBKA proficiency 'modules'.

### FINANCIAL REVIEW

The statement of financial activities on page 7 shows total income for the year of £67,067 (2012 £63,224). Reserves (retained funds carried forward) at market value on 30 September 2013 amounted to £160.429 (2012 £141,584).

Total expenses for the year amounted to £59,462 (2012 £56,269) and hence the net KBKA surplus before taking into account unrealised gains on investments was £7,605 (2012 £6,955).

Unrealised gains on investments for the year amounted to £11,240 ( 2011 £9,637).

The total income from Apiary movements and developments and Apiary activities this year was £22,227 (£18,857 in 2012) ie £3,370 more than for 2012. Total expenditure on all apiary activities was £16,107 (£12,538 in 2012) hence the overall result for all apiary activities taken together was a surplus of £6120 very close and slightly less than the surplus of £6,320 in 2012 (see note 2).

The overall KBKA surplus this year is again quoted without any accruals.

### **INVESTMENT POWERS**

The Memorandum of Association authorises the Trustees to make and hold investments using the general funds of the Company without restriction.

### **FUTURE DEVELOPMENTS**

The Directors will continue actively to promote the objectives of the Company by organising lectures, seminars, courses show competitions and demonstrations and by producing informative leaflets etc. They consider that the present level of funding is adequate to support the continuing objectives of the Company and this is kept under regular review.

### TREASURER'S REPORT

They have been prepared in accordance with the Companies Act 2006 and the provisions of the Financial Reporting Standard for smaller entities (effective April 2008) and applicable to companies subject to the small companies regime.
