JOINT ADMINISTRATORS' PROGRESS REPORT

3 SEPTEMBER 2008

1. PURPOSE OF REPORT

This report is prepared pursuant to Rule 2 47 of the Insolvency Rules 1986 (as amended) The purpose of the report is to provide creditors with information relating to the progress of the administrations from 7 February 2008 to 6 August 2008

2. JOINT ADMINISTRATORS' APPOINTMENT

Lynn Robert Bailey, Lindsey Jane Cooper and Simon Peter Bower of Baker Tilly Restructuring and Recovery LLP, St Philips Point, Temple Row, Birmingham, B2 5AF were appointed Joint Administrators ('Administrators') of Ivle Realisations Limited ("Ivle") (formerly Elvi Limited), Elvi Investments Limited ("Investments") and Elvi Holdings Limited ("Holdings") ("the Companies" or "the Group") on 7 February 2008 by the directors of the Companies

The notices of appointment were filed in the Birmingham High Court of Justice under reference numbers 9057, 9058 and 9059 respectively, all of 2008

The Administrators' appointment specified that they would have power to act jointly and severally. The Administrators have exercised and will continue to exercise all of their functions jointly and severally as stated in the notice of appointment.

3. COMPANY DETAILS

The registered numbers of the Companies are 489332, 416970 and 3338735 respectively

The Registered Office of the Companies is c/o Baker Tilly Restructuring and Recovery LLP, St Philips Point, Temple Row, Birmingham, B2 5AF

4. RECEIPTS AND PAYMENTS SUMMARY

We attach as Appendices A1 and A2 receipts and payments summaries for Ivle and Investments (there have been none made in Holdings) for the period from 7 February 2008 to 6 August 2008

Sale of business

Following national advertising, the Administrators received enquiries from a number of interested parties. Best and final bids were requested and following a full cost-benefit review of the offers received, the business (excluding the freehold property and book debts) was sold to GDCO 57 Limited ('GDCO'') for £900,000 on 15 February 2008

Of this amount, £300,000 was paid for the Elvi trade mark held by Investments, with the balance allocated to plant, fixtures and fittings and stocks owned by Ivle

The sale maintained all of Ivle's trading outlets and included the transfer of all staff thus extinguishing large potential redundancy claims. It also helped to negate potential claims from landlords as all of the leases (of which there were 28) have been assigned or are in the process of being assigned to GDCO or surrendered as appropriate.

Trading

As detailed in our report dated 6 March 2008, the Administrators traded the operation for a short period whilst marketing the business until the above sale. The trading surplus during this period is currently estimated at £167,000 before tax

Freehold Land and Property

The initial valuation of the freehold head offices in Redditch, comprising a warehouse with an integral office building and a yard, was between £1 275m and £1 45m, the range being based upon break-up and going concern valuation methods provided by our property agents, GVA Grimley ("GVA") who were instructed to offer the property for sale

Due to the downturn in market conditions, GVA warned that we could expect to have to offer significant discount to achieve a sale. Furthermore, holding the property for a substantial period would mean incurring significant costs.

Interest was received from a number of parties and three formal offers were received. The best of these, an offer of £1 25m which was recommended by GVA, was accepted from PJS Mouldings Limited in May and the sale completed on 31 July 2008.

Following the purchase of the business. GDCO were granted a 3 month license at a market rent equating to £125,000 per annum GDCO were given a further 2 months license at the same rate with total realisations from this source of £52,083

Debtors

The book debts due from the concession hosts totalled approximately £600,000 at our appointment with collections to date totalling £488,760

Cash at Bank

Monies collected from Ivle's pre appointment sterling, Euro and US dollar accounts with the Royal Bank of Scotland totalled £510,312

Leasehold properties

Following the sale of the business GDCO has remitted approximately £1m in respect of rent for the period 15 February to 14 August 2008 Of this amount £407,357 has been paid to the relevant landlords on assignment, surrender or forfeit of the lease. The balance is to be paid over to landlords on the assignment of the leases

Refunds

Utility refunds, primarily in respect of business rates, totalling £30,767 have been received to date. We have engaged CAPA to assist with collections in respect of potential overpayments of rates prior to our appointment, and they have been paid £1,771

Interest

Interest of £28,292 (Ivle) and £5,496 (Investments) has been earned from funds held on deposit

Prescribed Part

There have been no payments to unsecured creditors in relation to the Prescribed Part (Section 176A of the Insolvency Act 1986 (as amended)

The "Prescribed Part" is a statutory amount of each company's assets subject to a floating charge to be set aside for the benefit of non-preferential creditors Although the provisions are applicable, as there are floating charge debentures granted by the Companies since September 2003, it is not expected that they will have a material impact in this matter

5. DIVIDEND PROSPECTS FOR CREDITORS

Secured Creditors

HSBC Bank plc ("the Bank") has a legal charge over the freehold premises in Redditch and was owed approximately £1 6m by Holdings at our appointment with the charge granted by Ivle who owned the freehold and provided a guarantee

Following the sale of the property a fixed charge distribution of £1,262,147 was made by Ivle to the Bank, whose residual indebtedness now stands in the region of £414,000 and will rank as an unsecured claim against Holdings

The floating charge holder Pass Manufacturing Limited ('Pass''), who held a debenture supported by a Group guarantee, has been paid c£255,000 with approximately £25,000 outstanding pending formal confirmation of the total indebtedness to Pass

Pass also holds loan notes with a value of some £944,000 which they claim are also secured by the floating charge. The Administrators have sought directions from the Court as to whether these loan notes are covered by the charge, with the hearing to determine their status expected to be held towards the end of the year.

