Report of the Directors for the Year Ended 31 October 2002

STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS

The auditors, Haslam Tunstall, will be proposed for re-appointment in accordance with Section 385 of the Companies Act 1985.

ON BEHALF OF THE BOARD:

E McManus (Chairman) - Director

8 July 2003

Report of the Independent Auditors to St Helens Rugby Football Club Limited Under Section 247B of the Companies Act 1985

We have examined the abbreviated financial statements on pages six to nineteen, together with the full financial statements of the company for the year ended 31 October 2002 prepared under Section 226 of the Companies Act 1985.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the abbreviated financial statements in accordance with Section 246A of the Companies Act 1985. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated financial statements prepared in accordance with Section 246A(3) of the Act to the Registrar of Companies and whether the financial statements to be delivered are properly prepared in accordance with that provision and to report our opinion to you.

Basis of opinion

We have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated financial statements and that the abbreviated financial statements to be delivered are properly prepared. The scope of our work for the purpose of this report did not include examining or dealing with events after the date of our report on the full financial statements.

Opinion

In our opinion the company is entitled to deliver abbreviated financial statements prepared in accordance with Section 246A(3) of the Companies Act 1985, and the abbreviated financial statements on pages six to nineteen are properly prepared in accordance with that provision.

Other information

On 8 July 2003 we reported, as auditors to the shareholders of the company on the financial statements for the year ended 31 October 2002 prepared under Section 226 of the Companies Act 1985, and our report was as follows:

"We have audited the financial statements of St Helens Rugby Football Club Limited for the year ended 31 October 2002 on pages six to twenty. These financial statements have been prepared under the historical cost convention (as modified by the revaluation of certain fixed assets) and the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As described on pages two and three the company's directors are responsible for the preparation of financial statements in accordance with applicable law and United Kingdom Accounting Standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Report of the Directors is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Report of the Directors and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board, except that the scope of our work was limited as explained below.

Report of the Independent Auditors to St Helens Rugby Football Club Limited Under Section 247B of the Companies Act 1985

An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. However, the evidence available to us was limited because we were appointed auditors on 14 November 2002 and in consequence we were unable to carry out auditing procedures necessary to obtain adequate assurance regarding the opening balances of the company which in the previous year had been subject to a qualified audit report from the previous auditors. Any adjustments to these figures would have a consequential significant effect on the loss for the year.

In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Qualified opinion arising from limitation in audit scope

Harlam Tumbin

Except for any adjustments that might have been found to be necessary had we been able to obtain sufficient evidence concerning the opening position of the company, in our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 October 2002 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

In respect alone of the limitation on our work relating to the opening balances:

we have not obtained all the information and explanations that we considered necessary for the purpose of our audit; and we were unable to determine whether proper accounting records had been maintained. "

Notes to the Abbreviated Financial Statements for the Year Ended 31 October 2002

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

Due to the continued support from the directors and the club's bankers, the directors believe it is appropriate to prepare the accounts on a going concern basis.

Accounting convention

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

Turnover

Turnover represents net invoiced sales of services, excluding value added tax.

Intangible Fixed Assets

The costs associated with the acquisition of players' registrations are capitalised as intangible fixed assets. These costs are fully amortised, in equal installments, over the period of the player's initial contract.

Signing-on fees payable to the players are recognised as part of wages and salaries in the profit and loss account, charged evenly over the football seasons covered by the player's contract.

The cost of the repurchase of the restaurant and bar lease is capitalised as an intangible fixed asset and is amortised by annual amounts ending on 31 December 2002.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Freehold property - 2% on cost

Fixtures, Fittings and Machinery - 10% on reducing balance

Motor vehicles - 25% on cost
Computer equipment - 33.3% on cost

Stocks

Stock is valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

Rentals paid under operating leases are charged to the profit and loss account as incurred.

Pensions

The company operates a defined contribution pension scheme. Contributions payable for the year are charged in the profit and loss account.
