#### REPORT OF THE DIRECTORS

The directors present their report together with financial statements for the year ended 31 October 2002.

#### Principal activities

The group is principally engaged in the manufacture and sale of traditional English furniture.

### Results and dividends

The group loss for the year after taxation amounted to £423,000. The directors do not recommend the payment of a dividend, and the loss has been transferred to reserves.

#### Review of the business and future developments

The operating result achieved during 2002 was marginally less, 1.32% than that for the previous year despite the reduction of sales of 13%. During the year the directors continued to take steps to reduce costs and the amount of stock held. The closure of a manufacturing unit was also undertaken and steps were invoked to improve manufacturing efficiency at the Newhaven plant.

The directors consider that improved productivity and further cost reductions will allow the company to meet the continuing challenges of an increasingly competitive world furniture market.

#### **Directors**

The directors in office during the year are listed below.

B B Funnell

J D Cotton (resigned 12 March 2003)

T G Vermeer

D W Bradfield

P J Braithwaite (resigned 2 November 2002)

E Coles (resigned 19 December 2002)

S R Funnell (appointed 22 July 2002)

M J Petry

None of the directors had any interest in the shares of the company at 1 November 2001, or date of appointment if later, or 31 October 2002.

At 31 October 2002 468,000 shares in the company were owned by Heatherside Trust Limited, which was wholly owned by B B Funnell (1 November 2001: 468,000 shares).

## Property valuation

The directors consider the current value of properties to be in excess of book value (other than investment properties which have been included at directors' estimate), however, they cannot justify the expense of new professional valuations and therefore any difference cannot be quantified.

#### REPORT OF THE DIRECTORS

### Statement of directors' responsibilities for the financial statements

Company law in the United Kingdom requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and the group and of the profit or loss of the group for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- \* state whether applicable Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- \* prepare the financial statements on the going concern basis unless it is inappropriate to presume that the group will continue in business.

The directors are responsible for keeping proper accounting records, for safeguarding the assets of the group and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Employee involvement

The group has continued its practice of keeping employees informed of matters affecting them as employees and the financial and economic factors affecting the performance of the group by regular meetings between Management and Briefing Groups representatives.

### **Employment of disabled persons**

The policy of the group within the United Kingdom is to consider all job applications equally and employ disabled persons where appropriate.

#### **Auditors**

Grant Thornton and Norman Ball, Jordan & Co., offer themselves for reappointment as auditors in accordance with Section 385 of the Companies Act 1985.

By Order of the Board

Secretary

#### REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF

#### **BEVAN FUNNELL LIMITED**

We have audited the financial statements of Bevan Funnell Limited for the year ended 31 October 2002 which comprise the accounting policies, the group profit and loss account, the statement of total recognised gains and losses, the balance sheets, the group cash flow statement and notes 1 to 24. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### Respective responsibilities of the directors and auditors

The directors' responsibilities for preparing the directors' report and the financial statements in accordance with applicable United Kingdom law and accounting standards are set out in the statement of directors' responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom auditing standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read other information contained in the directors' report, and consider whether it is consistent with the audited financial statements. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

### Basis of opinion

We conducted our audit in accordance with United Kingdom auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

#### Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the group and the company as at 31 October 2002 and of the loss for the group for the year then ended and have been proper prepared in accordance with the Companies Act 1985.

#### **ACCOUNTING POLICIES**

The financial statements have been prepared in accordance with applicable Accounting Standards under the historical cost convention, as modified by the revaluation of the investment properties.

The principal accounting policies of the group are set out below. They have remained unchanged from the previous year, except for the policy on deferred tax which has been updated following the introduction of FRS19.

### BASIS OF CONSOLIDATION

The group financial statements consolidate the financial statements of the company and its subsidiary undertakings. All accounting periods terminate on 31 October apart from the two overseas subsidiary undertakings which, for administrative reasons, end on 31 July, which is the date to which they are consolidated. All intra-group profits are eliminated on consolidation.

Goodwill arising on consolidation, representing the excess of the fair value of the consideration over the fair value of the identifiable net assets acquired, is dealt with as explained in the goodwill policy below.

#### **GOODWILL**

As a matter of accounting policy, purchased goodwill first accounted for in accounting periods ending before 23 December 1998, the implementation date of Financial Reporting Standard No 10, was eliminated from the financial statements by immediate write off on acquisition against reserves. Such goodwill will be charged to the profit and loss account on the subsequent disposal of the business to which it relates. Similarly the capital reserve, which arose in an earlier year on acquisition of the minority interests in certain subsidiary undertakings, has been eliminated against reserves.

#### **TURNOVER**

Turnover is the total amount receivable by the group in the ordinary course of business with outside customers for goods supplied excluding VAT and trade discounts.

#### DEPRECIATION

Depreciation is calculated to write down the cost of tangible fixed assets, other than freehold land and the investment properties, to their estimated residual value by equal annual instalments over their expected useful lives.

The periods generally applicable are:

Freeholds - UK properties Freeholds - overseas properties Plant, machinery and vehicles 50 years 10 to 20 years 5 to 20 years

#### INVESTMENT PROPERTIES

In accordance with Statement of Standard Accounting Practice No 19, the group's properties held for long-term investment comprising of one long leasehold and one freehold property are included in the balance sheet at their open market values. The surplus or deficit on revaluation of these properties are transferred to an investment property revaluation reserve. Neither of the investment properties are amortised.

