DIRECTORS' REPORT

FOR THE YEAR ENDED 28TH FEBRUARY 2002

The directors present their report together with the audited accounts for the year ended 28th February 2002.

Principal Activities and Review of Business

The company's principal activity continued to be that of corn and agricultural merchants..

Results and Dividends

The results for the year are set out in the profit and loss account on page 4.

Although the Directors report a reduction in turnover, consolidation of staff and related costs have enabled the company to report a profit for the year. The Directors anticipate improving on this position in the coming year.

The directors recommend dividends amounting to £160 (2001 £160).

Directors

The directors who served during the year and their beneficial interests in the company's issued share capital were: Ordinary Shares

	28th	ist
	February	March
	2002	2001
W F Sandercock	5,130	5,130
M Sandercock	11,970	11,970
J Sandercock (App 11.05.01)	-	-

Political and Charitable Contributions

The company made no political or charitable contributions during the year.

Directors' Responsibilities

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of the company's affairs and of the profit or loss for that year. In preparing these accounts the directors are required to:

Select suitable accounting policies and then apply them consistently;

Make judgements and estimates that are reasonable and prudent;

Prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the company and enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

DIRECTORS' REPORT

FOR THE YEAR ENDED 28TH FEBRUARY 2002

Auditors

A resolution to reappoint Place Flight Chartered Accountants as auditors will be put to the members at the Annual General Meeting.

This report was approved by the board on 16th April 2002, and signed on its behalf.

M Sandercock, Secretary

16th April 2002

AUDITORS' REPORT TO THE

SHAREHOLDERS OF BODLE BROS LIMITED

We have audited the accounts on pages 4 to 11 which have been prepared in accordance with the Financial Reporting Standard for Small Enterprises (effective March 2000) under the historical cost convention and the accounting policies set out on page 6.

Respective Responsibilities of Directors and Auditors

As described on page 1 the company's directors are responsible for the preparation of the accounts. It is our responsibility to form an independent opinion, based on our audit, on those accounts and report our opinion to you.

Basis of Opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of the information in the accounts.

Opinion

In our opinion the accounts give a true and fair view of the state of the company's affairs as at 28th February 2002 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

the

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 28TH FEBRUARY 2002

1 Accounting Policies

Basis of Accounting

The Accounts have been prepared under the historical cost convention.

The company has taken advantage of the exemptions in Financial Reporting Standard No. 1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

Turnover

Turnover is the total amount receivable by the company for goods supplied and services provided, excluding VAT and trade discounts.

Depreciation

Depreciation is calculated to write down the cost or valuation less estimated residual value of all tangible fixed assets other than freehold land by reducing balance method over their expected useful lives. The rates and periods generally applicable are:

Freehold properties
Plant and machinery
Motor vehicles

nil

15% Reducing balance

25% Reducing balance

No depreciation is provided on freehold properties asit is Company policy to maintain these assets in a continual state of sound repair. The useful economic lives of these assets are thus so long and residual values so high that any depreciation would not be material. Residual values are based on prices prevailing at the date of acquisition or subsequent valuation. Provision is made in the profit and loss account for any permanent diminution in value.

Investments

Investments are included at cost less amounts written off. Profits or losses arising from disposals of fixed asset investments are treated as part of the result from ordinary activities.

Stocks

Stocks are stated at the lower of cost and net realisable value.

Contribution to Pension Funds

Leased Assets

Assets held under finance leases and hire purchase contracts are capitalised in the Balance Sheet and depreciated over their expected useful lives. The interest element of leasing payments represents a constant proportion of the capital balance outstanding and is charged to the Profit and Loss Account over the period of the lease.

All other leases are regarded as operating leases and the payments made under them are charged to the Profit and Loss Account on a straight line basis over the lease term.

2 Turnover

The turnover was derived from the company's principal activity which was carried out wholly in the UK.

NOTES TO THE ACCOUNTS

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 28TH FEBRUARY 2002

The Directors have carried out an internal impairment review and consider that no provision for depreciation is required on Freehold Land and Buildings in accordance with the accounting policy on page 6.

The Freehold Property was revalued on 18th April 1990 at an open market value of £575000 by Derek A Thurlow and partners, Chartered Building Surveyors.

A further informal property valuation was carried out in 1996 by J Ferdinando Chartered Surveyor and Valuer which valued the property at £500000. In view of the movements in the UK property market in recent years, the directors do not believe that any reduction in the valuation of freehold land and buildings should be made in these accounts.

10 Fixed Assets Investments

		Loans	Shares in Group Undertakings	Investments Other than Loans	Total
