DIRECTORS' REPORT

Accounts

The Directors submit to the shareholders their report and accounts for the year ended 3 March 2005.

Principal activity and review of business development

The company operates thirteen nursing and residential homes for the elderly. The homes are managed by Highfield Group under a management contract.

Results and dividends

The loss for the year after tax amounted to £44,365 (2003/4 - £320,447). The directors do not recommend the payment of a dividend.

Directors

The Directors of the company at the year end are listed on page 1.

Directors' interests

The beneficial interests of the directors in shares and options over the ordinary shares in the holding company, Whitbread PLC including shares under the Whitbread PLC Share Ownership Scheme are disclosed in the accounts of Whitbread Plc (AC Parker) and Whitbread Hotel Company Limited (GRL Windle, P Dempsey and SP Lambert).

Auditors

The company has elected under the elective regime (s386) to dispense with the obligation to appoint auditors annually and Ernst & Young LLP are deemed to be reappointed.

By order of the board

SECRETARY

26 June 2006

STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RELATION TO FINANCIAL STATEMENTS

The following statement, which should be read in conjunction with the auditors' statement of their responsibilities set out on page 4, is made with a view to distinguishing for shareholders the respective responsibilities of the directors and of the auditors in relation to the financial statements.

The directors are required by the Companies Act 1985 to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the profit or loss for the financial year.

The directors consider that in preparing the financial statements on pages 5 to 12 the company has used appropriate accounting policies, consistently applied and supported by reasonable and prudent judgements and estimates, and that all applicable Accounting Standards have been followed. The financial statements have been prepared on a going concern basis.

The directors have responsibility for ensuring that the company keeps accounting records which disclose with reasonable accuracy the financial position of the company and which enable them to ensure that the financial statements comply with the Companies Act 1985.

The directors have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT

to the members of St. Andrews Homes Limited

We have audited the company's financial statements for the year ended 3 March 2005 which comprise the Profit and Loss Account, Balance Sheet, Accounting Policies and related notes 1 to 16. These financial statements have been prepared on the basis of the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As described in the Statement of Directors' Responsibilities the company's directors are responsible for the preparation of the financial statements in accordance with applicable United Kingdom law and accounting standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors remuneration and transactions with the company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the company at 3 March 2005 and of the loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

ACCOUNTING POLICIES

Accounting convention

The accounts are prepared under the historical cost convention as modified by the revaluation of property, and in accordance with applicable Accounting Standards. In accordance with the exemption granted by s228 Companies Act 1985, the company does not prepare consolidated group accounts, as a subsidiary undertaking of a European Economic Area parent company.

Tangible fixed assets

Fixed assets are stated at cost.

Depreciable fixed assets are written off on a straight line basis over their estimated useful lives as follows:

- Freehold land is not depreciated
- Freehold buildings are depreciated to their estimated residual values over periods up to 50 years.
- Leasehold properties are depreciated to their estimated residual values over the shorter of 50 years, their estimated useful lives and their remaining lease periods.
- Retail furniture, fixtures and equipment are depreciated over 4 to 25 years.
- Motor vehicles are depreciated over 4 to 10 years.

The carrying values of tangible fixed assets are reviewed for impairment if events or changes in circumstances indicate that the carrying value may not be recoverable. Any impairment in the value of the fixed assets below depreciated historical cost is charged to the profit and loss account. Profits and losses on disposal of fixed assets reflect the difference between net selling price and net book value at the date of disposal.

Turnover

Turnover is the value of goods and services sold, within the UK, as part of the company's continuing ordinary activities after deducting sales based taxes.

Leases

Assets acquired under finance lease are capitalised in the balance sheet and depreciated over their useful lives. The interest element is charged to the profit and loss account over the term of the contract. Rental payments in respect of operating leases are charged against operating profit on a straight line basis over the period of the lease.

Taxation

Deferred tax is recognised in respect of all timing differences that have originated but not been reversed by the balance sheet date. Deferred taxation is not recognised when an asset is sold if it is more likely than not that the taxable gain will be rolled over. Deferred taxation assets are recognised to the extent that they are regarded as recoverable. Provisions for deferred taxation are not discounted. Deferred tax assets and liabilities are calculated using the tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates that have been enacted or substantively enacted by the balance sheet date.

Cashflow

As permitted by Financial Reporting Standard No.1 (revised) a cashflow has not been prepared as the company is a wholly owned subsidiary of a European Community parent.

Comparative amounts

Comparative amounts are restated where necessary to conform to current presentation.

NOTES TO THE ACCOUNTS**1. PROFIT AND LOSS ACCOUNT DETAILS**

	<u>2004/5</u>	<u>2003/4</u>
	£	£
Operating loss is after charging:
