LAKEVIEW MUSIC PUBLISHING COMPANY LIMITED

PURSUANT TO PARAGRAPH 24 OF SCHEDULE 8 TO THE COMPANIES ACT 1985

Basis of Opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

NOTES TO THE ACCOUNTS

30TH JUNE 1994

1. ACCOUNTING POLICIES

The financial statements have been prepared in accordance with statements of standard accounting practice and financial reporting standards issued by UK accountancy bodies. The company has taken advantage of the exemption in Financial Reporting Standard Number 1 "Cash Flow Statements" from the requirement to prepare a cash flow statement on the grounds that it is a small company. The particular accounting policies adopted are described below:

(a) Accounting Convention

The financial statements are prepared under the historical cost convention.

(b) Turnover

Turnover consists of royalty income and fees from the sale of sheet music, net of value added tax. Turnover from third parties is recognised on a cash received basis, whilst turnover from group companies is recognised on a receivable basis.

(c) Stocks

Stocks are valued at the lower of cost and net realisable value.

(d) Deferred Taxation

Deferred taxation is provided at the anticipated tax rates on timing differences arising from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the financial statements to the extent that it is probable that a liability or asset will crystallise in the future.

(e) Foreign Exchange

Transactions of the company denominated in foreign currencies are translated into sterling at the rate ruling at the date of the transaction. Amounts outstanding in foreign currencies at the balance sheet date are translated at the rate ruling at that date. Translation differences are dealt with in the profit and loss account.
