4. PROGRESS DURING THE PERIOD

Attached at Appendix 1 is my abstract of receipts and payments for the period from 29 September 2013 to 28 September 2014

I refer to my previous annual & final report dated 25 November 2011 within which a final meeting of members was convened for 26 January 2012. At the final meeting of members held on 26 January 2012 the liquidation was concluded and I obtained my release as Liquidator. The Company was then dissolved by the Registrar of Companies on 15 May 2012.

As detailed in my final report dated 25 November 2011 and my receipts & payments account as at that date there have been no realisations during the period of this report.

Post Dissolution Events

In December 2014, I made an application to the Court for restoration of the Company. The sole reason it was sought to restore the name of the Company to the Register of Companies was to recover the sum of £89,835.76 that is owed to the Company as compensation from Natwest Bank Plc ("the Bank"). This compensation was due to the Company following a review by the Bank in August 2014, in accordance with the standards agreed with the Financial Conduct Authority ("FCA") and the review principles published by the FCA, in respect of the Bank mis-selling an interest rate hedging product known as Vanilla Swap with trade reference D801437540. Once the funds have been recovered from the Bank in due course it is my intention to distribute the funds to the shareholders (less costs), and conclude the liquidation of the Company and then dissolve the Company once more.

5. CREDITORS

As in any liquidation, in a members' voluntary liquidation creditors are required to prove their claims and the liquidators must examine the proofs and the particulars of the claims and admit them, in whole or in part, or reject them. The liquidators must then settle the priorities of the creditors (as between secured, preferential and unsecured creditors) before paying them in full with statutory interest.

As detailed in my last report the creditors have been paid in full. There are no further claims are expected.

6. DISTRIBUTIONS TO MEMBERS

The following distributions have been made to the shareholders as detailed in my last report dated 25 November 2011.

On 02/11/2010 cash distribution totalling £340,000
On 08/07/2011 cash distribution totalling £99,000
On 08/07/2011 distribution in specie totalling £883,406
On 25/11/2011 final cash distribution totalling £1,423.59

As detailed above, a further distribution will be made to the shareholders upon receipt of the funds from the Bank.

7. REMUNERATION & DISBURSEMENTS

My remuneration had been fixed as a set amount of £6,000 plus VAT and direct disbursements at the first meeting of members held on 29 September 2010. A further fee of £2,000 plus VAT was approved on 14 July 2011 by postal votes by the shareholders. The total of £8,000 was drawn from the liquidation estate.

We were also authorised to draw disbursements, including disbursements for services provided by our firm (defined as category 2 disbursements in Statement of Insolvency Practice 9), in accordance with our firm's policy, details of which were presented to the general meeting of the Company at which various resolutions, including the special resolution that the Company be wound up voluntarily, were passed.

8. LIQUIDATOR'S EXPENSES

A statement of the expenses incurred during the period since my appointment on 29 September 2010 is attached at Appendix 2.

9. ASSETS THAT REMAIN TO BE REALISED

As detailed in my last report all the assets disclosed in the Declaration of Solvency sworn by the directors had been realised. There were no further realisations expected during period of this report. However, as detailed above, the Company is due a compensation from the Bank which will be recovered in due course.

10. OTHER RELEVANT INFORMATION

As stated above, this report is issued in compliance with the provisions of Section 92A of the Insolvency Act 1986 following the restoration of the Company and the Court state that the Company be continue in Members' Voluntary Liquidation.
