## Strategic Report for the Period from 19 September 2021 to 17 September 2022

### Review of the business

The principal activity of the company is that of a holding company within the Associated British Foods plc group (the “group”). The principal activities of the subsidiaries were the international processing and manufacture of food and food ingredients, and textile retailing.

During the period the main activities of the company remained unchanged and the directors anticipate that the company will continue to operate on the same basis.

### Principal risks and uncertainties

A full description of the principal risks and uncertainties applicable to the Associated British Foods plc group, of which this company is a subsidiary, are disclosed on pages 94 to 101 of the 2022 Annual Report, which is available at [www.abf.co.uk](http://www.abf.co.uk).

### Trading results

The company’s result for the year is reflected in the statement of total comprehensive income on page 9. The profit on ordinary activities after taxation amounted to £36m (2021: profit of £1m). A dividend of £493m was paid in the period (2021: nil).

### Engaging with our stakeholders - Section 172 Statement

The directors are required to act in a way which they consider, in good faith, is most likely to promote the success of the company for the benefit of its members as a whole and, in doing so, have regard (amongst other matters) to the matters set out in section 172(1)(a) to (f) of the Companies Act 2006.

The company is a subsidiary of Associated British Foods plc and, as such, the company has adopted and directors have due regard to applicable group policies and procedures which impact on the company’s stakeholders, including those referred to on page 71 of the Associated British Foods plc Annual Report and Accounts 2022. Please also see the Associated British Foods plc section 172 statement on pages 64 to 68 of that document.

### Stakeholders and engagement

The key stakeholders with whom engagement is fundamental to the Company’s ongoing success are:

- subsidiaries of the company
- its shareholder

### *Subsidiaries of the company*

The company forms part of the group of companies headed by Associated British Foods plc and the company’s accounts are consolidated into the Associated British Foods plc accounts. Group companies can provide financial and other support to each other and the sharing of best practice and know-how between the businesses within the broader group is actively encouraged. The Company is kept up to date on key businesses activities and decisions of its subsidiaries and provides all necessary support.

## **Directors' Report for the Period from 19 September 2021 to 17 September 2022**

The directors present their annual report and the financial statements for the period from 19 September 2021 to 17 September 2022.

### **Dividends**

A dividend of £493m was paid in the period (2021: £nil).

### **Engagement with employees**

The company does not have any employees however its subsidiaries employed on average 132,273 people during the period. For further information please refer to the accounts of the relevant subsidiaries or to the full disclosures on pages 77 to 80 in the Associated British Foods plc annual report for the year ended 17 September 2022, available at [www.abf.co.uk](http://www.abf.co.uk).

### **Engagement with suppliers, customers and others in a business relationship with the Company**

A description of the company's stakeholders and the engagement with them is disclosed in the section 172 statement on pages 1-2.

### **Energy Usage**

The company's energy usage information is included in the consolidated accounts of its parent, Associated British Foods plc. For further information please refer to full disclosures made in the Associated British Foods plc annual report for the year ended 17 September 2022.

### **Going Concern**

The Company has received a letter of support from its parent company, Associated British Foods plc, indicating that it will receive the financial and other support necessary for the Company to trade and meet its liabilities as and when they become due for a period of twelve months from the date of signing of these financial statements.

After making enquiries and considering the support available from the parent company described above, the directors have a reasonable expectation that the Company has adequate resources to continue in operation for 12 months from the date of signing of these financial statements. These considerations included the ABF group's directors' assessment of going concern (set out in the Annual Report and Accounts dated 8 November 2022 and available at [www.abf.co.uk](http://www.abf.co.uk)), which included the significant levels of cash and undrawn committed long-term facilities available to the group and the ABF group's directors' stress testing of cash flow forecasts through to 2 March 2024, and an assessment of any developments since that date that would adversely affect that conclusion. Accordingly, the financial statements have been prepared on the going concern basis.

JL Edwards (appointed 15 July 2022)

### **Directors' Indemnities**

The directors have benefited from ABF group's Directors' and Officers' Insurance policy.

### **Health & Safety**

The company, and the broader group of which it forms part, keeps its health, safety and environmental performance and levels of legal compliance under regular review and ensures that its risk management controls are appropriate and effective.

