LIQUIDATOR'S ACTIONS SINCE LAST PROGRESS REPORT

Since my last report, I have carried out a number of tasks for the benefit of liquidation estate, which are detailed below:

- Reviewed proofs of debt received from creditors, and adjudicated claims for the payment of a dividend.
- Continued to liaise with Company debtors, in particular Airdale Security Limited ("ASL") in regards to the settlement offer and receipt of funds.

There is also certain work that I am required by the insolvency legislation to undertake in connection with the liquidation that provides no financial benefit for the creditors. A description of the routine work undertaken since the last progress report is contained in Appendix 2.

RECEIPTS AND PAYMENTS

My Receipts & Payments Account for the period from 15 August 2022 to 14 August 2023 and for the period from 15 August 2018 to 14 August 2023 is attached at Appendix 1. All amounts are shown net of VAT. I have reconciled the account against the financial records that I am required to maintain.

The balance of funds are held in an interest bearing estate bank account.

I can confirm that interest totalling £414.03 has been received in the reporting period has been received to date, of which £350.97 was received in the current reporting period.

ASSETS

All assets realised and dealt with in the previous periods are detailed in my earlier reports. The following have been dealt with in this reporting period.

Book Debts

Airedale Securities Limited ("ASL") – In accordance with the Statement of Affairs, ASL was indebted to the Company for £57,065.76. Following my appointment, a review of the Company financial records showed that the balance of the ASL debt as per the account for year ending 30 November 2015 was £439,065.76. Evidence was requested to explain how the debt decreased from £439,065.76 to £57,065.76. Whilst some information was provided, no evidence was received to reconcile the full amount. However, the full debt was then disputed by ASL on the basis that they had taken assignment of a loan for the Company.

The dispute over the debt due by ASL has been ongoing for some time, and my solicitors advised that this may be difficult to pursue considering that ASL are a BVI company. However, I am pleased to report that a settlement has been reached with ASL for £100,000 in respect of any claim that I may have against ASL. I can confirm that £100,000 has been received in this regard.

Stretton Finance Limited ("SFL") – SFL are the largest creditor, owing the Company £612,522.45, and a connected company by virtue of common directors and shareholders. SFL went into liquidation on 11 June 2019. I can confirm that a final dividend of £1,381.39 was received in the reporting period. In total, £48,076.48 was received in respect of this debt.

ASSETS YET TO BE REALISED

Book Debts

Anthony Resinato – Mr Resinato was indebted to the Company in the amount totalling £27,120.00, and in this respect the Company took security in the form of a registered charge over four flats at Farrer Mews. Each charge secured the sum of £6,780 owed to the Company.

The flats were re-possessed by the first ranking chargeholder, and two of these have now been sold and £15,360 has been realised. The remaining two flat that are due to be sold and are expected to bring in realisations of a further £15,360 in respect of this debt.

PRE-APPOINTMENT FEES

The Liquidation Committee previously authorised the payment of a fee of £5,000 plus VAT for my assistance with preparing the statement of affairs and arranging the decision procedure for creditors to appoint a liquidator.

The fee for preparing the statement of affairs and arranging the decision procedure for creditors to appoint a liquidator was paid by the director.

LIQUIDATOR'S REMUNERATION

My remuneration was approved on a time cost basis based on a fees estimate of £118,403.50. However, I was only authorised to draw fees up to a cap of £70,344.80. I can confirm that I obtained another decision from the Committee to authorise me to draw fees up to my original fee estimate, which was approved. Furthermore, I obtained approval for an additional fee increase to £148,596 on 9 November 2022. The fees estimate acts as a cap and I cannot draw remuneration in excess of that estimate without first seeking approval from the Liquidation Committee. My total time costs to 14 August 2023 amount to

£138,336.50, representing 670.90 hours of work at a blended charge out rate of £206.20 per hour, of which £7,679.00, representing 37.60 hours of work, was charged in the period since 15 August 2022, at a blended charge out rate of £204.23 per hour. The actual blended charge out rate incurred compares with the estimated blended charge out rate of £207.56 in my fees estimate.

I have drawn £138,336.50 to date of which £19,733.00 was drawn in the period since 15 August 2022.

Based on current information I do not expect my total time costs to exceed my estimated remuneration I set out in my increased fees estimate when my remuneration was authorised by the Liquidation Committee.

Further information about creditors' rights can be obtained by visiting the creditors' information micro-site published by the Association of Business Recovery Professionals (R3) at <http://www.creditorinsolvencyguide.co.uk/>. Details about how an office holder's fees may be approved for each case type are available in a series of Guidance Notes issued with Statement of Insolvency Practice 9, and they can be accessed at www.kallis.co.uk/downloads. There are different versions of these Guidance Notes, and in this case please refer to the most recent version. Please note that we have also provided further information about an office holder's remuneration and expenses in our practice fee recovery sheet, which is enclosed at Appendix 5.

LIQUIDATOR'S EXPENSES

Expenses are any payments from the estate which are neither an office holder's remuneration nor a distribution to a creditor or a member. Expenses also includes disbursements. Disbursements are payments which are first met by the office holder and then reimbursed to the office holder from the estate. Expenses are split into:

- category 1 expenses, which are payments to persons providing the service to which the expense relates who are not an associate of the office holder; and
- category 2 expenses, which are payments to associates or which have an element of shared costs. Before being paid category 2 expenses require approval in the same manner as an office holder's remuneration.

Category 1 expenses

I have incurred the following category 1 expenses in the liquidation and since the last progress report:

| Nature of category 1 expense | Amount incurred/ accrued in reporting period | Amount incurred/ accrued in total | Amount unpaid |
|------------------------------|--|-----------------------------------|---------------|
| Specific Bond | - | 276.00 | - |
| Statutory Advertising | - | 186.45 | - |
| Insurance of Assets | - | 1,360.41 | - |
| Agents/Valuers Fees | - | 4,875.00 | - |
| Legal Fees | - | 47,045.83 | - |
| Corporation Tax | - | 7.57 | - |
| Debt Collection Expenses | 131.46 | 131.46 | - |
| Drainage Rates | - | 8.29 | - |
| Other Property Expenses | - | 499.20 | - |
| Auctioneers Fees | - | 13,060.00 | - |
| Solicitors Fees | - | 5,498.67 | - |
| Petitioning Creditor | - | 10,639.44 | - |
| Total | £131.46 | £83,588.32 | - |

I have paid category 1 expenses of £83,588.32 to date, of which £131.46 was paid in the reporting period, as indicated in the attached receipts and payments account.

I have used the following professional advisors in the reporting period:

| | | |
|--------------------------------|----------------|---------------|
| Professional Advisor | Nature of Work | Basis of Fees |
| Stephensen Harwood LLP ("SHL") | Solicitors | Time Cost |

My choice of professional advisors was based on my perception of their experience and ability to perform this type of work and the complexity and nature of the assignment. I also confirmed that they hold appropriate regulatory authorisations. I have reviewed the fees they have charged and am satisfied that they are reasonable in the circumstances of this case and represents value for money.

Category 2 expenses

I am required to seek approval before I can pay any expenses to associates, or pay expenses where there is an element of shared costs, which are known as category 2 expenses. I have obtained approval to pay the following category 2 expenses. I have incurred the following category 2 expenses since the last progress report:

| Nature of category 2 expense | Amount incurred/ accrued in reporting period | Amount incurred/ accrued in total | Amount unpaid |
|------------------------------|--|-----------------------------------|---------------|
| Storage | - | £60.00 | £60.00 |
| Total | - | £60.00 | £60.00 |

I have not paid any category 2 expenses to date.

Details of the category 1 and 2 expenses that I have paid to date are included in the receipts and payments account attached.

| Nature of expense | Estimated expenses (£) | Expenses incurred to date (£) |
|--------------------------|------------------------|-------------------------------|
| Specific Bond | 276.00 | 276.00 |
| Statutory Advertising | 186.45 | 186.45 |
| Insurance of Assets | 1,582.48 | 1,360.41 |
| Agents/Valuers Fees | 250.00 | 4,875.00 |
| Auctioneers Fees | 1,160.00 | 13,060.00 |
| Legal Fees | 30,058.30 | 47,045.83 |
| Petitioning Creditor | 10,639.44 | 10,639.44 |
| Postage | 27.15 | - |
| Storage | 45.00 | 60.00 |
| Other Property Expenses | - | 499.20 |
| Drainage Rates | - | 8.29 |
| Corporation Tax | - | 7.57 |
| Debt Collection Expenses | - | 131.46 |
| Solicitors Fees | - | 5,498.67 |
| Total | 45,358.46 | 83,588.32 |

As you can see above, the total expenses I have exceeded the total expenses I estimated I would incur when my remuneration was approved. The reasons I have exceeded the estimate of expenses is due to the number of additional expenses incurred in respect of legal costs as a result of dealings with the settlement of the disputed debt, and other asset realisations.

PRACTICE FEE RECOVERY POLICY FOR KALLIS INSOLVENCY PRACTITIONERS

Introduction

This sheet explains the alternative fee bases allowed by the insolvency legislation when acting as office holder in insolvency appointments. The legislation allows different fee bases to be used for different tasks within the same appointment. The fee basis, or combination of bases, set for a particular appointment is/are subject to approval, generally by a committee if one is appointed by the creditors, failing which the creditors in general meeting, or the Court. The report accompanying the request to fix the basis of remuneration will indicate the basis, or bases, being requested in that particular case and will make it clear what work is to be undertaken in respect of each basis.

Further information about creditors' rights can be obtained by visiting the creditors' information micro-site published by the Association of Business Recovery Professionals (R3) at <http://www.creditorinsolvencyguide.co.uk/>. Details about how an office holder's fees may be approved for each case type are available in a series of guides issued with Statement of Insolvency Practice 9 (SIP 9) "Payments to Insolvency Office Holders and their Associates from an Estate" and can be accessed at <https://www.kallis.co.uk/downloads/>. Alternatively, a hard copy may be requested from Kallis Insolvency Practitioners, Mountview Court, 1148 High Road, London N20 0RA. Please note that we have provided further details in this policy document.

SIP 9 also contains various requirements that the office holder has to comply with in connection with their remuneration, both when seeking approval and when reporting to creditors and other interested parties after approval. One of the matters that an office holder has to comply with is that they must also seek approval for any payments that could reasonably be perceived as representing a threat to the office holder's objectivity or independence by virtue of a professional or personal relationship, including to an associate. Where it is anticipated that such payments will be made in a case they will be separately identified when seeking approval for the basis of the office holder's remuneration.

Other than in respect of Voluntary Arrangements an office holder is required to record the time spent on casework in all cases, even if they are being remunerated for that work on a basis other than time costs. Time is recorded directly to the relevant case and the nature of the work undertaken is recorded at that time. The work is generally recorded under the following categories:

- Case Administration (including statutory reporting).
- Financials
- Realisation of Assets.
- Investigations.
- Creditors (claims and distributions).
- Trading
- Case specific matters.

Time cost basis

When charging fees on a time costs basis we use charge out rates appropriate to the skills and experience of a member of staff and the work that they perform. This is combined with the amount of time that they work on each case, recorded in 6 minute units with supporting narrative to explain the work undertaken.

Charge out Rates

| Grade of staff | Current charge-out rate per hour, effective from 15/08/2022 | Previous charge-out rate per hour, effective from 01/10/2019 | Previous charge-out rate per hour, effective from 01/10/2017 | Previous charge-out rate per hour, effective from 01/10/2015 | Previous charge-out rate per hour, effective from 01/10/2012 £ | Previous charge-out rate per hour, effective from 01/10/2010 £ |
|------------------------------------|---|--|--|--|--|--|
| Senior Partner / appointment taker | £480 | £420 | | | | |
| Partner / appointment taker | £380 - 400 | £320-340 | £295-375 | £340-375 | £275-£335 | £275-£320 |
| Senior Manager | £280 - 350 | £295 | £285 | £285 | £275 | £275 |
| Assistant Manager/Manager | £200 - 250 | £240 | £225 | £225 | £170-£275 | £170-£275 |
| Senior/Case Administrator | £150-180 | £110-150 | £125-175 | £150-175 | £90-£175 | £90-£175 |
| Support Staff | £110-125 | £100-110 | £85-100 | £85-100 | £60-£85 | £60-£85 |

In cases where these staff undertake work, specific approval will be sought for the payment of the fees incurred.

These charge-out rates charged are reviewed regularly and are adjusted to take account of inflation and the firm's overheads.

When we seek time costs approval, we have to set out a fees estimate. That estimate acts as a cap on our time costs so that we cannot draw fees of more than the estimated time costs without further approval from those who approved our fees. When seeking approval for our fees, we will disclose the work that we intend to undertake, the hourly rates we intend to charge for each part of the work, and the time that we think each part of the work will take. We will summarise that information in an average or "blended" rate for all of the work being carried out within the estimate, and by reference to each separate category of work. The blended rate is calculated as the prospective average cost per hour, based upon the estimated time to be expended by each grade of staff at their specific charge out rate. We will also say whether we anticipate needing to seek approval to exceed the estimate and, if so, the reasons that we think that may be necessary.

A report accompanying the request to fix the basis of remuneration will include the fees estimate, as well as details of the expenses that will be, or are likely to be, incurred. Further information about expenses is given in a separate section below.

