Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Independent Auditors' Report to the Shareholders of Plandent Limited

We have audited the financial statements of Plandent Limited for the year ended 31 January 2005 which comprise the Profit and Loss Account, Balance Sheet and related notes. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As described in the Statement of Directors' Responsibilities the company's directors are responsible for the preparation of financial statements in accordance with applicable law and United Kingdom Accounting Standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatement within it.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Independent Auditors' Report to the Shareholders of Plandent Limited

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 January 2005 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes to the financial statements For the year ended 31 January 2005

1. Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

(a) Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards, and under the historical cost accounting rules.

The financial statements have been prepared on the going concern basis which is dependent on the continuing support of the company's bankers and Planmeca Oy, the company's ultimate holding undertaking.

Based on this support, the directors believe that it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result from the basis of preparation being inappropriate.

Under Financial Reporting Standard 1 the company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the company in its own published consolidated financial statements.

The company has not prepared group accounts as it is exempt from the requirement to do so by section 229(2) of the Companies Act 1985. These financial statements present information about the company as an individual undertaking as not about its group.

As 91% of the company's voting rights are controlled within the group headed by Planmeca Oy, its controlling and ultimate controlling party, the company has taken advantage of the exemption contained in FRS8 and has therefore not disclosed transactions or balances with entities which form part of the group. The consolidated financial statements of Planmeca Oy, within which the company is included, can be obtained from the address given in note 23.

(b) Turnover

Turnover represents amounts receivable for goods and services provided in the UK and overseas net of trade discounts, VAT and other related taxes. Revenue is recognised on despatch.

(c) Fixed assets and depreciation

Depreciation is provided to write off the cost less the estimated residual value of tangible fixed assets by equal instalments over their estimated useful economic lives as follows:

- Leasehold improvements

- Fixtures and fittings:

General equipment

Computer equipment Computer system` Tools

- Motor vehicles

over the length of the lease

10% reducing balance or between 10%

and 20% straight line

40% straight line

20% straight line

20% straight line

25% straight line

(d) Stocks

Stocks are stated at the lower of cost and net realisable value.

Notes to the financial statements For the year ended 31 January 2005

1. Accounting policies

(e) Foreign currency

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currency, except those covered by forward contracts, are translated using the rate of exchange ruling at the balance sheet date and the gains or losses on translation are included in the profit and loss account.

(f) Leasing and hire purchase commitments

Assets acquired under hire purchase contracts and finance lease agreements are capitalised and the liabilities for capital repayments are included in creditors. Finance charges are written off over the period of the agreement so as to produce a constant periodic rate of charge.

Operating lease rentals are charged to the profit and loss account as incurred.

(g) Taxation

The charge for taxation is based on the profit or loss for the year and takes into account taxation deferred because of the timing differences between the treatment of certain items for taxation and accounting purposes. Deferred taxation is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS19.

(h) Post-retirement benefits

The company operates a defined contribution scheme. The assets of the scheme are held separately from those of the company in an independently administered fund. The amount charged to the profit and loss account represents the contributions payable to the scheme in respect of the accounting period.

2. Turnover

All turnover and profits before taxation are derived from the company's principal activity.

Notes to the financial statements For the year ended 31 January 2005

14. Creditors: amounts falling due after one year

The £100,000 loan from Bank of Scotland is repayable in 36 equal monthly instalments ending June 2005. Interest is charged at 1.75% above LIBOR.

The £1,100,000 loan from Bank of Scotland is repayable in 120 equal monthly instalments ending on 12 December 2012. Interest is charged at 1.75% above LIBOR.

Subsequent to the year end, management have changed finance provider and have secured a new facility with Nordea Bank. A loan facility of £2,000,000 and overdraft facility of £600,000 are now in place. These facilities are secured by a mortgage debenture over the assets and undertakings of the business.

15. Obligations under finance leases

The net obligation under finance leases is repayable as follows:

| | 2005 £'000 | 2004 £'000 |
|--|----------------------|---------------|
| Within one year In the second to fifth years | 216 161 | 215 127 |
| | 377 | 342 |

16. Deferred taxation

The elements of unprovided deferred taxation are as follows:

| | 2005 | 2004 |
|---------------------------------|-------|-------|
| | £'000 | £,000 |
| Tax losses | 640 | 645 |
| Fixed asset timing differences | 18 | 14 |
| Short term timing differences | 4 | 12 |
| Undiscounted deferred tax asset | 662 | 671 |
| | | |

The undiscounted deferred tax asset of £662,000 (2004 : £671,000) has not been recognised on the grounds that there is insufficient evidence that there will be suitable future taxable profits from which the losses can be deducted.

17. Pension scheme

The company operates a defined contribution scheme, the assets of which are held separately from those of the company and being invested with insurance companies. Contributions to the scheme in the current year totalled £165,000 (2004 £138,000).