This policy represents a departure from statutory accounting principles. The directors consider that this policy is necessary in order that the financial statements may give a true and fair view, because current values and changes in current values are of prime importance rather than the calculation of systematic annual depreciation.

### ACCOUNTING POLICIES

#### **STOCKS**

Stocks are stated at the lower of cost and net realisable value.

#### **DEFERRED TAX**

Deferred tax is recognised on all timing differences where the transactions or events that give the group an obligation to pay more tax in the future, or a right to pay less tax in the future, have occurred by the balance sheet date. Deferred tax assets are recognised when it is more likely than not that they will be recovered. Deferred tax is measured using rates of tax that have been enacted or substantively enacted by the balance sheet date.

#### FOREIGN CURRENCIES

In individual companies, monetary assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date, whereas non monetary assets and liabilities are translated using the rate of exchange ruling at the date of acquisition. Exchange profits or losses arising on trading are accounted for through the profit and loss account.

On consolidation, assets, liabilities and the operating results of overseas subsidiary undertakings are translated into sterling at the rates of exchange ruling at their balance sheet date. Exchange differences arising from the restatement of opening balance sheets of these subsidiary undertakings are dealt with through reserves.

#### **INVESTMENTS**

Fixed asset investments are included at cost less amounts written off.

Current asset investments are included at the lower of cost and net realisable value. Market value is shown by way of note.

## **LEASING**

Operating lease rentals are charged to the profit and loss account on a straight line basis over the lease term.

#### PENSION COSTS

The pension costs charged against profits represent the amount of the contributions payable to defined contribution schemes in respect of the accounting period.

3

# 1 TURNOVER AND LOSS ON ORDINARY ACTIVITIES BEFORE TAXATION

The turnover and loss on ordinary activities are attributable to the principal activity, the manufacture and sale of traditional English furniture.

An analysis of turnover by geographical market is given below:		
	2002	2001
	£'000	£'000
United Kingdom	4,467	5,028
Europe	2,920	3,328
North America	2,429	3,179
Other	906	820
	10,722	12,355
Loss on ordinary activities is stated after:		
	2002	2001
	£'000	£'000
Operating lease payments - land and buildings	107	106
Auditors' remuneration - audit services	30	36
- non audit services	6	6
Depreciation	218	237
Profit on disposal of fixed assets	(1,382)	(7
INTEREST PAYABLE	2002 £'000	2001 £'000
On bank loans and overdrafts	53	71
DIRECTORS AND EMPLOYEES		
Staff costs during the year were:		
	2002	2001
	£'000	£'000
Wages and salaries	4,975	5,495
Social security	477	510
Other pension costs	15	16
Redundancy costs	303	
	5,770	6,021
The average number of employees of the group during the year was:		
	Number	Number
Production	257	281
Others	53	57
	310	338

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 October 2002

Remuneration in respect of directors was as follows:	i	
	2002 £'000	2001 £'000
Management remuneration	238	303
	2002 £'000	2001 £'000
Highest paid director	53	60

In addition to the above, a consultancy fee of £28,000 (2001: £22,000) in respect of services rendered outside the United Kingdom was paid to an off shore company controlled by Mr B B Funnell.

### 4 TAX ON LOSS ON ORDINARY ACTIVITIES

Based on the result for the year as follows:

based of the result for the year as follows.	2002 £'000	2001 £'000
Overseas tax	23	67
Adjustments in respect of prior years Corporation tax Overseas tax	(6) 17	1 (14) 54

The tax assessed for the year is different to the standard rate of corporation tax in the UK as explained

below:	2002 £'000	2001 £'000
Loss on ordinary activities before tax	(406)	(860)
Loss on ordinary activities multiplied by standard rate of corporation tax in the UK of 30%	(122)	(258)
Tax effect of: Expenses not deductible for tax purposes Non taxable income Excess of depreciation charge for the period over capital	7 -	32 35
allowances Higher rates on overseas earnings	154 (4)	205 (11)
Adjustments to tax charge in respect of prior periods Adjustments in respect of capital disposals	(6) (371)	(13) 25

2,453

2,409

## 11 BANK OVERDRAFTS

The overdrafts are secured by a fixed charge over UK freehold property.

### NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 October 2002

13

### 12 OTHER CREDITORS: AMOUNTS FALLING DUE WITHIN ONE YEAR

	Group 2002	Group 2001	Company 2002	Company 2001
	£'000	£'000	£'000	£'000
Trade creditors	546	490	477	430
Amounts owed to group undertakings	-	-	2,160	2,132
Corporation tax and overseas tax	7	43	-	-
Social security and other taxes	135	178	131	173
Accruals	477	537	451	433
	1,165	1,248	3,219	3,168
DEFERRED TAX	Group 2002 £'000	Group 2001 £'000	Company 2002 £'000	Company 2001 £'000
Not provided				
Accelerated capital allowances	66	220	66	226
Trading losses	(595)	(555)	(595)	(502)
Other timing differences	(26)	(66)		-
-	(555)	(401)	(529)	(276)

A deferred tax asset on the excess of unutilised trading losses and other timing differences over accelerated capital allowances has not been recognised as it is uncertain whether suitable taxable profits will be available in the future to offset against these amounts.

No capital tax charge is expected to arise on the sale of any of the revalued assets.

Deferred tax has not been provided on earnings retained overseas as no binding agreement to transfer funds from overseas subsidiaries to the parent company exists.