The disclosure that we make should include sufficient information about the insolvency appointment to enable you to understand how the proposed fee reflects the complexity (or otherwise) of the case, any responsibility of an exceptional kind falling on the office holder, the effectiveness with which the office holder has carried out their functions, and the value and nature of the property with which the office holder has to deal.

If we subsequently need to seek authority to draw fees in excess of the estimate, we will say why we have exceeded, or are likely to exceed the estimate; any additional work undertaken, or proposed to be undertaken; the hourly rates proposed for each part of the work; and the time that the additional work is expected to take. As with the original estimate, we will summarise that information in an average or "blended" rate for all of the work being carried out within the estimate, and by reference to each separate category of work, and will also say whether we anticipate needing further approval and, if so, why we think it may be necessary to seek further approval.

Percentage basis

The legislation allows fees to be charged on a percentage of the value of the property with which the office holder has to deal (realisations and/or distributions). Different percentages can be used for different assets or types of assets. A report accompanying the request to fix the basis of remuneration will set out the potential assets in the case, the remuneration percentage proposed in respect of any realisations and the work covered by that remuneration, which may solely relate to work undertaken in connection with the realisation of the assets, but might also include other categories of work as listed above. The report will also include details of the expenses that will be, or are likely to be, incurred. Further information about expenses is given in a separate section below.

The percentage approved in respect of realisations will be charged against the assets realised, and where approval is obtained on a mixture of bases, any fixed fee and time costs will then be charged against the funds remaining in the liquidation after the realisation percentage has been deducted.

A percentage of distributions made to unsecured creditors may also be requested, in order to cover the work associated with the agreement of claims and making the distribution.

The disclosure that we make will include sufficient information about the insolvency appointment to enable you to understand how the proposed fee reflects the complexity (or otherwise) of the case, any responsibility of an exceptional kind falling on the office holder, the effectiveness with which the office holder has carried out their functions, and the value and nature of the property with which the office holder has to deal. In order to meet the requirements of SIP 9 it will also explain why the basis requested is expected to produce a fair and reasonable reflection of the work that we anticipate will be undertaken on the case.

If the basis of remuneration has been approved on a percentage basis then an increase in the amount of the percentage applied can only be approved by the committee or creditors (depending upon who approved the basis of remuneration) in cases where there has been a material and substantial change in the circumstances that were taken into account when fixing the original level of the percentage applied. If there has not been a material and substantial change in the circumstances, then an increase can only be approved by the Court.

Fixed fee

The legislation allows fees to be charged at a set amount. Different set amounts can be used for different tasks. A report accompanying the request to fix the basis of remuneration will set out the set fee that we proposed to charge and the work covered by that remuneration, as well as details of the expenses that will be, or are likely to be, incurred. Further information about expenses is given in a separate section below.

If there has not been a material and substantial change in the circumstances, then an increase can only be approved by the Court.

Direct Costs

Where we seek approval on a percentage and/or fixed fee basis, in order to meet the requirements of SIP 9 we also have to disclose the direct costs that are included within the remuneration that will be charged on those bases in respect of the work undertaken. The following are direct costs that will be included in respect of work undertaken in respect of each of the standard categories of work where the office holder is to be remunerated for such work on either a percentage or fixed fee basis:

- Case Administration (including statutory reporting) – staff costs, costs of case management system.
- Realisation of Assets - staff costs, costs of case management system.
- Investigations - staff costs, costs of case management system.
- Creditors (claims and distributions) - staff costs, costs of case management system.
- Trading - staff costs, costs of case management system, costs of accounting software.

Mixed basis

If remuneration is to be sought on a mixed basis, we will make it clear in the report accompanying the request to fix the basis of remuneration which basis will be charged for each category of work that is to be undertaken on the case.

Members' voluntary liquidations and Voluntary Arrangements

The legislation is different for members' voluntary liquidations (MVL), Company Voluntary Arrangements (CVA) and Individual Voluntary Arrangements (IVA). In MVLs, the company's members set the fee basis, often as a fixed fee, and SIP 9 does not apply unless the members specifically request it. In CVAs and IVAs, the fee basis is set out in the proposals and creditors approve the fee basis when they approve the arrangement.

All fee bases

With the exception of IVAs and CVAs, which are usually VAT exempt, the office holder's remuneration invoiced to the insolvent estate will be subject to VAT at the prevailing rate.