### **Disclosure of information to the auditor**

Each director has taken steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information. The directors confirm that there is no relevant information that they know of and of which they know the auditor is unaware.

### **Reappointment of auditor**

The auditor Ernst & Young LLP is proposed to be reappointed under section 489(4)(a) of the Companies Act 2006.

## Statement of Directors' Responsibilities

The directors acknowledge their responsibilities for preparing the Strategic report, the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 'Reduced Disclosure Framework' ('FRS 101').

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether FRS 101 has been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **Independent Auditor's Report to the Members of ABF Investments plc**

### **Opinion**

We have audited the financial statements of ABF Investments plc (the 'Company') for the period from 19 September 2021 to 17 September 2022, which comprise the Statement of Total Comprehensive Income, Balance Sheet, Statement of Changes in Equity, and related notes 1 to 16, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 101 'Reduced Disclosure Framework' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 17 September 2022 and of its profit for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard as applied to other entities of public interest, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern until 2 March 2024.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report. However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

### **Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

## **Independent Auditor's Report to the Members of ABF Investments plc (continued)**

### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and Directors' Report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and Directors' Report have been prepared in accordance with applicable legal requirements.

### **Matters on which we are required to report by exception**

In the light of our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report and the Directors' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of directors**

As explained more fully in the Statement of Directors' Responsibilities set out on page 5, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

### **Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud**

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management.

## Independent Auditor's Report to the Members of ABF Investments plc (continued)

### Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud, continued.

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the company and determined that the most significant are the reporting framework (FRS 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice), Companies Act 2006 and relevant laws and regulations in the UK.
- We understood how ABF Investments plc is complying with those frameworks by observing the oversight of those charged with governance, the culture of honesty and ethical behaviour and whether a strong emphasis is placed on fraud prevention, which may reduce opportunities for fraud to take place, and fraud deterrence, which could persuade individuals not to commit fraud because of the likelihood of detection and punishment. We corroborated our enquiries through reading board minutes and consideration of our audit procedures across the company.
- We assessed the susceptibility of the company's financial statements to material misstatement, including how fraud might occur by understanding which areas of the business present potential fraud risk areas (through assessing the presence of opportunities, incentives or potential rationalisation to commit such acts of fraud), understanding where these risks could present themselves and subsequently identifying the process level controls in place to prevent, or detect and correct them. Combining this with our consideration of entity level controls, which has evidenced management's behaviour and the culture embedded within the Company, we have gained a detailed understanding of the overall susceptibility to fraud.
- Based on this understanding we designed our audit procedures to identify noncompliance with such laws and regulations. We performed detailed testing around manual journals for identified fraud risks, corroborating transactions where necessary to underlying supporting documentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

### Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## Notes to the Financial Statements

### 1 Authorisation of the financial statements and statement of compliance with FRS 101

The financial statements of ABF Investments plc (the “company”) for the 52 week period ended 17 September 2022 were authorised for issue by the board of directors on 28 February 2023.

The company’s financial statements are presented in sterling, rounded to the nearest million pounds (£m), except where otherwise indicated. They are prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101) and the Companies Act 2006.

The company has taken advantage of the disclosure exemptions permitted by FRS 101 in relation to financial instruments, capital management, presentation of a cash flow statement, standards not yet effective, impairment of assets and certain related party transactions. Where required, equivalent disclosures are given in the consolidated financial statements of Associated British Foods plc.

The company has also taken advantage of the exemption under s400 of the Companies Act 2006 not to prepare group accounts as it is a wholly owned subsidiary of Associated British Foods plc and its results are included in the parent company’s consolidated financial statements. These consolidated financial statements are available to the public and may be obtained from Associated British Foods plc, Weston Centre, 10 Grosvenor Street, London, W1K 4QY. They are also available for download on the group’s website at [www.abf.co.uk](http://www.abf.co.uk).

#### Going Concern

The Company has received a letter of support from its immediate parent company, Associated British Foods plc, indicating that it will receive the financial and other support necessary for the Company to trade and meet its liabilities as and when they become due for a period of twelve months from the date of signing of these financial statements.

