TO ALL MEMBERS, CREDITORS AND THE REGISTRAR OF COMPANIES

Our Ref MDH/GJB/SLH/JS/E3I/CVLL259

25 April 2013

Dear Sirs

Edward Fox & Son Limited - In Creditors' Voluntary Liquidation ("the Company") Company Number: 00247892
35 Ludgate Hill, Birmingham, B3 1EH

In accordance with Section 104A of the Insolvency Act 1986 and Rule 4 49C of the Insolvency Rules 1986, I enclose a copy of my Progress Report to Creditors. I would remind Creditors that I was appointed as Liquidator of the Company on 1 March 2011 and now report following the end of a second year since my appointment.

Creditors may recall that M T Coyne and I were appointed Joint Administrators of the Company on 15 November 2010. The Administration was concluded and the Company was placed into liquidation on 1 March 2011 and I was appointed sole Liquidator.

Receipts and Payments Account

I attach a copy of my Receipts and Payments Account from 1 March 2012 to 28 February 2013.

Fixed & Floating Charge Assets

Factored Book Debts

Since my last report, I have repaid Aldermore Invoice Finance ("AIF") £770 which was in relation to monies received in error from a debtor which was incorrectly posted to the Company's account

As previously advised, AIF reassigned the ledger to the Company in February 2011 However, despite significant attempts to make recoveries in respect of the remaining ledger, no further recoveries could be made and the remaining ledger has therefore been written off

Investigation

As Liquidator, I was obliged to investigate the affairs of the Company and its Officers during the three years prior to insolvency. I would confirm that my confidential report was submitted to the Insolvency Service in discharge of this duty.

Continued

Liquidator's Actions Since Last Report

I have spent considerable time reviewing the position with regards to the book debts. Matters have been complicated due to the lack of information available in relation to the debtors. This has been primarily as a result of AIF being unable to hand over specific paperwork to support the balances claimed. Accordingly, despite considerable investigations into a number of outstanding accounts, the residual ledger totalling £84,689 was written off as irrecoverable.

I have also spent some time agreeing Preferential Creditor claims to enable a dividend to be paid

Costs of Liquidation

Professional Fees

Agents and Solicitors were instructed during the course of the liquidation. The scope of their engagement as well as the fees paid can be summarised as follows:

Firm Signal Signal	Scope Profession Fees page 1	45
Shakespeare Putsman LLP Solicitors	To provide legal advice with regards to the Administration appointment (Administration expense paid during the Liquidation)	91
Insol Financial Solution Limited	Investigating and reporting on the Company's life and pension schemes 2	50
Corporate Tax Planning Limited	Investigating and reporting on the Company's pension 1 scheme with NFU Mutual	75
Total .		16

Liquidator's Remuneration

The costs of the liquidation paid to date are detailed on the attached Receipts and Payments Account. Since my last report I have drawn fees amounting to £14,000 in dealing with all aspects of the liquidation. I can confirm that £10,046 of this relates to time costs that had accrued in the previous reporting period. The time costs incurred by this firm in the last period amount to £3,954 which equates to 27 hours at an average charge rate of £148 per hour.

This brings the total time costs incurred since my appointment to £15,201 which equates to 101 hours at an average charge out rate of £151 per hour. The basis for drawing my fees and expenses were approved by Creditors at the initial Creditors meeting held on 7 April 2011 and details of the date and content of the resolution passed has been circulated previously

I believe that the other costs of the procedure are self explanatory. However, if any further explanation is required I would be only too happy to provide it upon request

I have attached as Appendix A, a schedule of the routine work undertaken by me as Liquidator to date. In accordance with Statement of Insolvency Practice 9 I append to this report a detailed analysis of time spent on the liquidation since 1 March 2011.
