### 1 Accounting policies

#### 1.1 Accounting convention

The financial statements are prepared under the historical cost convention modified to include the revaluation of freehold land and buildings and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

#### 1.2 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

#### 1.3 Tangible fixed assets and depreciation

Tangible fixed assets include investment properties valued on an existing use open market value basis. Other tangible fixed assets other than freehold land are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation less estimated residual value of each asset over its expected useful life, as follows:

Freehold buildings	- 2% Straight line
Leasehold buildings	- 2% Straight line
Computer equipment	- 20% Reducing balance
Fixtures, fittings & equipment	- 10% Reducing balance
Motor vehicles	- 25% Reducing balance

Investment properties are revalued annually by the directors on an open market basis. No depreciation is provided on freehold investment properties or on leasehold investment properties where the unexpired lease term exceeds 20 years. Net surpluses are credited to revaluation reserves. Deficits that arise on revaluation and expected to be permanent are written off to the profit and loss account. Other deficits on revaluation and not expected to be permanent, are taken to the statement of total recognised gains and losses.

#### 1.4 Stock

Stock is valued at the lower of cost and net realisable value.

#### 1.5 Pensions

The pension costs charged in the financial statements represent the contributions payable by the company in the period to which they relate.

#### 1.6 Deferred taxation

Deferred tax is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted. No provision has been made for deferred tax on gains recognised on revaluing property to its market value as the company does not intend to sell the revalued assets.
