By way of extension of these powers such sale, calling in and conversion may be done for such consideration in such form and upon such terms as to payment and otherwise as Arbuthnot or any Receiver or Administrator shall think fit.

8 APPOINTMENT OF RECEIVER OR ADMINISTRATOR AND THEIR POWERS**8.1 Appointment of a Receiver or an Administrator**

In case of the removal, retirement or death of any Receiver or Administrator, Arbuthnot may appoint another in his place. At the time of his appointment (or at any time afterwards) Arbuthnot may fix the remuneration of a Receiver on such basis as Arbuthnot shall determine.

EXECUTION VERSION

such time and on such terms as he shall think fit, necessary or expedient and whether in his name or the name of the Chargor and without being under any obligation to take or omit to take any action which the Chargor, but for the appointment of the Receiver, would or might have considered to be in the Chargor's interests. A receiver shall have the powers granted by the Law of Property Act 1925 to any receiver appointed under such Act and all the powers of an administrative receiver under Schedule 1 of the Insolvency Act 1986. A Receiver shall also have the power on behalf and at the cost of the Chargor, and in the Chargor's name or otherwise, to do or omit to do anything which the Chargor could do or omit to do or could have done or omitted to do but for any incapacity or the appointment of a liquidator, Administrator or equivalent officer in relation to the Chargor or its Charged Assets.

However the power of sale and the other powers conferred on mortgagees by that Act shall apply to this security but without the Act's restrictions as to giving notice or otherwise. Accordingly, for the purposes of a sale or other exercise of any such powers, the whole of the Secured Liabilities shall be treated as due and payable on the date hereof.

9.2 Non-consolidation

If it does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received, or was treated as having received, such notice. From that time all payments made by the Chargor to Arbuthnot shall be credited, or be treated as having been credited, to the new account. These payments shall not operate to reduce the amount secured by this Deed when Arbuthnot received or was treated as having received such notice.

All monies received by Arbuthnot or by an Administrator or Receiver (as the case may be) under or by virtue of this Deed shall be applied (so far as the law permits) in the following order:

- (b) in or towards payment of any debts or claims which are by statute payable in preference to the Secured Liabilities but only to the extent to which those debts or claims have such preference;
- (c) in payment to Arbuthnot of the Secured Liabilities due to Arbuthnot in such order as Arbuthnot in its absolute discretion thinks fit; and then
- (d) in payment to the Chargor of any surplus (which shall not carry interest) which may be paid into any of the Chargor's bank accounts including an account opened specifically for such purpose. Arbuthnot shall then have no further liability for the surplus.

Following the enforcement of this Deed, any monies received by Arbuthnot may be appropriated by Arbuthnot in its discretion in or towards the payment and discharge of any part of the Secured Liabilities.

EXECUTION VERSION**10.3 Suspense accounts**

Arbuthnot or the Administrator or Receiver (as the case may be) may credit any monies to a suspense account for so long and in such manner as Arbuthnot may from time to time determine. The Administrator or Receiver (as the case may be) or Arbuthnot may retain the same for such period as the Administrator or Receiver (as the case may be) and Arbuthnot consider expedient.

11 PROTECTION OF THIRD PARTIES**11.1 Third party payments**

No person paying or handing over monies to an Administrator or Receiver (as the case may be) and obtaining a discharge shall have any responsibility or liability to confirm the correct application of such monies.

11.2 Third party dealings

No person dealing with Arbuthnot, or an Administrator or Receiver (as the case may be), need enquire:

- (a) whether any event has happened giving either Arbuthnot or the Administrator or Receiver (as the case may be) the right to exercise any of his powers;
- (b) as to the propriety or regularity of any act purporting or intending to be an exercise of such powers;
- (c) as to the validity or regularity of the appointment of any Administrator or Receiver (as the case may be) purporting to act or to have been appointed as such; or
- (d) whether any of the Secured Liabilities remain unsatisfied.

11.3 Statutory protection

Arbuthnot (and its nominees) and any Administrator or Receiver (as the case may be) shall also be entitled to be indemnified out of the Charged Assets in respect of all losses, actions, claims, expenses, demands and liabilities incurred by them in the execution, or purported execution, of any of the rights vested in them under this Deed.

13.3 Tax indemnity

The Chargor agrees to indemnify Arbuthnot and any Administrator or Receiver (as the case may be) on demand against all present or future stamp or other taxes or duties and any penalties or interest with respect thereto which may be imposed by any competent authority in connection with the execution or enforcement of this Deed or in consequence of any payment made pursuant to this Deed being challenged or declared void for any reason whatsoever.

- (i) any amount received or recovered by Arbuthnot in respect of any of the Secured Liabilities which is converted in accordance with Clause 13.4(a) into the currency in which such liability was payable; and
 - (ii) the amount payable to Arbuthnot under this Deed in the currency of such liability.