Expenses

As already indicated, a report will accompany the request to fix the basis of remuneration and that will include details of expenses to be incurred, or likely to be incurred. When reporting to the committee and creditors during the course of the insolvency appointment the actual expenses incurred will be compared with the original estimate provided.

Expenses are any payments from the insolvent estate that are neither an office holder's remuneration nor a distribution to a creditor, or a member. Expenses also include disbursements. Disbursements are payments that are first paid by the office holder and then reimbursed from the insolvent estate. Expenses are divided into those that do not need approval before they are charged to the estate (Category 1) and those that do (Category 2).

Category 1 expenses are payments to persons providing the service to which the expense relates who are not an associate of the office holder. They can be paid by the office holder without obtaining prior approval. . Examples of costs that may amount to Category 1 expenses are professional advisors (who are not associates), statutory advertising, external meeting room hire (where the room is only hired for that meeting), external storage, specific penalty bond insurance, insolvency case management software fees charged on a per case basis, and Company search fees.

Category 2 expenses are either payments to associates, or payments in respect of expenses that have an element of shared costs, such as photocopying and mileage. Category 2 expenses require approval in the same manner as an office holder's remuneration before they can be paid.'

The practice intends to seek approval to recover the following Category 2 expenses that include an element of shared costs:

| | |
|-----------|--|
| Room Hire | £50 per hour |
| Mileage | www.gov.uk/government/publications/rates-and-allowances-travel-mileage-and-fuel-allowances |

Professional advisors may be instructed to assist the office holder on the case where they consider that such assistance is necessary to enable them to appropriately administer the case. The fees charged by any professional advisors used will be recharged at cost to the case. Where the professional advisor is not an associate of the office holder it will be for the office holder to agree the basis of their fees. Where the professional advisor is an associate of the office holder it will be for those responsible for fixing the basis of the office holder's remuneration to approve payments to them. The fees of any professional advisors are subject to the rights of creditors to seek further information about them or challenge them as summarised below. Professional advisors that may be instructed on a case include:

- Solicitors/Legal Advisors;
- Auctioneers/Valuers;
- Accountants;
- Book Debt Collectors;
- Quantity Surveyors;
- Estate Agents;
- Pension specialists;
- Employment Claims specialists; and
- GDPR/Cyber Security specialists.

Reporting and rights to challenge

Once the basis of the office holder's remuneration has been approved, a periodic report will be provided to any committee and also to each creditor. The report will provide a breakdown of the remuneration charged by the office holder in the period covered by the report, i.e., the amount that the office holder is entitled to draw, together with the amount of remuneration actually drawn. If approval has been obtained for remuneration on a time costs basis, the time costs incurred will also be disclosed, whether drawn or not, together with the "blended" rates of such costs. The report will also compare the actual time costs incurred with those included in the fees estimate prepared when fixing the basis of the remuneration, and indicate whether the fees estimate is likely to be exceeded. If the fees estimate has been exceeded, or is likely to be exceeded, the report will explain why that is the case.

The report will also provide information about expenses incurred in the period covered by the report, together with those actually paid, together with a comparison with the estimated expenses. If the expenses incurred, or anticipated to be incurred, have exceeded the estimate provided the report will explain why that is the case.

Under the insolvency legislation the report must also include a statement of the legislative rights of creditors to request further information about the remuneration charged and expenses incurred in the period covered by the report, or to challenge them on the grounds that they are excessive. Extracts of the relevant insolvency rules dealing with these rights are set out below. Once the time period to seek further information about the office holder's remuneration and/or expenses for the period covered by the

report has elapsed, then a Court Order is required to compel the office holder to provide further information about the remuneration and expenses. A Court order is required to challenge the office holder's remuneration and/or expenses for the period covered by the report. Once that period has elapsed, then a separate Court Order is required to allow an application out of time.

Under rule 18.9 of the Insolvency (England and Wales) Rules 2006, an unsecured creditor may, with the permission of the court or with the concurrence of 5% in value of the unsecured creditors (including the creditor in question) request further details of the office holder's remuneration and expenses, within 21 days of receipt of any report for the period. Any secured creditor may request the same details in the same time limit.

Under rule 18.34, an unsecured creditor may, with the permission of the court or with the concurrence of 10% in value of the unsecured creditors (including the creditor in question), apply to court to challenge the amount and/or basis of the office holder's fees and the amount of any proposed expenses or expenses already incurred, within 8 weeks of receipt of any report for the period. Any secured creditor may make a similar application to court within the same time limit.

Under some old legislation, which still applies for insolvency appointments commenced before 6 April 2010, there is no equivalent mechanism for fees to be challenged.
