TRUSTEESS REPORT

The trustees preset their report and the financial statements for the year ended 31 March 2002

RESULTS

The results of the Society for the year ended 31 March 2002 are set out in the financial statements on pages 4 to 12.

REVIEW

During 2001/2, Contemporary Art Society has continued its aim of promoting the collecting of contemporary art through its gifts to museums and the advice offered to companies and individuals. If 2000/1 was the year in which, as is our custom, "we gave it all away", then 2001/2 seems to have been a time when we began to spread the message about CAS further than usual.

In February 2001, CAS was invited by ARCO, the Madrid Art Fair, to participate in celebration of British contemporary art. The Gulbenkian Foundation in London has invited CAS, as consultants, to advise on the acquisitions for the British Collection of the Gulbenkian Foundation, based in Lisbon. With funds from Nancy Balfour's family we published a brief illustrated history of CAS, with an extended essay, which has been a useful introduction.

In June, members enjoyed a visit to Basle, both to the Art Fair and museums in the surrounding area. In July, we took a group of Special Collection Scheme curators to Oporto to see the new museum at Fundação Serralve. The same month saw a possible new venue for ARTfutures but this suddenly became unavailable during the summer which, with no sponsor in view, caused us to postpone the art market until April 2002. In the light of the terrible events of 11 September 2001, this decision appears to have been only too timely. In September, an exhibition of new work by Tony Cragg, organised by Contemporary Art Society Projects for the Somerset House Trust, opened on the Terrace of Somerset House. As with the work for clients including Pearson's, Unilever and The Economist, not only do such projects earn fees for CASP but also broaden the audience for contemporary art by extending venues in which it can be seen to effect.

In the same month, Birmingham saw the opening, by Cherie Booth QC, of the Water Hall, adjacent to The City Art Gallery. As a direct result of the Special Collection Scheme and its role in extending Birmingham's collection of contemporary paintings, the City of Birmingham decided to develop a permanent gallery for the display of their collection of paintings and sculpture from 20th and 21st centuries. The collection of contemporary metalwork, purchased through SCS, is also on permanent view.

During the year, two major initiatives have been developing. One is our fundraising appeal Catching Comets, announced by the Chairman last year. The other is new membership initiative, Blood, which is still in its earliest stages but aims to increase impact of CAS on the widest possible audience, in London and beyond and through the internet.

A new project which involves all aspects of CAS work was given Lottery funding through Scottish Arts Council at the turn of the year. Over the next two years, CAS staff will investigate the level of private, corporate and museum collecting throughout Scotland and then seek to find strategies to expand and develop this. This is the result of many years discussion and planning and we are delighted that we have won such recognition for our achievements as well as extending our ability to encourage collecting in Scotland through gifts and advice.

We are grateful, as always, to all the organisations that support and help to fund us, especially the Arts Council of England and the Henry Moore Foundation and to the individuals who have contributed to the Catching Comets appeal to enable us to increase our purchases on behalf of member museums. During 2001/2, three experts were invited to purchase works on behalf of CAS with a view to the next Distribution of gifts in 2004 and discussions have been held with relevant funding bodies about future initiatives.

TRUSTEES REPORT (continued)

RESERVES POLICY

Each year the trustees examine the requirement for free reserves which are those unrestricted funds not invested in fixed assets, designated for specific purposes or otherwise committed. The trustees review the level of funds that the charity has available to meet its future developments and initiatives, to provide for fluctuations in income and to take due account of contractual obligations, in accordance with guidelines issued by the Charity Commission.

The trustees have conducted their annual review of reserves and are satisfied that they are adequate to support the current level of activity and forecast growth contained in CAS forward financial plans. As at 31 March 2002 free reserves amount to £661,514 (2001-£623,548)

RISK MANAGEMENT

The major risks to which the Society is exposed, as identified by the trustees, are being reviewed and a system is being established to mitigate those risks.

TRUSTEES

The trustees set out in the table below have held office during the whole of the year from 1 April 2001 to the date of this report unless otherwise stated.

Oliver Prenn - Chairman Philip Hewat-Jabor Lance Blackstone - Company Secretary Sean Rainbird

Pesh Franjee - Honorary Treasurer Doris Lockhart Saatchi - joined 26 September 2001

Mark Stephens - Honorary Solicitor Roberta Thomson

Jolyon Barker Edwin Wulfsohn - joined 13 December 2001

Janice Blackburn - resigned 11 October 2001

STATEMENT OF TRUSTEES' RESPONSIBILITY

Company Law requires the trustees to prepare financial statements for each financial year which give true and fair view of the state of affairs of the Society at the end of the financial year and its surplus and deficit for the financial year. In doing so, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for the safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS / Mazars Naville Rusell have signified their willingness to continue office.