14 PAYMENTS, DISCHARGE AND SET-OFF**14.1 Payments without deduction**

All payments shall be made into such account(s) as Arbuthnot may from time to time specify for the purpose.

14.2 Set-off

Without prejudice to any right of set-off or combination of accounts contained in any Finance Document, Arbuthnot may at any time following the occurrence of a Termination Event without notice to the Chargor combine or consolidate all or any amounts standing to the credit of the Chargor's account or accounts with Arbuthnot and/or set off any amount owed by Arbuthnot to the Chargor against any obligation (whether or not matured) owed to Arbuthnot by the Chargor whether or not each is expressed in the same currency.

14.3 Gross-up and tax receipts

If the Chargor is required by law to make a deduction or withholding from any payment made under this Deed, then the sum payable by the Chargor shall be increased to the extent necessary to ensure that, after the making of such deduction or withholding, Arbuthnot receives and retains (free from any liability related to such deduction or withholding) a net sum equal to the sum which it would have received and retained had no such deduction or withholding been made or required to be made. The Chargor will pay the amount deducted or withheld to the relevant tax or other authorities within the time allowed for such payment under applicable law and will deliver to Arbuthnot within 30 days of making such payment an original receipt or other evidence issued by the relevant authority showing that payment has been made in full.

Arbuthnot will also, at the request and cost of the Chargor, transfer to the Chargor any of the Charged Assets of the Chargor which have been assigned or transferred to Arbuthnot. If any Charged Assets transferred or assigned to Arbuthnot were fungible, Arbuthnot may transfer to the Chargor assets of the same class, denomination and quality rather than the identical Charged Assets transferred or assigned to it under this Deed.

EXECUTION VERSION

The Chargor consents to any such transfer (whether by novation, assignment, or otherwise).

16.2 No transfers by the Chargor

17 MISCELLANEOUS**17.1 Delays and omissions**

No delay or omission on the part of Arbuthnot in exercising any right or remedy under this Deed shall impair that right or remedy or operate as or be taken to be a waiver of it. Any single, partial or defective exercise of any such right or remedy shall not prevent the further exercise of that or any other right or remedy.

17.2 Cumulative rights

Arbuthnot's rights under this Deed are cumulative. They are not exclusive of any rights provided by law. They may be exercised from time to time and as often as Arbuthnot sees fit.

17.3 Waivers

Any waiver by Arbuthnot of any terms of this Deed or any consent or approval given by Arbuthnot under it shall only be effective if given in writing. Such consent and approval shall then only apply for the purpose stated and be subject to any written terms and conditions imposed by Arbuthnot.

17.4 Illegality

If at any time any one or more of the provisions of this Deed is or becomes illegal, invalid or unenforceable in any respect under the laws of any jurisdiction then neither the legality, validity or enforceability of the remaining provisions of this Deed nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall be in any way affected or impaired as a result.

EXECUTION VERSION**17.5 Arbuthnot's certificates**

Any certificate signed by a director or authorised officer of Arbuthnot as to the amount of the monetary obligations comprised in the Secured Liabilities at the date of that certificate shall, in the absence of manifest error, be conclusive evidence of that amount and be binding on the Chargor to whom such certificate is addressed.

17.6 Counterparts

This Deed may be executed in any number of counterparts and by different parties on separate counterparts each of which, when executed and delivered, shall constitute an original and all the counterparts together shall constitute but one and the same instrument.

17.7 Paper

The paper on which this Deed is written is, and will remain at all times, the property of Arbuthnot, even after the discharge of this security.

17.8 Access and Inspection

For the purpose of gaining access to or inspecting or (following any Termination Event which is continuing) taking possession of any of the computer equipment, computer data, books, documents and other records included in or relating to the Charged Assets or for the purpose of taking copies of any of such data, books, documents and records any duly authorised official of Arbuthnot and any Administrator or Receiver (as the case may be) and any person authorised by such Administrator or Receiver (as the case may be) shall have the right at any time to enter upon any premises at which the Chargor carries on business and upon any other premises in which any part or all of such computer equipment, computer data, books, documents and other records are for the time being kept or stored.

- (c) The submission to the jurisdiction of the courts referred to in Clause 18.2(a) shall not (and shall not be construed so as to) limit the right of Arbuthnot to take proceedings against the Chargor in any other court of competent jurisdiction nor shall the taking of proceedings in any one or more jurisdictions preclude the taking of proceedings in any other jurisdiction, whether concurrently or not.
- (d) The Chargor hereby consents generally in respect of any legal action or proceeding arising out of or in connection with this Deed to the giving of any relief or the issue of any process in connection with such action or proceeding including, without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment which may be made or given in such action or proceeding.

IN WITNESS whereof the Chargor has duly executed this Deed as a deed and intends to deliver and hereby delivers the same on the date first above written and, prior to such delivery, this Deed has been duly signed on behalf of Arbuthnot, in the manner appearing below.