Preferential Creditors

Potential preferential claims in respect of wages and holiday pay did not crystallise in the Administrations as these liabilities were dealt with or transferred to the purchaser of the business

Unsecured Creditors

Unsecured creditors expected to rank for dividend were estimated at some £6 17m in the directors' Statement of Affairs for Ivle with Investments and Holdings having no unsecured creditors, apart from any shortfall due in respect of the Group VAT registration from Ivle, and the balance due to the Bank

The unsecured claims received to date total £4 12m

The estimated return to unsecured creditors at the time of the Administrators proposals was in the region of 5-18p in the pound, before costs and taxation and depending on whether the loan notes referred to above were caught under the floating charge or not Pending the result of the Court hearing to determine the status of the loan notes, it is not possible to estimate the amount or timing of a dividend to unsecured creditors

6 CONDUCT OF THE ADMINISTRATION

We summarise below the main aspects of work undertaken since our appointment

- 1) Trading the business for a short period after our appointment,
- 2) Selling the business to GDCO
- 3) Dealing with the formal assignment/surrender of the Group's 28 leasehold properties,
- 4) Realising the freehold property,
- 5) Corresponding with the concession stores in relation to book debts,

- Preparing the proposals to creditors, holding creditors' meetings and reporting on the outcome of the meetings thereafter,
- 7) Liaising with the Bank and floating chargeholder,
- 8) Dealing with unsecured creditors correspondence and telephone enquiries,
- 9) Completing statutory returns, and
- 10) General day to day administration including cashiering

7. ASSETS REMAINING TO BE REALISED

Debtors with a realisable value of some £15,000 remain outstanding and are expected to be collected in full

The Administrators continue to realise monies due in respect of rent for the leaseholds that have yet to be assigned to GDCO, which in turn will be passed on to the respective landlords

8. ADMINISTRATORS' PROPOSALS

Our Proposals were approved at the meetings of creditors which were held on 26 March 2008. We continue to work towards the expected exit route for each of the Companies being by way of Creditors' Voluntary Liquidation.

9. EXTENSION OF THE ADMINISTRATION

There have been no extensions of the administrations to date

10. ADMINISTRATORS' REMUNERATION AND DISBURSEMENTS

Time costs and fees drawn to date

The basis of the Joint Administrators' remuneration was approved by creditors at the meetings held on 26 March 2008, when the following resolution was passed

'The Joint Administrators shall be authorised to draw their remuneration based upon time costs incurred by them in the Administration, to be paid out of the assets of the Company in accordance with Rule 2 106(2) (b) "by reference to the time properly given by the Administrators and their staff, in attending to matters arising in the administration"

As at 6 August 2008 we had drawn a total of £224,689 90 plus VAT from the estate of Ivle on account of our time costs incurred

Attached are the following

- Appendix B Baker Tilly Restructuring and Recovery LLP charging, expenses and disbursements policy statement
- Appendix C Time and charge out summary

- Appendix D Charge out bands and disbursement rates
- Appendix E Summary of payments to office holder and associated parties

A total of 1,635 hours have been spent by our staff in the administration of the estates from the date of appointment to 31 July 2008, the latest practicable date prior to the end of this reporting period, at an average hourly charge out rate of £155 92

Analysis of time spent in administration of the estate

Our staff have carried out the following tasks

a) Administration and Planning

This includes dealing with the commencement of the Administrations, statutory filing of appointment documents with Companies' House, requesting the submission of the Statement of Affairs and filing it at Companies' House, together with day-to-day administration duties. These include but are not limited to handling receipts and payments, VAT and Corporation Tax issues such as the VAT returns, pension queries and general correspondence.

b) Realisation of Assets

Our staff have been employed on various matters, including liaising with interested parties, agents and solicitors in respect of the sale of the business, realisation of the freehold property, dealing with leasehold properties including discussions with our solicitors and GDCO concerning the amounts due under the leases, collecting overpaid business rates, and reconciliations and collections of debts from the concession outlets. Asset realisation is considered to be a key aspect of the Administration

c) Trading

Our staff had to set up accounts with suppliers in order to trade on an ongoing basis. Payments to suppliers and general correspondence with these have been undertaken. Since trading has ceased, accounts have been closed and final bills paid.

d) Creditors

Queries from and correspondence with creditors and employees have been necessary aspects of the Administration process. This includes dealing with creditors Retention of Title claims as appropriate. The preparation of the Administrators' Proposals has been undertaken including the attendant aspects of providing and obtaining the required information, convening the creditors meeting etc. A brief report on the outcome of the creditors' meeting has been prepared. Ongoing liaison with the Bank in respect of the freehold property and with the floating chargeholder, including distributions, has been carried out.
