REPORT OF THE DIRECTORS

The Directors present their Annual Report together with the Audited Accounts of the Company for the year ended 30th September, 1993.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Company has continued throughout the year to trade as Diamond Tools Manufacturers.

AUDITOR'S REPORT
TO THE MEMBERS OF
INDUSMOND (DIAMOND TOOLS) LIMITED

We have audited the financial statements on pages 7 to 14 which have been prepared under the historical cost convention and the accounting policies set out on page 9.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

As described on page 4 the Company's Directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

BASIS OF OPINION

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

OPINION

In our opinion the financial statements of the Company at 30th September, 1993 have been properly prepared in accordance with the provisions of the Companies Act, 1985 applicable to small companies.

YEAR ENDED 30TH SEPTEMBER, 1993

1. ACCOUNTING POLICIES

The Accounts are prepared under the historical cost convention, and in accordance with applicable accounting standards. The following accounting policies have been applied:

a. Depreciation

Depreciation is calculated so as to write off the cost of fixed assets over their expected useful working lives as follows:-

	<u>Annual Rate</u>	<u>Basis</u>
	<u>$\frac{\%}{}$</u>	
Office Furniture & Equipment	15	Reducing Balance
Motor Vehicles	25	Reducing Balance

b. Stock

Stock is valued at the lower of cost and net realisable value after making due allowance for any obsolete and slow moving items.

c. Turnover

Turnover represents invoiced value of goods and services supplied by the Company to third parties excluding Value Added Tax, and net of credits for goods returned.

d. Deferred Taxation

Provision is made for timing differences between the treatment of certain items for taxation and accounting purposes, to the extent that it is probable that a liability or asset will crystallise.
