### **Directors' report**

### Year ended 30 April 2012

The directors present their report and the audited financial statements of the company for the year ended 30 April 2012

#### Principal activities and business review

The company carries out the business of retail and wholesale distribution of dental and other healthcare products

The Gross margin during the 12 month period resulted in 22 7% and the company reported an operating loss of £1,605k

The UK dental market continues to be in a difficult position with investment in capital goods, both in general dental practices and in the public sector business, at the lowest level for years. This follows the current general economic situation and the company undertook measures to improve future profitability and competitiveness. Our parent company continues to support the management of the company in its goals to improve the business.

#### **Future developments**

On the 30 April 2012 the disposal J S Davis,a division of the company, was sold at open market value to Mr D Davis a former director of the company

#### Results and dividends

The loss for the year amounted to £63,000. The directors have not recommended a dividend

#### Financial risk management and policies

With the support of the parent company and the rest of the group, the directors do not feel that the company is exposed to any material risks including credit or cash flow risk for the assessment of the assets, liabilities, financial position and results of the company

#### Directors

The directors who served the company during the year were as follows

R K Schmidt

D R Davis

K H Kyostila

T O Lokki

V Makela

A K Pitkanen

J G Stockley

D R Davis resigned as a director on 30 April 2012

#### **Going Concern**

Our parent company Planmeca, the largest privately owned dental company in Europe, sees the UK as a key strategic territory. After making enquiries and obtaining confirmation of consistent and continuing parent company support, as detailed in note 1 of these financial statements, the directors believe that the company has adequate resources to ensure that the company will continue to return to profitability and regain market share in the foreseeable future.

### Directors' report (continued)

#### Year ended 30 April 2012

#### Directors' responsibilities

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law) Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to

- select sultable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregulanties.

Insofar as the directors are aware

- there is no relevant audit information of which the company's auditor is unaware, and
- the directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information

#### Auditor

Chantrey Vellacott DFK LLP are deemed to be re-appointed under section 487(2) of the Companies Act 2006

Signed on behalf of the directors

R Schmidt

Director

Approved by the directors on 21 February 2013

### Independent auditor's report to the shareholders of Plandent Limited

### Year ended 30 April 2012

We have audited the financial statements of Plandent Limited for the year ended 30 April 2012 which comprise the profit and loss account, balance sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

This report is made solely to the company's shareholders, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's shareholders those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's shareholders as a body, for our audit work, for this report, or for the opinions we have formed

### Respective responsibilities of directors and auditor

As explained more fully in the directors' responsibilities statement set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

#### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 30 April 2012 and of its loss for the year then ended.
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice,
- have been prepared in accordance with the requirements of the Companies Act 2006

### Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements

### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

The notes on pages 6 to 16 form part of these financial statements.

### Notes to the financial statements

#### Year ended 30 April 2012

### 1 Accounting policies

#### Basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom accounting standards

The company has not prepared group accounts as it is exempt from the requirement to do so by section 400 of the Companies Act 2006. These financial statements present information about the company as an individual undertaking, not about its group.

The preparation of the financial statements requires the Directors to make estimates and assumptions that affect the reported amounts of turnover, expenses, assets and liabilities, and the disclosure of contingent liabilities at the date of the financial statements. If in the future such estimates and assumptions, which are based on the Directors' best judgement at the date of the financial statements, deviate from the actual circumstances, the original estimates and assumptions will be modified as as appropriate in the year in which the circumstances change

As explained in the director's report on page 1, the directors have adopted the going concern basis of preparation for the financial statements based on forecasts, which they have prepared, which show that the company will continue to return to profitability in the foreseeable future. These forecasts assume that the company will continue to receive financial support from its parent company, Planmeca Oy

The financial statements do not include any adjustments that might be required if the application of the going concern basis proves to be inappropriate

#### Cash flow statement

The company is a 91% subsidiary undertaking of Planmeca Oy, a company registered in Finland. The financial statements of Planmeca Oy include a consolidated cash flow statement which incorporates the cash flows of the company. Plandent is therefore not required to prepare a cash flow statement for inclusion in its own accounts.

#### Turnover

Turnover represents amounts receivable from the sale of dental and other healthcare products, provided in the UK and overseas net of trade discounts, VAT and other related taxes Turnover is recognised on despatch

#### **Fixed assets**

All fixed assets are initially recorded at cost

#### Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows

- Leasehold improvements

over the length of the lease

- Fixtures and fittings

General equipment

10% reducing balance or between 10%

and 20% straight line

Computer equipment Computer system

40% straight line 20% straight line

Tools - Motor vehicles

20% straight line 25% straight line

#### Stocks

Stocks, which relates to finished goods held ready for sale, are stated at the lower of cost and net realisable value

### Notes to the financial statements

#### Year ended 30 April 2012

#### 1 Accounting policies (continued)

#### Leasing and hire purchase commitments

Assets held under finance leases, which are leases where substantially all the risks and rewards of ownership of the asset have passed to the company, and hire purchase contracts, are capitalised in the balance sheet and are depreciated over their useful lives. The capital elements of future obligations under the leases and hire purchase contracts are included as liabilities in the balance sheet.

The interest elements of the rental obligations are charged in the profit and loss account over the periods of the leases and hire purchase contracts and represent a constant proportion of the balance of capital repayments outstanding

Rentals payable under operating leases are charged in the profit and loss account on a straight line basis over the lease term

#### Pension costs

The company operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the company. The annual contributions payable are charged to the profit and loss account.

#### **Deferred taxation**

Deferred tax is recognised in respect of all material timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date

#### Foreign currencies

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currency, except those covered by forward contacts, are translated using the rate of exchange ruling at the balance sheet date and the gains or losses on translation are included in the profit and loss account.

#### Financial instruments

Financial assets such as cash and debtors are measured at the present value of the amounts receivable, less an allowance for the expected level of doubtful receivables. Financial liabilities such as trade creditors, loans and finance leases are measured at the present value of the obligation. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

#### 2 Turnover

The turnover and loss before tax are attributable to the one principal activity of the company

An analysis of turnover is given below

Year to 30 Apr 12 £000	Period from 1 Feb 11 to 30 Apr 11 £000
United Kingdom 13,486 EU Sales 1,129	4,212 310
