1. The first of these is the fact that the American Medical Association is a voluntary association of physicians. It is not a government agency, nor is it a part of the government. It is a private organization, and its members are free to join or leave it at will. This is one of the reasons why the American Medical Association is able to maintain its independence and to resist the pressure of the government and the public. It is also one of the reasons why the American Medical Association is able to represent the interests of its members and to advocate for them in the public arena.

2. The second of these is the fact that the American Medical Association is a national organization. It has members in every state of the Union, and it has a large number of members in each state. This is one of the reasons why the American Medical Association is able to represent the interests of its members and to advocate for them in the public arena. It is also one of the reasons why the American Medical Association is able to maintain its independence and to resist the pressure of the government and the public.

3. The third of these is the fact that the American Medical Association is a professional organization. Its members are physicians, and they are bound by a code of ethics and a code of conduct. This is one of the reasons why the American Medical Association is able to represent the interests of its members and to advocate for them in the public arena. It is also one of the reasons why the American Medical Association is able to maintain its independence and to resist the pressure of the government and the public.

4. The fourth of these is the fact that the American Medical Association is a non-profit organization. It does not have a profit motive, and its funds are used for the benefit of its members and the public. This is one of the reasons why the American Medical Association is able to represent the interests of its members and to advocate for them in the public arena. It is also one of the reasons why the American Medical Association is able to maintain its independence and to resist the pressure of the government and the public.
