The director acknowledges her responsibility for

- (i) ensuring that the company keeps proper accounting records which comply with section 221 of the Act, and

LEGGE & SON LTD
NOTES TO THE ABBREVIATED ACCOUNTS
YEAR ENDED 28 FEBRUARY 2007

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005)

Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the year

Fixed assets

All fixed assets are initially recorded at cost

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows

Freehold Property	- Nil
Plant & Machinery	- 15% on net book value
Office Equipment	- 15% on net book value

Investment properties

Investment properties are included in the accounts at cost less depreciation to the date that they became investment properties. This treatment is not in accordance with Statement of Accounting Practice No 19 which requires investment properties to be stated at open market value. The director does not believe that the cost of obtaining a valuation would be justified or that the resulting information would enhance the shareholder's understanding of the company's affairs.

Deferred taxation

No provision for deferred tax has been made in these financial statements as, in the opinion of the director, there is reasonable probability that no liability will arise in the foreseeable future.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.