After making enquiries and considering the support available from the immediate parent company described above, the directors have a reasonable expectation that the Company has adequate resources to continue in operation for 12 months from the date of signing of these financial statements. These considerations included the ABF group’s directors’ assessment of going concern (set out in the Annual Report and Accounts dated 8 November 2022 and available at [www.abf.co.uk](http://www.abf.co.uk)), which included the significant levels of cash and undrawn committed long-term facilities available to the group and the ABF group’s directors’ stress testing of cash flow forecasts through to 2 March 2024, and an assessment of any developments since that date that would adversely affect that conclusion. Accordingly, the financial statements have been prepared on the going concern basis.

The company is a public limited company incorporated in Great Britain and domiciled in England and Wales.

These accounts have been prepared for the 52 week period ended 17 September 2022.

### 2 Accounting policies

#### Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

## Notes to the Financial Statements

### 2 Accounting policies (continued)

#### Taxation

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities based on tax rates and laws that are enacted or substantively enacted at the balance sheet date.

Deferred tax is provided on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantively enacted at the balance sheet date.

#### Investments in subsidiaries and joint ventures

The company values its investments in subsidiaries at cost less any provision for impairment.

#### Dividends

Dividends payable and receivable are recognised in the year in which they are paid or received.

#### Leases

A lease is an agreement whereby the lessor conveys to the lessee, in return for a payment or a series of payments, the right to use a specific asset for an agreed period.

Where the company is a lessee, the following accounting policy applies:

##### Right-of-use assets

Right-of-use assets are recognised at the commencement date of the lease, which is the date the underlying asset is available for use. Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for subsequent remeasurement of lease liabilities.

The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received.

Right-of-use assets are depreciated on a straight-line basis over the shorter of the estimated useful life and the lease term. Right-of-use assets are subject to impairment.

Right-of-use assets are subsequently measured at cost less accumulated depreciation and any impairment losses, adjusted for any remeasurement of the lease liability.

 Registered number 00306672

## Notes to the Financial Statements

### 2 Accounting policies (continued)

#### Lease liabilities

Lease liabilities are recognised at the commencement date of the lease and are measured at the present value of lease payments to be made over the lease term, discounted using the incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable.

Lease payments include fixed payments, including in-substance fixed payments, and variable lease payments that depend on an index or a rate, less any lease incentives receivable.

After the commencement date of the lease, the lease liability is subsequently measured at amortised cost using the effective interest rate method. The carrying amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made.

In addition, the carrying amount of lease liabilities is remeasured when there is a change in future lease payments due to a change in the lease term, a change in the in substance fixed lease payments or a change in the assessment to purchase the underlying asset.

#### Financial assets and liabilities

Financial assets and liabilities are measured initially at fair value plus directly attributable transaction costs and thereafter at amortised cost.

Allowance for doubtful debts is recognised based on management's expectation of losses without regard to whether an impairment trigger happened or not (an "expected credit loss" model).

### 3 Auditor's remuneration

The auditor's remuneration of £12k was borne by Associated British Foods plc.

### 4 Directors' remuneration

Key management, which is limited to the named directors of the company, received no emoluments in respect of their services to this company in either the current or the prior period, as those services were inconsequential to the company.

	2022 £ m	2021 £ m
<b>Current taxation</b>		
Current tax credit	<u>(2)</u>	<u>(10)</u>

The tax on profit before tax for the period is lower than the standard rate of corporation tax in the UK of 19% (2021 - lower than the standard rate of corporation tax in the UK of 19%).

The differences are reconciled below:

	2022 £ m	2021 £ m
Profit/(loss) before tax	<u>34</u>	<u>(9)</u>
Corporation tax at standard UK rate of 19% (2021: 19%)	6	(2)

A list of the related undertakings of the company is given on pages 17 to 64. Shares in each undertaking are held by a member of the Associated British Foods plc group of companies, except for shares in those entities marked with an asterisk, which are held directly by the company. The percentages given show the company's ultimate interest and therefore allow for the position where interests in subsidiaries, joint ventures and associates are held by partly owned intermediate subsidiaries.

In the opinion of the directors the value of investments in subsidiaries and joint ventures is not less than the value at which they are included in the balance sheet
