**1 ACCOUNTING POLICIES**

**Accounting convention**

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

**Turnover**

Turnover represents the value of sales to customers and rent due from tenants for the year exclusive of value added tax

Depreciation has not been provided on the investment property as it was revalued at open market value at 30 June 2011 by the directors. This is in accordance with the treatment of investment properties in the Financial Reporting Standards for Smaller Entities (effective April 2008). This constitutes a departure from the statutory rules requiring fixed assets to be depreciated over their estimated useful lives, and is necessary to enable the financial statements to give a true and fair view.