Chairman Dated: 237) July 2002

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF

THE CONTEMPORARY ART SOCIETY

We have audited the financial statements on pages 4 to 12. These financial statements have been prepared under the historical cost convention modified by the revaluation of investment assets and the accounting policies set out on pages 6 and 7.

Respective responsibilities of Trustees and auditors

As described in the Statement of Trustees' Responsibilities the Trustees, who are also the directors of the Contemporary Art Society for the purpose of company law, are responsible for the preparation of the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act. We also report to you if, in our opinion, the Report of the Trustees is not consistent with the financial statements, if the Society has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding Trustees' remuneration and transactions with the Society is not disclosed.

We read the other information contained in the Annual Report, and consider whether it is consistent with the audited financial statements. Our responsibilities do not extend to any other information.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Trustees in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Society's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the Society and of the group as at 31 March 2002 and of its incoming resources and application of resources, including its income and expenditure, in the year then ended and have been properly prepared in accordance with the Companies Act 1985.

The financial statements on pages 4 to 12 were approved by the Trustees on : 11 th July 2002

Chairman

Dated:

23 20 July 2002

NOTES TO THE FINANCIAL STATEMENTS For the year ended 31 March 2002

1. ACCOUNTING POLICIES

(a) Basis of accounting

The financial statements have been prepared under the historical cost convention, with the exception of investments which have been included at market value and stocks which are at replacement value. The financial statements comply with the Statement of Recommended Practice "Accounting and Reporting by Charities" (SORP2000) issued in October 2000 and applicable accounting standards. Where appropriate corresponding figures for the preceding year have been recomputed for comparability.

Consolidated accounts have been prepared for the Society which include its subsidiary company Contemporary Art Society Projects Limited. The Society has taken advantage of the exemption under s230 of the Companies Act 1985 not to publish its own individual statement of financial activities. The net surplus of the parent undertaking was £38,950.

(b) Incoming resources

All income is accounted for on a receivable basis.

(c) Expenditure

Expenditure is classified under the principal categories of charitable and other expenditure rather than the type of expense, in order to provide more useful information to users of the financial statements.

Charitable expenditure and administration costs comprise direct expenditure including direct staff costs attributable to the activity. Where costs cannot be directly attributed they have been allocated to activities on a basis consistent with the use of the resources. Fundraising and publicity costs are those incurred in seeking voluntary contributions for the Society, and in publicising the Society. Management and administration costs are those incurred in connection with the management of the Society's assets, organisation administration and compliance with constitutional and statutory requirements.

(d) Fund accounting

General funds are available for use at the discretion of the trustees in furtherance of the general objectives of the Society.

Designated funds comprise funds which have been set aside at the discretion of the trustees for specific purposes. The purpose and use of the designated funds are set out in the notes to the financial statements.

Restricted funds are funds subject to specific restriction imposed by donors or by the purpose of the appeal.

NOTES TO THE FINANCIAL STATEMENTS For the year ended 31 March 2002 (continued)

1. **ACCOUNTING POLICIES (continued)**

(e) Tangible fixed assets

Tangible fixed assets are stated at cost. Depreciation is provided on all tangible assets at rates calculated to write off the cost less estimated residual value of each asset evenly over its expected useful life as follows:

Computer equipment Other equipment

20% per annum

10% per annum

(f) Investments

Investments are stated at market value. It is the Society's policy to keep valuations up to date such that when investments are sold there is no gain or loss arising. As a result the Statement of Financial Activities only includes those unrealised gains and losses arising from the revaluation of the investment portfolio throughout the year.

31.03.2002

31 03 2001

Stock (g)

3.

Stock comprising works of art and frames is valued at replacement cost.

Donations

The Elephant Trust - Gives an annual grant to support Contemporary Art Society Tours

NOTES TO THE FINANCIAL STATEMENTS For the year ended 31 March 2002 (continued)

10. SUBSIDIARY COMPANY

The Society has a wholly owned subsidiary, Contemporary Art Society Projects Limited, which is incorporated in the UK. Contemporary Art Society Projects Limited receives fees for advice pertaining to the purchases of works of contemporary art and commission from the organisation of the sales of works of art. Profits are passed to the Society by means of gift aid. Three members of the committee of the Society sit on the Board of Contemporary Art Society Projects Limited but receive no remuneration for so doing.

A summary of Contemporary Art Society Projects Limited's transactions for the year ended 31 March 2002 is set out below. All income and expenditure has been included in the statement of financial activities. Full accounts have been filed with the Registrar of Companies.

Fees receivable and interest are included within the relevant caption of the Consolidated Statement Of Financial Activities, the expenditure have been included within resources expanded according to the nature of activities carried out.
